SNAP CLIENTS INVITED TO TAKE PART IN A FOCUS GROUP Earn \$60

Food and Nutrition Services (FNS) within the U.S. Department of Agriculture (USDA) will be sponsoring two January focus group discussions in this area with SNAP clients. Group participants will be asked about where they shop for certain food products, their views of different shopping options, and their experiences using EBT cards.

Each group will last about 60 minutes. A light meal will be served and participants will receive \$60 at the end of the group. If you are a SNAP client and are interested in joining one of these discussions, please call Martha at 1-800-XXX-XXXX.
