Site Visit Recruitment and Scheduling Worksheet

Public reporting burden of this collection of information is estimated to average 3 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC Reports Clearance Officer; 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-xxxx)

Please use these screeners to help you identify and schedule people to participate in the Eagle Books Site Visit. There is one scheduling sheet for each type of respondent needed. As you schedule participants, you will need to email or fax a copy of the scheduling sheet to Vernita Branom, at Westat, so we can monitor scheduling and provide assistance where needed. For privacy reasons, please DO NOT include the names of anyone you recruit when you send this grid to Westat. You should keep names and contact for your records only. If you have any questions, please contact Vernita Branom, the Westat site visit coordinator, at [insert toll free number] or vernitabranom@westat.com.

Community Representatives : <ul style="list-style-type: none"> We would like to talk to <u>3</u> community representatives who, as part of their job, are working to prevent diabetes and have used the Eagle Books as part of their work. Examples are community health workers, nurses, nutritionists, tribal diabetes educators, people who work at the local IHS clinic or public health clinic, etc. Community representatives MUST work in the tribal community and part of their work MUST include using the Eagle Books.
