

L. Eagle Books Observation Checklist
(use one form per setting/location)

Setting/Location

- Tribal Office
- Recreation Center or Community Center
- Health Clinic
- School
- Library
- Other (please describe)

Eagle Books Material or Activity (check all that apply)

- Displays showing the books (e.g. on bulletin boards) or created from the books (such as cutting up the books to exhibit pages)
- Eagle Books posters and flyers
- Eagle Books posters that have been modified by the tribe/community to announce Eagle Book events or promote health messages
- Secondary visual materials developed by the tribe or by children in schools: Eagle Book character drawings; Eagle Books art developed at CDC-sponsored Eagle Book events; Eagle Books wallpaper
- Any Eagle Book projects based on activities provided in the Eagle Books Curriculum Guide such as plays, games or drum songs.
- Announcements and photos in tribal calendars, newspapers, newsletters, school schedules, or bulletin boards regarding Eagle Books events or Eagle Books-themed activities, such as pow-wow or health fair booths promoting diabetes prevention via Eagle Books materials; diabetes prevention “walk/runs” or screenings; Eagle Books Talking Circles; story-telling events, and school carnivals.
- School lunchrooms: changes in menus to reflect Eagle Books healthy diet messages.
- Tribal council meeting topics: discussion of Eagle Books activities
- Eagle Books imagery used in any health or culturally-related activities.
- Other (please describe)
