C. *Programs and Procedures for Chronic and High-Cost Conditions

A sponsor cannot participate in the Early Retiree Reinsurance Program unless, as of the date of its application for the program is submitted, its employment-based plan has in place programs and procedures that have generated or have the potential to generate cost savings with respect to plan participants with chronic and high cost conditions. The program regulations define “chronic and high cost condition” as a condition for which \$15,000 or more in health benefit claims are likely to be incurred during a plan year by one plan participant. Please identify at

least two chronic and high cost conditions for which the employment-based plan has such programs and procedures in place, and summarize those programs and procedures, including how it was determined that the identified conditions satisfy the \$15,000 threshold. Also, please identify the nature of each such program (e.g., disease management, case management, wellness program, etc.) If necessary to provide a complete response, the sponsor may submit additional pages as an attachment to the application. Please reference such attachment in this space.

D. *Estimated Amount of Early Retiree Reinsurance Program Reimbursements

Please estimate the projected amount of proceeds you expect to receive under the Early Retiree Reinsurance Program for the plan identified in this application, for each of the first two plan year cycles identified in this application. If you wish, you may provide a range of expected program proceeds that includes: (1) a low-end estimate of expected program proceeds, (2) an estimate that represents your most likely amount of program proceeds, and (3) a high-end estimate of expected program proceeds. For purposes of this estimate only, please assume for each of those plan year cycles that there will be sufficient program funds to cover all claims submitted by the Plan Sponsor that comply with program requirements, although this might not be the case. If necessary to provide a complete response, the sponsor may submit additional pages as an attachment to the application. Please reference such attachment in this space.

- 1) First Plan Year Cycle:

E. *Intended Use of Early Retiree Reinsurance Program Reimbursements

- 1) Please summarize how your organization will use the reimbursement under the Early Retiree Reinsurance Program (ERRP) by checking the appropriate box that appears next to (a), (b) or (c):
 - a. To reduce health benefit or health benefit premium costs for the sponsor of the employment-based plan (i.e., to offset increases in such costs);
 - b. To reduce, or offset increases in, premium contributions, copayments, deductibles, coinsurance, or other out-of-pocket costs (or combination of these) for plan participants; or
 - c. To reduce or offset increases for a combination of any of these costs (whether reducing or offsetting increases in sponsor costs or reducing, or offsetting increases in, plan participants' costs).

For assistance with answering this question, you may wish to view the program regulations and Common Questions at www.errp.gov for information on permissible uses of ERRP reimbursement.

- 2) If the sponsor indicated in Question E.1 that it intends to use any of the reimbursement under the ERRP to reduce the sponsor's health benefit or health benefit premium costs (i.e., the sponsor checked either (a) or (c)), the ERRP regulation requires a sponsor to maintain its level of contribution toward the plan, solely as a way of ensuring that the sponsor does not violate the statutory prohibition on using program funds as general revenue. Therefore, if the sponsor checked either (a) or (c), the sponsor must attest to the following by checking this box.

Part III: Plan Sponsor Agreement

- 1) **Compliance:** In order to receive program reimbursement(s), Plan Sponsor agrees to comply with all of the terms and conditions of Section 1102 of the Patient Protection Act (P.L. 111-148) and 45 C.F.R. Part 149 and in other guidance issued by the Secretary of the U.S. Department of Health & Human Services (the Secretary), including, but not limited to, the conditions for submission of data for obtaining reimbursement and the record retention requirements.
- 2) **Reimbursement-Related and Other Representations Made by Designees:** Plan Sponsor may be given the opportunity to identify one or more Designees (i.e., individuals the Sponsor will authorize to perform certain functions on behalf of the Sponsor related to the Early Retiree Reinsurance Program, such as individual(s) who will be involved in making program reimbursement requests). Plan Sponsor affirms that all individuals that will be identified as Designees will have first been given authority by the Plan Sponsor to perform those respective functions on behalf of the Plan Sponsor. Plan Sponsor understands that it is bound by any representations such individuals make with respect to the Sponsor's involvement in the Early Retiree Reinsurance Program, including but not limited to the Sponsor's reimbursement under the program.
- 3) **Written Agreement:** Plan Sponsor affirms that, prior to submitting a Reimbursement Request, it has executed a written agreement with its health insurance issuer(s), employment-based plan, and other entities participating in the administration of the plan, regarding disclosure of information, data, documents, and records to HHS, and the issuer, plan, and other entity participating in the administration of the plan agrees to disclose to HHS, on behalf of the Plan Sponsor, at a time and in a manner specified by the HHS Secretary in guidance, the information, data, documents, and records necessary for the Plan Sponsor to comply with the requirements of the Early Retiree Reinsurance Program, as specified in 45 C.F.R. 149.35.

