such as televisions, stereos, and refrigerators. Included in this industry are appliance rental centers.

4 Did your location use any of the following green technologies or practices?

Column A:

Please indicate whether this location has actively used the type of green technology or practice listed during the pay period including May 12, 2011.

Column B:

For any green technologies or practices used at this location during that same pay period, please indicate whether there were any employees at this location who spent any of their time involved in:

- researching, developing, maintaining, using, or installing technologies or practices to lessen the environmental impact of their establishment, or
- training the establishment's workers in these technologies or practices.

Please include employees on the establishment's payroll. **Do not include contract employees or consultants when completing Column B.**

The types of employees to include are listed in Question 2 on Page 1.
