**INSTRUCTIONS FOR COMPLETING EPA FORM 8500-17-N
AND PAPERWORK REDUCTION ACT NOTICE**

This form is to be used to request certification to purchase and apply Restricted Use Pesticides in **Navajo Indian Country** from the U.S. Environmental Protection Agency Region IX.

1. Fill out all of the information. An email address is requested but is not required. Phone number listed should be one at which you can be reached during business hours.
2. Enter your birth date using the numerical month-month-date-date-year-year format.
3. Enter your EPA Region 9 Federal Applicator Identification number if this is a renewal or request for a replacement card.
4. Certificate Type: Check appropriate box. If this is your first application to Region IX for a pesticide applicator certification in Navajo Indian Country, check “Initial Certificate”.
5. Applicator Type: Check “Private Applicator” ONLY if you will be or are applying pesticides for production of an agricultural commodity on property owned or rented by you or your employer. All other applicators check “Commercial Applicator”. There is no “noncommercial” or “public” federal applicator type.
6. Certification Method: In most cases you will check “Requesting Federal Certificate based on valid state certificate or license”.
 - 6a. Enter the two character state for which you hold a valid certificate/license, the state applicator number and expiration date. Enter the code for the category or categories for which you are certified/licensed by the state using the codes listed on the back of this instruction sheet. Use the code for the category that is an exact match to the category listed on your certificate/license. **Attach a photocopy of both sides of your state certification or license.**
 - 6b. If you do not hold a valid state applicator certificate and you are a private applicator, you may be certified after completing the “Private Applicator Certification and Recertification Home Study Course” and related Questionnaire.
7. Sign and date the application and mail the application with a photocopy of both sides of your state pesticide applicator certificate/license (if you are requesting certification based on state certification), and a passport or digital photograph of yourself to:
