OPIC Expedited Screening Questionnaire (ESQ) - Downstream Investments

This form requests information from OPIC clients, which is required by OPIC's governing legislation. The information provided in this questionnaire will allow OPIC to better assess the effects that OPIC-assisted downstream investments have on the U.S. economy and employment, as well as the environment and economic development abroad. Complete responses to the collection of information in this form are mandatory, per the Foreign Assistance Act of 1961, as amended, Section 231(k)(2). Client information contained in this questionnaire will be deemed designated as privileged or confidential in accordance with OPIC's Freedom of Information Act (FOIA) regulations (22 CFR part 706) and will be treated as confidential to the extent permitted by the FOIA. An Agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a valid OMB control number with an expiration date that has not expired.

Notice: Public reporting burden for this collecting of information is estimated to average three hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. As a federal agency, OPIC may not conduct or sponsor, and a person is not required to respond to, a collection of information unless a valid OMB Control Number with an expiration date that has not expired is displayed. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to Agency Forms Officer, Overseas Private Investment Corporation, 1100 New York Avenue, NW, Washington, DC 20527; and to the Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20503.

Instructions: In the interests of consistency, uniformity and economy, OPIC Form 168 has been expanded to meet the information gathering requirements of the Agency. All parties seeking OPIC consent on a proposed downstream investment must answer the expedited screening questionnaire (OPIC 168A) as completely as possible. The U.S. effects and host country development questionnaire (OPIC 168B) must be completed in accordance with the Schedule delineated on financing agreement or insurance contract. This form is used for downstream investments supported by both OPIC investment fund and finance programs. As such, the term "downstream investment" refers to 1) portfolio companies of OPIC investment fund and 2) borrowing companies of OPIC on-lending and framework agreement facilities. If space is inadequate, please supply additional information on separate sheets of paper and attach them to this form.
