Title 12: Banks and Banking

PART 563e—COMMUNITY REINVESTMENT

Subpart B—Standards for Assessing Performance

[Browse Previous](#) | [Browse Next](#)

§ 563e.25 Community development test for wholesale or limited purpose savings associations.

(a) *Scope of test.* The OTS assesses a wholesale or limited purpose savings association's record of helping to meet the credit needs of its assessment area(s) under the community development test through its community development lending, qualified investments, or community development services.

(b) *Designation as a wholesale or limited purpose savings association.* In order to receive a designation as a wholesale or limited purpose savings association, a savings association shall file a request, in writing, with the OTS, at least three months prior to the proposed effective date of the designation. If the OTS approves the designation, it remains in effect until the savings association requests revocation of the designation or until one year after the OTS notifies the savings association that the OTS has revoked the designation on its own initiative.

(c) *Performance criteria.* The OTS evaluates the community development performance of a wholesale or limited purpose savings association pursuant to the following criteria:

(1) The number and amount of community development loans (including originations and purchases of loans and other community development loan data provided by the savings association, such as data on loans outstanding, commitments, and letters of credit), qualified investments, or community development services;

(2) The use of innovative or complex qualified investments, community development loans, or community development services and the extent to which the investments are not routinely provided by private investors; and

(3) The savings association's responsiveness to credit and community development needs.

(d) *Indirect activities.* At a savings association's option, the OTS will consider in its community development performance assessment:

(1) Qualified investments or community development services provided by an affiliate of the savings association, if the investments or services are not claimed by any other

institution; and

(2) Community development lending by affiliates, consortia and third parties, subject to the requirements and limitations in §563e.22 (c) and (d).

(e) *Benefit to assessment area(s)*—(1) *Benefit inside assessment area(s)*. The OTS considers all qualified investments, community development loans, and community development services that benefit areas within the savings association's assessment area(s) or a broader statewide or regional area that includes the savings association's assessment area(s).

(2) *Benefit outside assessment area(s)*. The OTS considers the qualified investments, community development loans, and community development services that benefit areas outside the savings association's assessment area(s), if the savings association has adequately addressed the needs of its assessment area(s).

(f) *Community development performance rating*. The OTS rates a savings association's community development performance as provided in Appendix A of this part.

Title 12: Banks and Banking

PART 563e—COMMUNITY REINVESTMENT

Subpart B—Standards for Assessing Performance

[Browse Previous](#) | [Browse Next](#)

§ 563e.27 Strategic plan.

(a) *Alternative election.* The OTS will assess a savings association's record of helping to meet the credit needs of its assessment area(s) under a strategic plan if:

- (1) The savings association has submitted the plan to the OTS as provided for in this section;
- (2) The OTS has approved the plan;
- (3) The plan is in effect; and
- (4) The savings association has been operating under an approved plan for at least one year.

(b) *Data reporting.* The OTS's approval of a plan does not affect the savings association's obligation, if any, to report data as required by §563e.42.

(c) *Plans in general.* (1) *Term.* A plan may have a term of no more than five years, and any multi-year plan must include annual interim measurable goals under which the OTS will evaluate the savings association's performance.

(2) *Multiple assessment areas.* A savings association with more than one assessment area may prepare a single plan for all of its assessment areas or one or more plans for one or more of its assessment areas.

(3) *Treatment of affiliates.* Affiliated institutions may prepare a joint plan if the plan provides measurable goals for each institution. Activities may be allocated among institutions at the institutions' option, provided that the same activities are not considered for more than one institution.

(d) *Public participation in plan development.* Before submitting a plan to the OTS for approval, a savings association shall:

