I am calling to speak with the Tribal Housing Official, **[name of person]**.

Hello, this is **[name]** from NORC at the University of Chicago. I am calling in reference to the Assessment of Native American, Alaska Native, and Native Hawaiian Housing Needs Tribal Designated Housing Entity Survey. Recently you should have received a letter from Thomas Kingsley and Carol Hafford regarding the project.

If the person remembers the letter, continue. If they do not remember the letter, offer to immediately email a copy and then continue to inform them of the project, answer any questions, and set up an appointment if possible. If more information is requested, find out the best time to call back.

As the letter explains, this study will describe housing needs and socioeconomic conditions in Indian Country. It will provide HUD with information on:

- how current programs are operating,
- the extent to which housing needs are being addressed,
- and demographic and economic trends.

It will also answer questions about home ownership in Indian Country and the impacts of the recent financial crisis.

[Name of Reservation/Village] was one of only 80 sampled nationally to participate. The interview will take place on the phone at any time convenient for you. It takes approximately 45 minutes to complete. Are there any questions I could answer for you?

Be prepared to be flexible when setting up a time for the interview. If you cannot be available at the time requested, let your Field Project Manager know, and she will find a person available at that time. When all questions are answered:

What day and time would be good for you to speak with me and complete the interview? I'll send you an email as a reminder.
