

PROJECT ARCH **(ACCESS RECEIVED CLOSER TO HOME)** **PATIENT SATISFACTION SURVEY**

Your answers to the following short questionnaire will help the Department of Veterans Affairs (VA) understand your satisfaction with the care you received when you were referred for care outside of a VA facility through **Project ARCH** (Access Received Closer to Home).

Your answers and feedback are important to help us ensure the quality of health care provided by Project ARCH providers, and all information is strictly confidential. Your answers will not affect your VA care.

Please read each question and check the box that best describes your experience using blue or black ink pen. Please be sure to read all pages of this questionnaire.

According to our records, you recently had a health care visit with a Project ARCH provider, on [VISIT DATE]. When answering the questions, think only about your visit with the Project ARCH provider and do not include any visits with a VA provider or a non-Project ARCH provider in your answers.

Thank you very much!

The Paperwork Reduction Act of 1995: This information is collected in accordance with section 3507 of the Paperwork Reduction Act of 1995. Accordingly, we may not conduct or sponsor and you are not required to respond to, a collection of information unless it displays a valid OMB number. We anticipate that the time expended by all individuals who complete this survey will average 12 minutes. This includes the time it will take to read instructions, gather the necessary facts and fill out the form. Customer satisfaction surveys are used to gauge customer perceptions of VA services as well as customer expectations and desires. The results of this survey will lead to improvements in the quality of service delivery by helping to shape the direction and focus of specific programs and services. Disclosure of information involves release of statistical data and other non-identifying data for the improvement of services within the VA healthcare system and associated administrative purposes. Submission of this form is voluntary and failure to respond will have no impact on benefits to which you may be entitled.
