Paperwork Reduction Act Statement: The National Park Service is authorized by 16 U.S.C. 1a-7 to collect this information. This information will be used by park managers to better understand and define the population status of the Park's target gamefish, and to identify visitor experiences in the newly designated "Pole and Troll Zone" in the Snake Bight area of Florida Bay. Your response to this request is voluntary. The data collected will be completely anonymous and there will be no way to connect your responses back to you as an individual. An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.

BURDEN ESTIMATE STATEMENT: Public reporting burden for this form is estimated to average **5 minutes** per response. Direct comments regarding the burden estimate or any other aspect of this form to: Jason Osborne at <u>Jason Osborne@nps.gov</u> (email).
