Sections 205(a), 702, 1631 (e)(1)(A) and (B) and 1869(b)(1)(C) of the Social Security Act, as appropriate, authorize us to collect the information on this form. The information you provide will help us to determine your potential eligibility for benefit payments and/or help us to decide if additional information is needed. Your response is voluntary. However, failure to provide the requested information may prevent an accurate and timely decision on any claim filed, or could result in the loss of benefits.

We rarely use the information provided on this form for any purpose other than for determining entitlement to benefit payments. In accordance with 5 U.S.C. § 552a(b) of the Privacy Act, however, we may disclose the information provided on this form in accordance with approved routine uses, which include but are not limited to the following:

2. To make determinations for eligibility in similar health and income maintenance programs at the Federal, state and local level;
3. To comply with Federal laws requiring the disclosure of the information from our records; and
4. To facilitate statistical research, audit or investigative activities necessary to assure the integrity of SSA programs.

We may also use the information you provide when we match records by computer. Computer matching programs compare our records with those of other Federal, state or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs. The law allows us to do this even if you do not agree to it.

Additional information regarding this form, routine uses of information, and other Social Security programs are available from our Internet website at www.socialsecurity.gov or at your local Social Security office.