- (1) Informally seek suggestions from members of the public in its assessment area(s) covered by the plan while developing the plan;
 - (2) Once the savings association has developed a plan, formally solicit public comment on the plan for at least 30 days by publishing notice in at least one newspaper of general circulation in each assessment area covered by the plan; and
 - (3) During the period of formal public comment, make copies of the plan available for review by the public at no cost at all offices of the savings association in any assessment area covered by the plan and provide copies of the plan upon request for a reasonable fee to cover copying and mailing, if applicable.
- (e) *Submission of plan.* The savings association shall submit its plan to the OTS at least three months prior to the proposed effective date of the plan. The savings association shall also submit with its plan a description of its informal efforts to seek suggestions from members of the public, any written public comment received, and, if the plan was revised in light of the comment received, the initial plan as released for public comment.
- (f) *Plan content—(1) Measurable goals.* (i) A savings association shall specify in its plan measurable goals for helping to meet the credit needs of each assessment area covered by the plan, particularly the needs of low- and moderate-income geographies and low- and moderate-income individuals, through lending, investment, and services, as appropriate.
- (ii) A savings association shall address in its plan all three performance categories and, unless the savings association has been designated as a wholesale or limited purpose savings association, shall emphasize lending and lending-related activities. Nevertheless, a different emphasis, including a focus on one or more performance categories, may be appropriate if responsive to the characteristics and credit needs of its assessment area(s), considering public comment and the savings association's capacity and constraints, product offerings, and business strategy.
- (2) *Confidential information.* A savings association may submit additional information to the OTS on a confidential basis, but the goals stated in the plan must be sufficiently specific to enable the public and the OTS to judge the merits of the plan.
- (3) *Satisfactory and outstanding goals.* A savings association shall specify in its plan measurable goals that constitute “satisfactory” performance. A plan may specify measurable goals that constitute “outstanding” performance. If a savings association submits, and the OTS approves, both “satisfactory” and “outstanding” performance goals, the OTS will consider the savings association eligible for an “outstanding” performance rating.
- (4) *Election if satisfactory goals not substantially met.* A savings association may elect in its plan that, if the savings association fails to meet substantially its plan goals for a satisfactory rating, the OTS will evaluate the savings association's performance under the lending, investment, and service tests, the community development test, or the small savings association performance standards, as appropriate.
- (g) *Plan approval—(1) Timing.* The OTS will act upon a plan within 60 calendar days

after the OTS receives the complete plan and other material required under paragraph (e) of this section. If the OTS fails to act within this time period, the plan shall be deemed approved unless the OTS extends the review period for good cause.

(2) *Public participation.* In evaluating the plan's goals, the OTS considers the public's involvement in formulating the plan, written public comment on the plan, and any response by the savings association to public comment on the plan.

(3) *Criteria for evaluating plan.* The OTS evaluates a plan's measurable goals using the following criteria, as appropriate:

(i) The extent and breadth of lending or lending-related activities, including, as appropriate, the distribution of loans among different geographies, businesses and farms of different sizes, and individuals of different income levels, the extent of community development lending, and the use of innovative or flexible lending practices to address credit needs;

(ii) The amount and innovativeness, complexity, and responsiveness of the savings association's qualified investments; and

(iii) The availability and effectiveness of the savings association's systems for delivering retail banking services and the extent and innovativeness of the savings association's community development services.

(h) *Plan amendment.* During the term of a plan, a savings association may request the OTS to approve an amendment to the plan on grounds that there has been a material change in circumstances. The savings association shall develop an amendment to a previously approved plan in accordance with the public participation requirements of paragraph (d) of this section.

(i) *Plan assessment.* The OTS approves the goals and assesses performance under a plan as provided for in Appendix A of this part.

§ 563e.41 Assessment area delineation.

(a) *In general.* A savings association shall delineate one or more assessment areas within which the OTS evaluates the savings association's record of helping to meet the credit needs of its community. The OTS does not evaluate the savings association's delineation of its assessment area(s) as a separate performance criterion, but the OTS reviews the delineation for compliance with the requirements of this section.

(b) *Geographic area(s) for wholesale or limited purpose savings associations.* The assessment area(s) for a wholesale or limited purpose savings association must consist generally of one or more MSAs or metropolitan divisions (using the MSA or metropolitan division boundaries that were in effect as of January 1 of the calendar year in which the delineation is made) or one or more contiguous political subdivisions, such as counties, cities, or towns, in which the savings association has its main office, branches, and deposit-taking ATMs.

(c) *Geographic area(s) for other savings associations.* The assessment area(s) for a savings association other than a wholesale or limited purpose savings association must:

(1) Consist generally of one or more MSAs or metropolitan divisions (using the MSA or metropolitan division boundaries that were in effect as of January 1 of the calendar year in which the delineation is made) or one or more contiguous political subdivisions, such as counties, cities, or towns; and

(2) Include the geographies in which the savings association has its main office, its branches, and its deposit-taking ATMs, as well as the surrounding geographies in which the savings association has originated or purchased a substantial portion of its loans (including home mortgage loans, small business and small farm loans, and any other loans the savings association chooses, such as those consumer loans on which the savings association elects to have its performance assessed).