- 4) **Use of Records:** Plan Sponsor understands and agrees that the Secretary may use data and information collected under the Early Retiree Reinsurance Program only for the purposes of, and to the extent necessary in, carrying out Section 1102 of the Patient Protection Act (P.L. 111-148), 42 U.S.C. §18002, and 45 C.F.R. Part 149 including, but not limited to, determining reimbursements and reimbursement-related oversight and program integrity activities, or as otherwise allowed by law. Nothing in this section limits the U.S. Department of Health & Human Services' Office of the Inspector General's authority to fulfill the Inspector General's responsibilities in accordance with applicable Federal law.
- 5) **Obtaining Federal Funds:** Plan Sponsor acknowledges that the information furnished in its Plan Sponsor application is being provided to obtain Federal funds. Plan Sponsor affirms that it requires all subcontractors, including plan administrators, to acknowledge that information provided in connection with a subcontract is used for purposes of obtaining Federal funds. Plan Sponsor acknowledges that reimbursement of program funds is conditioned on the submission of accurate information. Plan Sponsor agrees that it will not knowingly present or cause to be presented a false or fraudulent claim. Plan Sponsor acknowledges that any excess reimbursement made to the Plan Sponsor under the Early Retiree Reinsurance Program, or any debt that arises from such excess reimbursement, may be recovered by the Secretary. Plan Sponsor will promptly update any changes to the information submitted in its Plan Sponsor application. If Plan Sponsor becomes aware that information in this application is not (or is no longer) true, accurate and complete, Plan Sponsor agrees to notify the Secretary promptly of this fact.
- 6) **Data Security:** Plan Sponsor agrees to establish and implement proper safeguards against unauthorized use and disclosure of the data exchanged under this Plan Sponsor application. Plan Sponsor recognizes that the use and disclosure of protected health information (PHI) is governed by the Health Insurance Portability and Accountability Act (HIPAA) and accompanying regulations. Plan Sponsor affirms that its employment-based plan(s) has established and implemented appropriate safeguards in compliance with 45 C.F.R. Parts 160 and 164 (HIPAA administrative simplification, privacy and security rule) in order to prevent unauthorized use or disclosure of such information. Sponsor also agrees that if it participates in the administration of the plan(s), then it has also established and implemented appropriate safeguards in regard to PHI. Any and all Plan Sponsor personnel interacting with PHI shall be advised of: (1) the confidential nature of the information; (2) safeguards required to protect the information; and (3) the administrative, civil and criminal penalties for noncompliance contained in applicable Federal laws.
- 7) **Depository Information:** Plan Sponsor hereby authorizes the Secretary to initiate reimbursement, credit entries and other adjustments, including offsets and requests for reimbursement, in accordance with the provisions of Section 1102 of the Patient Protection Act (P.L. 111-148), 42 U.S.C. §18002 and 45 C.F.R. Part 149 and applicable provisions of 45 C.F.R. Part 30, to the account at the financial institution (hereinafter the "Depository") identified by the Plan Sponsor. Plan Sponsor agrees to immediately pay back any excess reimbursement or debt upon notification from the Secretary of the excess reimbursement or debt. Plan Sponsor agrees to promptly update any changes in its Depository information.

