SECTION 5: This section asks about your attitudes toward management of recreational use in Yosemite Wilderness.

TOPIC AREA 5: CROWDATT

18. In your opinion what is the maximum **number of groups** per day that would be acceptable for you to see in this part of the wilderness? (Please mark (•) only one.)

- The number of other groups I see doesn't matter to me.
- The number of groups I see matters to me, but I can't specify a number.
- The maximum number of groups per day in this area should be: (check one)

0-2	4-6	8-10	12-14	16-18	20-22	24-26	28-30	32-34	36-38	39 +
<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

TOPIC AREA 5: CRWDATT1 (Variation)

19. Yosemite wilderness managers must find an appropriate balance between allowing all people to visit the wilderness when they want and providing opportunities for solitude. In your opinion, which of the four following options strikes the best balance? (Circle one)

- A. *Do not restrict use to manage for solitude* anywhere, even if use is heavy.
- B. *Manage for solitude along a few wilderness trails.* The number of people allowed to use these few trails will be limited, but the majority of trails will have no use limits. These trails without limits may experience higher levels of use over time.
- C. *Manage for solitude on most wilderness trails,* by limiting the number of people using these trails. A few trails will have unrestricted use. Use levels will increase and be high on these trails.

TOPIC AREA 5: CRWDATT9 (Variation)

20. Do you feel that a limit is needed on the number of people using this wilderness, recognizing that your own opportunity to visit this wilderness might be limited in the future? Please mark (•) **only one**.

- Yes, a limit is needed now to LOWER current use
- Yes, a limit is needed now to HOLD at current use
- No limit is needed now, but should be imposed in the future when overuse occurs
- No limit needed now or in the future

TOPIC AREA 5&6: CRWDATT1 (Variation)

21. If the use of this wilderness was very heavy, and controls on use were being considered, please indicate how you would feel about each of the following management policies by circling the appropriate number.

	Strongly Favor	Favor	No Opinion	Oppose	Strongly Oppose
Reduce the number of trails and signs so that only those people willing to make the effort could visit the area	1	2	0	-1	-2
Promote other low-use destinations in the park to disperse use	1	2	3	4	5
Allow use to continue to increase without controls	1	2	3	4	5
Provide designated backcountry campsites to concentrate resource impacts from recreation	1	2	3	4	5
Require parking in designated trailhead areas to reduce opportunistic access to trails	1	2	3	4	5

TOPIC AREA 6: OPMGMT 11 (Variation)

22. If the use of this wilderness was very heavy, and controls on use were being considered, please indicate how you would feel about each of the following management policies related to day use by circling one number for each item.

	Strongly Support	Support	Neutral	Oppose	Strongly Oppose
Limit the number of DAY visitors in the wilderness area					
a. by issuing a limited number of permits on a first- come, first-served basis	1	2	3	4	5
b. by issuing a limited number of permits on drawing (or lottery) basis	1	2	3	4	5
c. by issuing a limited number of permits through a mail reservation system	1	2	3	4	5
d. by issuing a number of permits through an online reservation system	1	2	3	4	5

TOPIC AREA 6: OPMGMT 6 (Variation)

23. Please indicate the extent to which you agree or disagree with each of the following statements concerning management of area-specific activity in NPS site. (Circle **one** number for each item.)

	Strongly Agree	Agree	Neutral	Disagree	Strongly Disagree	Don't know
If people feel crowded, use limits should be imposed	1	2	3	4	5	DK
If visitor-caused resource impacts are high, use limits should be imposed	1	2	3	4	5	DK
Use limits should never be imposed even if use is high	1	2	3	4	5	DK
If visitors no longer experience solitude, use limits should be imposed	1	2	3	4	5	DK
More trails should be added to reduce the number of people seen	1	2	3	4	5	DK
The number of trails that allow horseback riding should be reduced	1	2	3	4	5	DK
The number of trails that allow horseback riding should be increased	1	2	3	4	5	DK
The number of trails that allow horseback riding should be reduced	1	2	3	4	5	DK
