Bureau of Labor Statistics
Green Technologies and Practices Survey

Logout

Dear Employer,

As the American economy adapts to a changing marketplace and a wider selection of energy alternatives, measuring the number and types of new jobs created is of critical importance. We are collecting information to help us measure the number of jobs associated with the use of green technologies and practices.

Thank you for participating in our survey.

[Continue](#)

Confidentiality Statement: The Bureau of Labor Statistics, its employees, agents, and partner statistical agencies, will use the information you provide for statistical purposes only and will hold the information in confidence to the full extent permitted by law. In accordance with the Confidential Information Protection and Statistical Efficiency Act of 2002 (Title 5 of Public Law 107-347) and other applicable Federal laws, your responses will not be disclosed in identifiable form without your informed consent. This report is authorized by law 29 U.S.C. 2, Paperwork Reduction Act Statement. Your voluntary cooperation is needed to make the results of this survey comprehensive, accurate, and timely.

We estimate that completing this form will take an average of 20 minutes. This estimate takes into account time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the information. If you have any comments regarding this survey, including suggestions for reducing the burden, send them to the Bureau of Labor Statistics, Office of Occupational Employment Statistics, Paperwork Reduction Project, 2 Massachusetts Avenue, N.E., Room 2135, Washington, DC 20212. The OMB control number for this voluntary survey is 1220-0182 and expires on December 31, 2011. Without a currently valid number BLS would not be able to conduct this survey.

If you need help completing this form, please send an e-mail to GTPhelpdesk@bls.gov, or call 202-691-6599.

2 What was the total employment at this establishment as of May 12, 2011?

Include:

- For incorporated firms—paid owners, officers, and staff
- Total number of full—and part—time paid workers
- Workers assigned temporarily to other locations

Do Not Include:

- For unincorporated firms—owners, proprietors, and partners
- Unpaid family workers
- Workers on unpaid leave
- Workers not covered by unemployment insurance
- Contractors and temporary agency employees not on your payroll

Total employment : Valid values range between 0 and 99999 (no commas).

Thank you for reporting your information to the Green Technologies and Practices Survey. In order to measure the green economy, it is important that we collect accurate information on the use of green technologies and practices from establishments as well as employment information on employees using green technologies and practices. You reported that during the pay period you had employees at your establishment involved in:

- Reducing or eliminating the creation of waste materials during business operations
- Conserving natural resources used during business operations
- Generating energy from renewable sources for use within the establishment
- Improving your establishment's own energy efficiency
- Reducing greenhouse gas emissions resulting from business operations
- Reducing or eliminating the creation or release of pollutants or toxic compounds resulting from operations

How many employees spent more than half of their time involved in the green technologies and practices listed above?

- Please count employees only once if they are included in more than one activity above
- Please do not include contractors or consultants working at your establishment that are not on your payroll
- If no employees spent more than half their time using green technologies or practices, please enter 0 (zero)

Save & Continue