- 8) **Policies and Procedures to Detect Fraud, Waste and Abuse.** The Plan Sponsor attests that, as of the date this Application is submitted, has in place policies and procedures to detect and reduce fraud, waste, and abuse related to the Early Retiree Reinsurance Program. The Plan Sponsor will produce the policies and procedures, and necessary information, records and data, upon request by the Secretary, to substantiate existence of the policies and procedures and their effectiveness, as specified in 45 C.F.R. Part 149.
- 9) **Change of Ownership:** The Plan Sponsor shall provide written notice to the Secretary at least 60 days prior to a change in ownership, as defined in 45 C.F.R, 149.700. When a change of ownership results in a transfer of the liability for health benefits costs, this Plan Sponsor Agreement is automatically assigned to the new owner, who shall be subject to the terms and conditions of this Plan Sponsor Agreement.
- 10) **Signature of Plan Sponsor Authorized Representative:** I, the undersigned Authorized Representative of Plan Sponsor, declare that I have legal authority to sign and bind the Plan Sponsor to the terms of this Plan Sponsor Agreement, and I have or will provide evidence of such authority. I declare that I have examined this Plan Sponsor Application and Plan Sponsor Agreement. My signature legally and financially binds the Plan Sponsor to the statutes, regulations, and other guidance applicable to the Early Retiree Reinsurance Program including, but not limited to Section 1102 of the Patient Protection Act (P.L. 111-148), 42 U.S.C. §18002 and 45 C.F.R. Part 149 and applicable provisions of 45 C.F.R. Part 30 and all other applicable statutes and regulations. I affirm that the information contained in this Plan Sponsor Application and Plan Sponsor Agreement is true, accurate and complete to the best of my knowledge and belief, and I authorize the Secretary to verify this information. I understand that, because program reimbursement will be made from Federal funds, any false statements, documents, or concealment of a material fact is subject to prosecution under applicable Federal and/or State law. (Only the Authorized Representative specified in Part I.B. can sign this agreement.)

C. Sponsor Must Review Response Files

After submitting an Early Retiree List, a Plan Sponsor will receive from the ERRP Center a response file specifying which individuals on the Early Retiree List are approved or rejected for the purpose of submitting cost/claims data and requesting reimbursement. If an individual is approved, the response file will include the dates within the plan year for which the sponsor can submit cost/claims data and request reimbursement. Also, the response file, for records that

are either rejected or approved only for a portion of the time period requested, will specify the reason(s) for the rejection or partial approval.

See the column labeled "Outgoing Response & Notification Files" in both tables in Part II.B. to identify the data elements returned to the Plan Sponsor in the response file.

D. Submit Summary Cost Data

A Plan Sponsor must submit with each Reimbursement Request (via data entry in the ERRP Secure Website) the following summary cost data related to the Reimbursement Request, on a cumulative basis. The data must correlate to the corresponding data in the Claim List specified in E. that is submitted for the same reimbursement request:

- 1) * Cost Paid by Plan - User enterable text field. This represents the aggregated actual costs for health benefits paid by the plan and incurred for Early Retirees
- 2) * Cost Paid by Early Retiree - User enterable text field. This represents the aggregated actual costs for health benefits paid by approved Early Retirees
- 3) * Threshold Reduction - User enterable text field. This field represents the aggregated cost threshold reduction amount for all approved Early Retirees with costs for health benefits reported for the plan year. The Plan Sponsor's data aggregator shall be responsible for calculating and inputting the threshold reductions.
- 4) Limit Reduction - User enterable text field. This field represents the aggregated cost limit reduction amount for all approved Early Retirees with costs for health benefits reported for the plan year. The Plan Sponsor's data aggregator shall be responsible for calculating and inputting the limit reductions.

E. Submit Claim List(s)

A Plan Sponsor must submit with each Reimbursement Request the following data:

- 1) * Reimbursement Request Number (assigned by HHS)
- 2) * Vendor ID (if applicable)
- 3) * Plan Sponsor ID (assigned by HHS)
- 4) * Application ID (assigned by HHS)

A Plan Sponsor must submit with each Reimbursement Request an electronic cumulative Claim List (via a Mainframe or Secure Website Upload method) containing the detailed claim line records supporting the costs included in its reimbursement request. The form and content of the list will vary, depending on the method of delivery, as follows.