(d) *Adjustments to geographic area(s).* A savings association may adjust the boundaries of its assessment area(s) to include only the portion of a political subdivision that it reasonably can be expected to serve. An adjustment is particularly appropriate in the case

of an assessment area that otherwise would be extremely large, of unusual configuration, or divided by significant geographic barriers.

(e) *Limitations on the delineation of an assessment area.* Each savings association's assessment area(s):

(1) Must consist only of whole geographies;

(2) May not reflect illegal discrimination;

(3) May not arbitrarily exclude low- or moderate-income geographies, taking into account the savings association's size and financial condition; and

(4) May not extend substantially beyond an MSA boundary or beyond a state boundary unless the assessment area is located in a multistate MSA. If a savings association serves a geographic area that extends substantially beyond a state boundary, the savings association shall delineate separate assessment areas for the areas in each state. If a savings association serves a geographic area that extends substantially beyond an MSA boundary, the savings association shall delineate separate assessment areas for the areas inside and outside the MSA.

(f) *Savings associations serving military personnel.* Notwithstanding the requirements of this section, a savings association whose business predominantly consists of serving the needs of military personnel or their dependents who are not located within a defined geographic area may delineate its entire deposit customer base as its assessment area.

(g) *Use of assessment area(s).* The OTS uses the assessment area(s) delineated by a savings association in its evaluation of the savings association's CRA performance unless the OTS determines that the assessment area(s) do not comply with the requirements of this section.

§ 563e.42 Data collection, reporting, and disclosure.

(a) *Loan information required to be collected and maintained.* A savings association, except a small savings association, shall collect, and maintain in machine readable form (as prescribed by the OTS) until the completion of its next CRA examination, the following data for each small business or small farm loan originated or purchased by the savings association:

- (1) A unique number or alpha-numeric symbol that can be used to identify the relevant loan file;
- (2) The loan amount at origination;
- (3) The loan location; and
- (4) An indicator whether the loan was to a business or farm with gross annual revenues of \$1 million or less.

(b) *Loan information required to be reported.* A savings association, except a small savings association or a savings association that was a small savings association during the prior calendar year, shall report annually by March 1 to the OTS in machine readable form (as prescribed by the OTS) the following data for the prior calendar year:

- (1) *Small business and small farm loan data.* For each geography in which the savings association originated or purchased a small business or small farm loan, the aggregate number and amount of loans:
 - (i) With an amount at origination of \$100,000 or less;
 - (ii) With amount at origination of more than \$100,000 but less than or equal to \$250,000;
 - (iii) With an amount at origination of more than \$250,000; and

(iv) To businesses and farms with gross annual revenues of \$1 million or less (using the revenues that the savings association considered in making its credit decision);

(2) *Community development loan data.* The aggregate number and aggregate amount of community development loans originated or purchased; and

(3) *Home mortgage loans.* If the savings association is subject to reporting under part 203 of this title, the location of each home mortgage loan application, origination, or purchase outside the MSAs in which the savings association has a home or branch office (or outside any MSA) in accordance with the requirements of part 203 of this title.

(c) *Optional data collection and maintenance—(1) Consumer loans.* A savings association may collect and maintain in machine readable form (as prescribed by the OTS) data for consumer loans originated or purchased by the savings association for consideration under the lending test. A savings association may maintain data for one or more of the following categories of consumer loans: motor vehicle, credit card, home equity, other secured, and other unsecured. If the savings association maintains data for loans in a certain category, it shall maintain data for all loans originated or purchased within that category. The savings association shall maintain data separately for each category, including for each loan:

(i) A unique number or alpha-numeric symbol that can be used to identify the relevant loan file;

(ii) The loan amount at origination or purchase;

(iii) The loan location; and

(iv) The gross annual income of the borrower that the savings association considered in making its credit decision.

(2) *Other loan data.* At its option, a savings association may provide other information concerning its lending performance, including additional loan distribution data.

(d) *Data on affiliate lending.* A savings association that elects to have the OTS consider loans by an affiliate, for purposes of the lending or community development test or an approved strategic plan, shall collect, maintain, and report for those loans the data that the savings association would have collected, maintained, and reported pursuant to paragraphs (a), (b), and (c) of this section had the loans been originated or purchased by the savings association. For home mortgage loans, the savings association shall also be prepared to identify the home mortgage loans reported under part 203 of this title by the affiliate.

