<u>U.S. PORT AND TERMINAL INVENTORY SURVEY</u> <u>PUBLIC AND PRIVATE PORT</u>

Expiration Date: 8/31/2011 OMB No. 2133-0539

A federal agency may not conduct or sponsor, and a person is not required to respond to, nor shall a person be subject to a penalty for failure to comply with a collection of information subject to the requirements of the Paperwork Reduction Act unless that collection of information displays a current valid OMB Control Number. The OMB Control Number for this information collection is 2133-0539. Public reporting for this collection of information is estimated to be approximately 90 minutes per response, including the time for reviewing instructions, completing and reviewing the collection of information. All responses to this collection of information are voluntary. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: Information Collection Clearance Officer, Maritime Administration, MAR-390, 1200 New Jersey Avenue, SE, Washington, DC 20590.

Directions: Please fill in the below criteria to the best of your ability. Desired units of measurement for reporting purposes are cited below in each segment of each criterion. An electronic version of the survey will also be sent to each recipient in order to provide the least work intensive means of providing this information to the United States Department of Transportation Maritime Administration.
