Privacy Act Notice

Authority: 46 U.S.C 6102 and 33 CFR 173 & 174 authorize the collection of information on boating accidents.

Purpose: The Coast Guard uses this information for statistical purposes, chiefly to inform the public, to measure the Program's efforts, and to regulate issues relating to boating safety.

Routine Uses: The Coast Guard shares this information within the agency, and if state and federal law permit it, to the public.

Disclosure: Some information may not be required to be reported under federal regulation.

Questions relating to the collection of this data should be sent to the Coast Guard.

The Coast Guard estimates that the average burden for each report is about 30 minutes. You may submit any comments concerning the accuracy of this burden estimate or any suggestions for reducing the burden to: Commandant (CG-542), U.S. Coast Guard, 2100 St., SW, Washington D.C. 20593-0001 or Office of Management and Budget, Paperwork Reduction Project (1625-0003), Washington, DC 20503.

The following is a screenshot of a typical form entry page. The State representative would tab through fields and then select the tabs at the top of the screen to enter additional pertinent information.
