Description of major changes

1. References to the branded prescription drug fee are being added to "(a)" in the opening, and lines 1, 3 and 6.
2. The word "tax" is being replaced with payment on line 3.

Instructions will be circulated at a later date. We are currently awaiting guidance from Counsel that will affect the instructions.

Comments: We will consider all comments received. However, comments received after 30 days may be deferred until the next revision. Comments should be sent via email to both the Tax Law Specialist and Reviewer listed below. If we need to make significant changes based on comments or other new information received, we will issue a subsequent circulation of this product; otherwise, these changes are final.
