

OMB Control Number: 1103-XXXX Expiration Date:

The following is a voluntary survey developed by The Partnership at Drugfree.org, in conjunction with the U.S. Department of Justice, Office of Community Oriented Policing Services. The purpose of this survey is to collect valuable information from law enforcement professionals in order to develop a training module reflecting the needs and best practices of the field when building collaborative partnerships with community organizations and educators to address and prevent substance abuse in teens and young adults.

This survey is voluntary and will take approximately 10 to 15 minutes to complete. We encourage all participants to answer the questions as honestly as possible so that the results of the survey reflects what is really happening in your community. The goal of this survey is to provide The Partnership with a better understanding into the kinds of obstacles that need to be overcome in order to deliver the best substance abuse prevention programs. We appreciate your input, and thank you for your time.