(e) *Data on lending by a consortium or a third-party.* A savings association that elects to have the OTS consider community development loans by a consortium or third party, for purposes of the lending or community development tests or an approved strategic plan, shall report for those loans the data that the savings association would have reported under paragraph (b)(2) of this section had the loans been originated or purchased by the savings association.

(f) *Small savings associations electing evaluation under the lending, investment, and service tests.* A savings association that qualifies for evaluation under the small savings association performance standards but elects evaluation under the lending, investment, and service tests shall collect, maintain, and report the data required for other savings associations pursuant to paragraphs (a) and (b) of this section.

(g) *Assessment area data.* A savings association, except a small savings association or a savings association that was a small savings association during the prior calendar year, shall collect and report to the OTS by March 1 of each year a list for each assessment area showing the geographies within the area.

(h) *CRA Disclosure Statement.* The OTS prepares annually for each savings association that reports data pursuant to this section a CRA Disclosure Statement that contains, on a state-by-state basis:

(1) For each county (and for each assessment area smaller than a county) with a population of 500,000 persons or fewer in which the savings association reported a small business or small farm loan:

(i) The number and amount of small business and small farm loans reported as originated or purchased located in low-, moderate-, middle-, and upper-income geographies;

(ii) A list grouping each geography according to whether the geography is low-, moderate-, middle-, or upper-income;

(iii) A list showing each geography in which the savings association reported a small business or small farm loan; and

(iv) The number and amount of small business and small farm loans to businesses and farms with gross annual revenues of \$1 million or less;

(2) For each county (and for each assessment area smaller than a county) with a population in excess of 500,000 persons in which the savings association reported a small business or small farm loan:

(i) The number and amount of small business and small farm loans reported as originated or purchased located in geographies with median income relative to the area median income of less than 10 percent, 10 or more but less than 20 percent, 20 or more but less than 30 percent, 30 or more but less than 40 percent, 40 or more but less than 50 percent, 50 or more but less than 60 percent, 60 or more but less than 70 percent, 70 or more but less than 80 percent, 80 or more but less than 90 percent, 90 or more but less than 100 percent, 100 or more but less than 110 percent, 110 or more but less than 120 percent, and 120 percent or more;

(ii) A list grouping each geography in the county or assessment area according to whether the median income in the geography relative to the area median income is less than 10 percent, 10 or more but less than 20 percent, 20 or more but less than 30 percent, 30 or more but less than 40 percent, 40 or more but less than 50 percent, 50 or more but less than 60 percent, 60 or more but less than 70 percent, 70 or more but less than 80 percent,

80 or more but less than 90 percent, 90 or more but less than 100 percent, 100 or more but less than 110 percent, 110 or more but less than 120 percent, and 120 percent or more;

(iii) A list showing each geography in which the savings association reported a small business or small farm loan; and

(iv) The number and amount of small business and small farm loans to businesses and farms with gross annual revenues of \$1 million or less;

(3) The number and amount of small business and small farm loans located inside each assessment area reported by the savings association and the number and amount of small business and small farm loans located outside the assessment area(s) reported by the savings association; and

(4) The number and amount of community development loans reported as originated or purchased.

(i) *Aggregate disclosure statements.* The OTS, in conjunction with the Board of Governors of the Federal Reserve System, the Federal Deposit Insurance Corporation, and the Office of the Comptroller of the Currency, prepares annually, for each MSA or metropolitan division (including an MSA or metropolitan division that crosses a state boundary) and the nonmetropolitan portion of each state, an aggregate disclosure statement of small business and small farm lending by all institutions subject to reporting under this part or parts 25, 228, or 345 of this title. These disclosure statements indicate, for each geography, the number and amount of all small business and small farm loans originated or purchased by reporting institutions, except that the OTS may adjust the form of the disclosure if necessary, because of special circumstances, to protect the privacy of a borrower or the competitive position of an institution.

(j) *Central data depositories.* The OTS makes the aggregate disclosure statements, described in paragraph (i) of this section, and the individual savings association CRA Disclosure Statements, described in paragraph (h) of this section, available to the public at central data depositories. The OTS publishes a list of the depositories at which the statements are available.

§ 563e.43 Content and availability of public file.

