## Activities Since the Safe Families-Safe Homes Training Session

## Safe Families Safe Homes Evaluation

Each participant in the Safe Families-Safe Homes training identified his or her own action steps to be taken upon returning to work. The next three questions ask about activities that you may have completed since participating in the Safe Families-Safe Homes training, reasons that might have contributed to any successes you may have had, and challenges you may have encountered in completing these activities.

### \*27. Which, if any, of the following activities have you completed since participating in the Safe Families-Safe Homes training? (Check all that apply.)

- Enrolled in additional training related to helping families deal with domestic violence.
- Investigated the policies and procedures related to domestic violence that are in place at your Head Start program.
- Changed (or suggested changes to) the policies and procedures related to domestic violence that are in place at your Head Start program.
- Investigated the laws and regulations related to domestic violence that are in place in the community in which you work.
- Identified resources in your community, such as local domestic violence victim service agencies.
- Contacted potential community partner(s) to improve local efforts aimed at prevention and intervention of domestic violence (please specify agency below).
- Developed a formal partnership agreement with a community partner to improve local efforts aimed at prevention and intervention of domestic violence (please specify agency below).
- Referred a family for social or community services.
- Assisted a family with accessing domestic violence services.
- No follow-up activities completed (skip to Question #29).
- Other activity (specify below).

Please specify involved agencies and/or other activities:

## Safe Families Safe Homes Evaluation

### **28. What are the reasons that might have contributed to any successes you have experienced in follow-up activities related to the Safe Families-Safe Homes training? (Check all that apply.)**

- The Safe Families-Safe Homes training provided us with the necessary skills and information to respond appropriately to disclosures of domestic violence.
- The Safe Families-Safe Homes training provided us with the necessary skills and information to connect families directly to domestic violence services.
- The Safe Families-Safe Homes training provided us with the necessary skills and information to increase family safety.
- The Head Start Collaboration Director and/or other state trainers facilitated follow-up activities.
- Our Head Start program's Director was supportive of the initiative.
- We had the resources to devote to additional training opportunities or collaborative efforts.
- Domestic violence prevention and intervention was a priority of our program's Policy Council, Governing Board, or other advisory committee.
- Before the training, our program was involved in collaborative efforts with community partners related to other issues (e.g., substance abuse).
- Before the training, our program was already involved in collaborative efforts related to domestic violence prevention and intervention.
- Does not apply.
- Other

Please specify.

## Safe Families Safe Homes Evaluation

### \*29. What are the challenges you have encountered in follow-up activities since the Safe Families-Safe Homes training session you attended? (Check all that apply.)

- The Safe Families-Safe Homes training did not provide us with the necessary skills and information to respond appropriately to disclosures of domestic violence.
- The Safe Families-Safe Homes training did not provide us with the necessary skills and information to connect families directly to domestic violence services.
- The Safe Families-Safe Homes training did not provide us with the necessary skills and information to increase family safety.
- I do not have the authority to institute or change policies and procedures related to domestic violence.
- I do not have the authority to contact potential community partners.
- I do not have the authority to establish formal agreements with community partners.
- I do not have the time to devote to additional training or collaborative efforts.
- We did not have the resources to devote to additional training opportunities or collaborative efforts.
- Our Head Start program's Director was not supportive of the initiative.
- Domestic violence prevention and intervention was not a priority of our program's Policy Council, Governing Board, or other advisory committee.
- No challenges encountered.
- No follow-up activities attempted.
- Other

Please specify.

### 30. Are there things that you wish you had learned or practiced at your Safe Families-Safe Homes training? Are there any changes you would make to the training? Please describe.
