

Narrative of Changes

The purpose of the Narrative of Changes is to clearly indicate revisions to a collection since the previous approval

Collection Title: Plan Approval and Records for Electrical Engineering Regulations

-- Title 46 CFR Subchapter J

OMB Control No.: 1625-0031

Current Expiration Date: 07/31/2011

Collection Instruments: Instructions

The change in burden hours is an ADJUSTMENT. There is no proposed change to the reporting or recordkeeping requirements of this collection. The reporting and recordkeeping requirements and the methodology for calculating burden remain unchanged.

The following listed below are changes to the collection:

- Increase in burden (respondents/responses/burden hours) is due to a change in the number of plans received by the U.S. Coast Guard Marine Safety Center (increase in respondents (+48), responses (+1,225), burden hours (+1,225)).
- Updates are provided for cost burden associated with this collection of information.
- USCG has created printable instructions for this collection of information.
