

**NCI ADULT/PEDIATRIC CIRB APPLICATION
FOR
CONTINUING REVIEW**

OMB#: 0925 – 0625 Expiry Date: 1/31/2014

STATEMENT OF CONFIDENTIALITY

Collection of this information is authorized under 42 USC 285a. Your participation is completely voluntary. You are subject to no penalty if you choose not to provide all or any part of the requested information. Data collected as part of the NCI CIRB review is confidential and protected by law. Under the provisions of Section 301d of the Public Health Service Act, no information that could permit identification of a participating individual may be released. All such information will be held in confidence and will be presented only in statistical or summary form.

NOTIFICATION TO RESPONDENT OF ESTIMATED BURDEN

Public reporting burden for this collection of information is estimated to average 1 hour per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0625*). Do not return the completed form to this address.

This application, when completed, contains information required by CIRB members to conduct a meaningful review of the study so answer each question as completely as possible. If an answer to any question cannot be provided, please provide an explanation for the missing answer. If you have any questions regarding the completion of this application, please contact the CIRB Helpdesk at 888-657-3711 or ncicirbcontact@emmes.com.

APPLICATION COMPLETION DATE: _____

GROUP STUDY ID NUMBER: \$\$Study ID\$\$

STUDY TITLE: \$\$Study Title\$\$

PROTOCOL VERSION DATE: _____

This application should be based on the current CIRB-approved Protocol Version Date. Please provide the protocol and the informed consent document with this Protocol Version Date.

1.0 CIRB Study Status

1.1 Indicate with a check mark the current study status as defined by the CIRB. Please note that CIRB study status definitions differ from CTEP study status definitions. The CIRB definitions are provided for your convenience.

- 1.1.1 **Active:** The study has received full approval from CTEP and the CIRB, has been activated by the Cooperative Group, and the study is open to accrual.

Initial Activation Date: _____

- 1.1.2 **Approved but Not Yet Activated:** The study has gone through CIRB review and has been fully approved by the CIRB however it has yet to be activated by the Cooperative Group.

- 1.1.3 **Temporarily Closed to Accrual:** The study is not completed but is temporarily not accruing participants. Participants currently enrolled in the study continue to receive study intervention and/or are being followed.

Temporary Closure to Accrual Date: _____

- 1.1.4 **Temporarily Closed to Accrual and Intervention Suspended:** The study is not completed but is temporarily not accruing participants. Participants currently enrolled have had study intervention suspended.

Temporary Closure/Intervention Suspension Date: _____

- 1.1.5 **Closed to Accrual, Participants still Receiving Intervention:** The study has permanently closed to accrual however enrolled participants are still receiving study intervention.

Closure to Accrual Date: _____

Number of participants still on study intervention: _____

- 1.1.6 **Closed to Accrual, Participants have Completed Intervention:** The study is permanently closed to accrual and all participants have completed study intervention. Participants are either in the follow-up phase or have finished participation in the study.

Closure to Accrual Date: _____

Number of participants still in follow-up: _____

- 1.1.7 **Withdrawn:** The study is withdrawn by the Study Chair prior to CIRB final approval or withdrawn prior to activation by the coordinating Cooperative Group. Once withdrawn, all study activity will be considered completed with the CIRB. If the study is reactivated, it will have to be submitted to the CIRB and reviewed as a new study.

Withdrawal Date: _____

- 1.1.8 **Completed:** The study is considered completed with the CIRB only when it has finished its planned course and all of the following are true.

- | | | |
|--|------------------------------|-----------------------------|
| a. The study has been closed to accrual. | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| b. All participants have completed study intervention. | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| c. All participants have completed all follow-up activities. | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| d. Analysis of the data is complete. | <input type="checkbox"/> Yes | <input type="checkbox"/> No |
| e. The study has met its primary objectives and a final study report/publication has been submitted. | <input type="checkbox"/> Yes | <input type="checkbox"/> No |

If Yes, provide a copy of the final report/publication.

If all of the above five questions have been answered “Yes”, the study will be permanently closed with the CIRB. Please go to Section 2.0 and complete the rest of the form as a final report to the CIRB.

1.1.9 **Administratively Completed:** The study is considered administratively completed with the CIRB when it has been stopped earlier than planned and all of the following are true.

- a. The study has been closed to accrual. Yes No
- b. Participants are no longer receiving study intervention. Yes No
- c. All follow-up activities have ceased. Yes No
- d. No further activity or data analyses are being performed. Yes No

If the above four questions have been answered “Yes”, the study will be permanently closed with the CIRB. Please state why the study was stopped earlier than planned then complete the rest of the form as a final report to the CIRB.

2.0 Enrollment Information

2.1 Accrual target: _____

- 2.1.1 Number of participants enrolled: _____
- 2.1.2 Total number of participants currently receiving study intervention: _____
- 2.1.3 Total number of participants who completed study intervention: _____
- 2.1.4 Total number of participants still in follow-up: _____
- 2.1.5 Total number of participants whose study intervention was terminated early or who have chosen to withdraw from the study: _____

Describe *specific* reasons for withdrawals or terminations: _____

2.2 Projected Enrollment Information at Study Institutions

For your convenience, we have retained the NIH formatting so that you can easily include the information in this application.

