The objective of this survey is to assess the completeness, utility, and usability of the Opening History portal, from the perspective of library reference service providers. Your response will allow us to improve Opening History as a premier national resource for research on U.S. history and culture. This survey will take at most 20 minutes to complete. Your participation in this survey is completely voluntary.

This survey is anonymous. Your participation is entirely voluntary and you can stop your participation in the survey at any time by clicking the "Exit and Clear Survey" link at the bottom of the survey page. By doing this you will clear answers to any of the questions you may have already submitted.

Statement of voluntary consent:

By clicking "I agree" below I certify that I have read the preceding consent language and that I understand its contents, and that I freely agree to participate in this survey.
