Welcome to the Early Career Doctorate Study (ECDS)

Welcome to the website for The Early Career Doctorate Study (ECDS). The National Science Foundation is conducting this 30-minute survey to learn about the early career experiences of individuals who earned their Ph.D. or equivalent degree within the last 10 years including postdocs, faculty and non-faculty researchers. These data are not available from any other source so your participation is important.

If you need assistance, send an e-mail to ecds@rti.org or call the Help Desk at 1-800 # for study (1-800 # for study).

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such a collection displays a valid OMB control number. The valid OMB control number for this information collection is XXXX-XXXX. The time required to complete this information collection, including time to review instructions, search existing data resources, gather the data needed, and complete and review the information collection is estimated to be an average of 30 minutes.