2.2.1 Describe the target population in terms of ethnicity:

TARGETED/PLANNED ENROLLMENT: Number of Subjects			
Ethnic category	Sex/Gender		Total
	Females	Males	
Hispanic or Latino			
Not Hispanic or Latino			

Ethnic Category Total			
-----------------------	--	--	--

2.2.2 Describe the target population in terms of race:

TARGETED/PLANNED ENROLLMENT: Number of Subjects			
	Sex/Gender		
Racial Categories	Females	Males	Total
American Indian /Alaska Native			
Asian			
Black or African American			
Native Hawaiian or Other Pacific Islander			
White			
Racial Categories: Total of all Subjects			

2.3 Current Enrollment Information at Study Institutions

For your convenience, we have retained the NIH formatting so that you can easily include the information in this application.

PART A. TOTAL ENROLLMENT REPORT: Number of Participants Enrolled to Date (Cumulative) by Ethnicity and Race				
Ethnic Category	Sex/Gender			Total
	Females	Males	Unknown or Not Reported	
Hispanic or Latino				
Not Hispanic or Latino				
Unknown (Individuals not reporting ethnicity)				
Ethnic Category: Total of All Participants*				
Racial Categories				
American Indian/Alaska Native				
Asian				
Black or African American				
Native Hawaiian or Other Pacific Islander				
White				
More than one race				
Unknown or not reported				

Racial Categories: Total of All Subjects*				
--	--	--	--	--

PART B. HISPANIC ENROLLMENT REPORT: Number of Hispanics or Latinos Enrolled to Date (Cumulative)				
Racial Categories	Females	Males	Unknown or Not Reported	Total
American Indian or Alaska Native				
Asian				
Black or African American				
Native Hawaiian or Other Pacific Islander				
White				
More Than One Race				
Unknown or not reported				
Racial Categories: Total of Hispanics or Latinos**				

*These totals must agree.

**These totals must agree.

2.4 How is overall study recruitment progressing compared to the intended schedule? If concerns exist, what is the plan to address them?

2.5 How is recruitment to the ethnic and racial categories defined in the charts of Section 2.3 progressing compared to the intended schedule as defined in the charts of Section 2.2? If concerns exist, what is the plan to address them?

3.0 Other Study Information

3.1 Have any findings from this study been presented or published other than to a Data and Safety Monitoring Board?

Yes No

If yes, explain and attach the presentations or publications. _____

3.2 To the Study Chair's knowledge, has any publication or other relevant information relating to participants' risks and benefits on this study become available since the last CIRB review? This would include any new information about the drugs or procedures used in this study, as well as any new information on alternative therapies for the condition being studied.

Yes No

If yes, explain and attach relevant documents. _____

- 3.3 Have there been any changes in the research activity, revisions, amendments, or any editorial or administrative updates to the protocol, Cooperative Group model informed consent document, or study participant questionnaires since the last continuing review approval or initial review approval if this is the first review for continuation?

Yes No

If yes, please list all changes, revisions, amendments, and/or editorial or administrative updates since the last continuing review approval or initial review approval if this is the first review for continuation. Include the respective Protocol Version Dates or Update Dates. _____

- 3.4 Has the Investigator's Brochure (IB) been updated since the last continuing review approval or initial review approval if this is the first review for continuation?

Yes No Not applicable

Please provide the version date of the most current IB: _____

- 3.5 Have there been any updates or changes since the last continuing review approval, or initial review approval if this is the first review for continuation, to the financial conflict of interest disclosures of the Study Chair or any persons listed on the protocol who are involved in the development or coordination of the study?

Yes No

If yes, explain. _____

- 3.5.1 Do any of the updates or changes result in new or revised significant financial conflicts of interest as defined in the Conflict of Interest Policy for Cooperative Group Phase 3 Clinical Trials?

Yes No

If yes, please provide a copy of the Cooperative Group's management plan to address the new or revised conflicts disclosed in question 3.5.

4.0 Adverse Event and Unanticipated Problem Information

- 4.1 How is the study monitored for safety?
- Data and Safety Monitoring Board (DSMB)
 Safety monitoring committee
 Not applicable, explain. _____

4.1.1 Date of last DSMB or safety monitoring meeting: _____

Attach the current DSMB report supplied to investigators.

4.1.2 Date/approximate date of the next DSMB or safety monitoring meeting:

4.2 Has a toxicity summary report been prepared for the study?

Yes No Not applicable

If yes, attach a copy of the current toxicity summary report supplied to investigators.

4.3 Since the last continuing review approval, or initial review approval if this is the first review for continuation, have there been any incidents, experiences, participant complaints, or outcomes that indicate participants or others may be at greater risk of harm (physical or otherwise) than previously anticipated?

Yes No

If Yes, explain. _____

4.4 Have there been any unanticipated problems since the last continuing review approval or initial review approval if this is the first review for continuation?

Yes No

If yes, has the unanticipated problem been reported to the CIRB?

Yes No

If No, please provide a description of the unanticipated problem and any corrective action plan implemented. _____

4.5 Since the last continuing review approval, or initial review approval if this is the first review for continuation, has anything occurred to cause the risk-benefit assessment to change?

Yes No

If Yes, explain. _____

Summary of CIRB-Requested Supporting Documents Required, if applicable

- Protocol upon which this application is based
- Informed consent document with the same Protocol Version Date as the protocol
- Presentations and publications for this study (Question 3.1)
- Relevant information relating to participants' risks and benefits (Question 3.2)
- Investigator's Brochure (Question 3.4)
- Management plan to address new or revised conflicts (Question 3.5.1)
- Current DSMB/safety monitoring committee report (Question 4.1.1)
- Current toxicity summary (Question 4.2)

Thank you for completing the NCI Adult/Pediatric CIRB Application for Continuing Review. Please submit the completed application and the required supporting documents via email to either adultcirb@emmes.com or pediatriccirb@emmes.com.
