## INTRODUCTION

Hello, my name is \_\_\_\_\_ from \_\_\_\_\_, a local research firm here in the \_\_\_\_\_ area. We are working with L&M Policy Research on a project about health care.

*If needed:* If recruit asks about L&M Policy Research, please say the following: “L&M Policy Research is a company with headquarters in Washington, D.C that conducts research on many different healthcare issues.”

I’m calling today about a project that we are doing about the quality of certain hospital services for the Centers for Medicare & Medicaid Services, the federal government agency that runs Medicare. For this study we’d like your help figuring out the clearest way to tell people about this hospital information. If you are interested in helping with the project and you meet its requirements, we will invite you to come for an interview on [TBD]. It would take about 90 minutes of your time, and we would pay you [\$XX] at the end of the interview. May I ask you a few questions to see if you qualify to participate? *If yes, continue to #1. If no, thank and end.*

*If needed:* Since we need to include people who are a mix of different backgrounds and experiences, there are some requirements that I have to check on for all of the people that we bring in to participate. I need to ask you a few questions to see if you meet the requirements for participating in the discussion.