(a) *Information available to the public.* A savings association shall maintain a public file that includes the following information:

- (1) All written comments received from the public for the current year and each of the prior two calendar years that specifically relate to the savings association's performance in helping to meet community credit needs, and any response to the comments by the savings association, if neither the comments nor the responses contain statements that reflect adversely on the good name or reputation of any persons other than the savings association or publication of which would violate specific provisions of law;
- (2) A copy of the public section of the savings association's most recent CRA Performance Evaluation prepared by the OTS. The savings association shall place this copy in the public file within 30 business days after its receipt from the OTS;
- (3) A list of the savings association's branches, their street addresses, and geographies;
- (4) A list of branches opened or closed by the savings association during the current year and each of the prior two calendar years, their street addresses, and geographies;
- (5) A list of services (including hours of operation, available loan and deposit products, and transaction fees) generally offered at the savings association's branches and descriptions of material differences in the availability or cost of services at particular branches, if any. At its option, a savings association may include information regarding the availability of alternative systems for delivering retail banking services (*e.g.*, ATMs, ATMs not owned or operated by or exclusively for the savings association, banking by telephone or computer, loan production offices, and bank-at-work or bank-by-mail programs);
- (6) A map of each assessment area showing the boundaries of the area and identifying the geographies contained within the area, either on the map or in a separate list; and
- (7) Any other information the savings association chooses.

(b) *Additional information available to the public*—(1) *Savings associations other than small savings associations.* A savings association, except a small savings association or a savings association that was a small savings association during the prior calendar year, shall include in its public file the following information pertaining to the savings association and its affiliates, if applicable, for each of the prior two calendar years:

(i) If the savings association has elected to have one or more categories of its consumer loans considered under the lending test, for each of these categories, the number and amount of loans:

(A) To low-, moderate-, middle-, and upper-income individuals;

(B) Located in low-, moderate-, middle-, and upper-income census tracts; and

(C) Located inside the savings association's assessment area(s) and outside the savings association's assessment area(s); and

(ii) The savings association's CRA Disclosure Statement. The savings association shall place the statement in the public file within three business days of its receipt from the OTS.

(2) *Savings associations required to report Home Mortgage Disclosure Act (HMDA) data.* A savings association required to report home mortgage loan data pursuant to part 203 of this title shall include in its public file a copy of the HMDA Disclosure Statement provided by the Federal Financial Institutions Examination Council pertaining to the savings association for each of the prior two calendar years. In addition, a savings association that elected to have the OTS consider the mortgage lending of an affiliate for any of these years shall include in its public file the affiliate's HMDA Disclosure Statement for those years. The savings association shall place the statement(s) in the public file within three business days after its receipt.

(3) *Small savings associations.* A small savings association or a savings association that was a small savings association during the prior calendar year shall include in its public file:

(i) The savings association's loan-to-deposit ratio for each quarter of the prior calendar year and, at its option, additional data on its loan-to-deposit ratio; and

(ii) The information required for other savings associations by paragraph (b)(1) of this section, if the savings association has elected to be evaluated under the lending, investment, and service tests.

(4) *Savings associations with strategic plans.* A savings association that has been approved to be assessed under a strategic plan shall include in its public file a copy of that plan. A savings association need not include information submitted to the OTS on a confidential basis in conjunction with the plan.

(5) *Savings associations with less than satisfactory ratings.* A savings association that received a less than satisfactory rating during its most recent examination shall include in

its public file a description of its current efforts to improve its performance in helping to meet the credit needs of its entire community. The savings association shall update the description quarterly.

(c) *Location of public information.* A savings association shall make available to the public for inspection upon request and at no cost the information required in this section as follows:

(1) At the main office and, if an interstate savings association, at one branch office in each state, all information in the public file; and

(2) At each branch:

(i) A copy of the public section of the savings association's most recent CRA Performance Evaluation and a list of services provided by the branch; and

(ii) Within five calendar days of the request, all the information in the public file relating to the assessment area in which the branch is located.

(d) *Copies.* Upon request, a savings association shall provide copies, either on paper or in another form acceptable to the person making the request, of the information in its public file. The savings association may charge a reasonable fee not to exceed the cost of copying and mailing (if applicable).

(e) *Updating.* Except as otherwise provided in this section, a savings association shall ensure that the information required by this section is current as of April 1 of each year.
