INSTRUCTIONS: This form was mailed to all independent diversion applicants with the official results of their diversion. The purpose of the form was to enable the independent diverter to notify the Committee to whom the Diversion Certificate should be issued and which account number and handler would be receiving the Certificate. Independent producers, after filling out this form, are required to return it to the Committee before a Transferable Diversion Certificate can be issued.

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0581-0178. The time required to complete this information collection is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
