

Narrative of Changes

The purpose of the Narrative of Changes is to clearly indicate revisions to a collection since the previous approval

Collection Title: Application for Tonnage Measurement of Vessels

OMB Control No.: 1625-0022

Current Expiration Date: 08/31/2011

Collection Instruments: CG-5397 and Instructions

The change in burden hours is an ADJUSTMENT. There is no proposed change to the reporting and recordkeeping requirements of this collection. The reporting and recordkeeping requirements and the methodology for calculation burden remain unchanged.

The following listed below are revisions to the collection:

- Decrease in burden (respondents/responses/burden hours) is due to a decrease in the number of vessels being documented (decrease in respondents (-7,048), responses (-7,048), burden hours (-14,339)).
- Updates are provided for cost burden associated with this collection of information.
- USCG has created printable instructions for this collection of information.
