

Request for Approval under the “Generic Clearance for the Collection of Routine Customer Feedback” (OMB Control Number: 2010-0042)

TITLE OF INFORMATION COLLECTION: Barnegat Bay Festival Survey

PURPOSE:

The survey was designed to gather information about the effectiveness of advertising for the Barnegat Bay Festival, ways to improve the festival, and the success of the education and outreach efforts at the festival.

The festival is the Barnegat Bay Partnership's (BBP's) premier education and outreach event. At the festival, the BBP and its partners educate the public about bay and watershed issues, promote greater public participation in protecting the bay, and advocate for responsible use of the bay's resources. The information collected by the survey will help the BBP determine the most cost-effective way(s) to advertise the festival and provide an assessment of the outreach methods used at the festival and our success in communicating to people what they can do to help protect and restore the bay.

DESCRIPTION OF RESPONDENTS:

The respondents will be attendees of the Barnegat Bay Festival. Attendees normally include both local residents and seasonal visitors. Approximately 2,000 to 3,000 people attend the festival.
