**Health IT Systems Researchers and Implementers
Sought for Evaluation Project**

The Agency for Healthcare Research and Quality (AHRQ) has contracted with Westat and Mosaica Partners to conduct an assessment of a tool intended to support health IT system researchers and implementers in their evaluation efforts.

We are seeking the participation of researchers and implementers with direct experience in evaluating health IT systems. We would like their thoughts on the kinds of information and tools they would find useful in these activities.

There will be a \$75 incentive payment for each individual who participates. Individual responses will be kept confidential to the extent permitted by law, including AHRQ's confidentiality statute, 42 USC 299c-3(c).

Individual and group telephone interviews will be led by an experienced facilitator using an online collaboration tool, and should last 60 to 90 minutes.

How to volunteer: Please contact Mosaica Partners no later than **MONTH DAY, 2011 at:**

Phone: 727-570-8111 or

Email: HITtools@MosaicaPartners.com

You will be provided additional details of the evaluation and interviews to determine if your experience qualifies you for this study.

We look forward to talking with you and helping YOU shape future health IT research tools.
