Your opinion of farmland values is important in making accurate State and National land value estimates. Your report is needed to represent all types of agricultural land. Under Title 7 of the U.S. Code and CIPSEA (Public Law 107-347), facts about your operation are kept **confidential** and used only for statistical purposes in combination with similar reports from other producers. Response is **voluntary**.

Please make corrections to name, address and Zip Code, if necessary.

General Instructions

- Please provide your best estimate of the average market value for the farm or ranch land you operated as of January 1, 2011.
- Market value is the value at which farm or ranch land could be sold under current market conditions and can be estimated based on recent appraisals or sales in your area.
- Total acres operated should include the farmstead, all cropland, woodland, pasture, wasteland and government program land.
