Event descriptions (1)

	Event	Explanation
1	Grant Reimbursement (GR) Code Added to SSI Record	The GR code tells our system that an IAR authorization exists for the person and identifies the specific GR agency.
2	GR Code Deleted from SSI Record	The GR code has been deleted from SSA's record and not replaced by a different GR code.
3	Reassigned to [GR-new]	This communication goes to the "losing" GR agency. The link goes to details of the "gaining" GR agency's contact information.
4	Reassigned from [GR-old]	This communication goes to the "gaining" GR agency. The link goes to details of the "losing" GR agency's contact information.
5	Ineligible for Reimbursement – Late Posting of GR Code	The GR code is posted to a claim that has already been awarded or has had a favorable appeal effectuated. Once the retroactive due amounts are paid to the individual, IAR cannot be done.
6	GR Code added to Denied SSI Record	A GR code is added to an SSI claim which is already denied. Link will show details of denial.
7	SSI Claim Denied	Denial is newly posted for a claim with a GR code posted. Link will show details of denial
8	SSI Making Presumptive Disability Payments	While the person's application is still pending, SSA has decided to make "presumptive disability" payments to the person. These payments (can continue for up to 6 months) will not later be available for IA reimbursement. Link reveals details.
9	Appeal Filed	Self explanatory.
10	Unfavorable Appeal Decision	Self explanatory.

Event descriptions (2)

	Event	Explanation
11	SSI Record Terminated	The person's SSI record is terminated.
12	SSI Awarded – Underpayment Review Pending	The individual has been found to be eligible for SSI, payment of “ongoing” SSI benefit starts but SSA is reviewing the facts of the case before we ask for the report of IA payments.
13	Reimbursement Not Possible	SSI is awarded, recurring SSI payments are due but there are no retroactive SSI benefits for the individual, so no reimbursement of interim assistance can be made.
14	Application has been approved or appeal is successful. Request for Report of IA payments for the case is made to the appropriate GR agency.	This is a “special” communication to the GR agency (i.e., it does not appear on the Acknowledge SSA Communications screen. The case is instead presented on the list of Approved SSI Cases needing to be “worked” (i.e., IA payment amounts input) by the IAR state/county worker.
15	Ineligible for Reimbursement – IA Pmts Not Reported Timely	The GR agency did not complete its report of IA payments within 25 working days from the time SSA had requested the report. Links to detail on what date the report was due.
16	Zero Reimbursement Case	There will be no reimbursement payment (e.g., the IAR worker input IA paid amounts of \$0.00 for all months). Links to IA Reimbursement Details which details the reimbursement computation.
17	IA Reimbursement of ###,###.## paid on 00/00/0000	Self explanatory. Links to IA Reimbursement Details which details the reimbursement computation.

Required State Actions

Complete the screen, "Enter IA Payments Made" by entering the amount of IA you paid for each listed month.

THINGS TO REMEMBER REGARDING YOUR AMOUNT OF REIMBURSEMENT

- Federally Reimbursable Interim Assistance (IA) is assistance from State or Local funds to an individual for meeting basic needs during the period (1) beginning with the first month for which such individual received an SSI dollar amount payment; or, (2) beginning with the first day for which the individual's benefits were suspended or terminated, if the individual was subsequently found to be eligible for such payments, and is paid an SSI dollar amount. Both periods end with (and including) the month the recurring payment is made.
- You may be reimbursed the assistance you paid for any month in a period as defined above for which both SSI and IA payments were made. You may not be reimbursed for any months prior to the month in which you began paying IA in this period. If a month is not listed on the screen "Enter IA Payments Made" you cannot be reimbursed for the assistance you paid for that month. If you have prepared and cannot stop delivery of the last assistance payment that you made to the individual when you receive the request to report your IA payments for the individual, you may be reimbursed for that assistance payment as long as it is for a listed month.
- In cases where SSI payments are prorated, the amount you recover for that month will be prorated. You will only be reimbursed the prorated amount of the full IA payable for that month. You cannot be paid the difference between the IA prorated amount and the full IA amount from any other month in the IA period.
- Assistance payments financed in whole or part from Federal funds (e.g. TANF) do not come within the meaning of interim assistance.
- You must complete and submit the information on the screen "Enter IA Payments Made" within 25 working days to be eligible for reimbursement. If this information is not received timely, SSA will release back payments due to the SSI individual based on SSA rules. The Social Security Administration (SSA) will not reimburse you for the IA assistance you paid.

PRIVACY ACT NOTICE: The Social Security Administration (SSA) is authorized to collect this information under §1631 (g) of the Social Security Act. It is required to determine the amount of interim assistance to reimburse the State. Failure to provide all or part of the information could prevent an accurate and timely decision on the amount of reimbursement. The information you furnish here will not be used for any other purpose.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security Offices. If you want to learn more about this, contact any Social Security Office.

PAPERWORK REDUCTION ACT STATEMENT: This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 8 minutes to read the instructions, gather the facts, and answer the questions. You may send comments on our time estimate above to: SSA, 6401 Security Blvd, Baltimore, MD 21235-6401. Send only comments relating to our time estimate to this address, not the completed form.

The reimbursement amount is the lesser of the total eligible for reimbursement or the total of SSI available.

For one or more months, the amount of IA eligible for reimbursement is less than the amount reported paid for the month. The reason for this is listed in the 'Reason for Reduction' column.
