Project of WILLOW (CMEP-WILLOW)"

Attachment 5b

90-Day Follow-up Survey

“Community-based Organization (CBO) Monitoring and Evaluation Project of WILLOW (CMEP-WILLOW)”

90-Day Follow-up Survey

Public reporting burden of this collection of information is estimated to average 18 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D-74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).

**CMEP-WILLOW 90-DAY FOLLOW-UP DATA COLLECTION: General Information
(to be completed by staff)**

The following section will be completed by CMEP-WILLOW staff.

G1. Client ID: _____ [QDS QA Check: This number cannot be longer than 4 digits]

G2. Staff ID: _____

G3. Data collection date: ___/___/___ [QDS Instructions: drop-down menu]
(MM/DD/YYYY)

G4. Data collection site: _____

G5. Data administered by: (Choose one)

- Client
- Provider (in-person)
- Provider (on phone)

G6. Data collection method: (Choose one)

- Laptop
- Handheld device
- Hard copy

G7. In the past 3 months, have you... (Choose all that apply)

- Participated in a face-to-face group discussion about HIV prevention, HIV testing or safer sex practices
- Participated in an on-line discussion about HIV prevention, HIV testing, or safer sex practices
- Received condoms or a safe sex kit
- Received HIV Case Management services
- Received Partner Services
- Received written information about HIV/AIDS or STDs
- Received other HIV prevention services (if yes, specify _____)
- Has not participated in discussions or received materials related HIV/AIDS or STDs
- Decline to answer

G8. In the past 3 months, has the client participated in any HIV prevention interventions (e.g., CDC effective behavioral interventions [EBIs])? (Choose one)

- Yes
- No [QDS Skip: Skip to Q1]
- Decline to answer

G9. If yes, which one(s)? (Choose all that apply) (Note: These interventions may be called a different name at each agency)

**CMEP-WILLOW DATA COLLECTION: Client-level Data
(to be completed by client)**

Thank you for agreeing to participate in this survey. This survey is about your attitudes and behaviors regarding sex and sexually transmitted diseases (STDs). Many of the questions are very personal. Your answers will be kept private. Please answer as honestly and openly as you can. Do not hesitate to ask if you don't understand a question or need help figuring out dates. There are no right or wrong answers. Let's get started.

Demographics

The first set of questions asks you to provide some general information about yourself.

1. *(G123) What was your sex at birth? (This is the biological sex on your birth certificate.) (Choose one)

- Male
- Female
- Decline to answer

2. *(G124) How do you currently identify yourself? (Choose one)

- Male
- Female
- Transgender – Male to female [QDS QA Check: If selected, include section about female partners]
- Transgender – Female to male
- Other (Specify if your gender is not one of the choices above): _____
- Decline to answer

3. What is your current marital status? (Choose one)

- Never married

- Married
- Separated
- Divorced
- Widowed
- Decline to answer

4. Are you currently ...? (Choose all that apply)

- Employed for wages
- Self-employed
- Unemployed
- Receiving unemployment benefits
- Receiving public financial assistance (e.g., food stamps)
- Receiving social security and/or disability
- A homemaker
- A student
- Retired
- Unable to work
- Decline to answer

HIV & STD Testing, Medical Care, and Other HIV Services

The next set of questions is about your history with HIV and STD testing, medical care, and other HIV services.

5. *(G208) Have you seen a primary health care provider (doctor, nurse, etc.) for HIV-related care in the last 6 months? (Choose one)

- Yes
- No
- Decline to answer

6. Have you been prescribed (anti-retroviral) medication for your HIV? (Choose one)

- Yes
- No [QDS Skip: If no, then skip to Q8]
- Decline to answer

7. Have you been taking these HIV medications as directed over the last 6 months? (Choose one)

- Yes
- No
- Decline to answer

8. In the last 3 months (90 days), has a health care provider told you that you have/had any of the following? (Choose all that apply)

- Gonorrhea
- Syphilis
- Chlamydia

- No, I have not been diagnosed with a STD in the last 3 months [QDS QA Check: If any of the first 3 are checked, this response should not be enabled]
- Decline to answer [QDS QA Check: If any of the first 4 are checked, 'Decline to Answer' should not be enabled]

9. Are you pregnant? (Choose one) [QDS QA Check: Do not ask if transgender male to female]

- Yes
- No [QDS Skip: Skip to Q11]
- Don't know [QDS Skip: Skip to Q11]
- Decline to answer

10. Are you in prenatal care? (Choose one) [QDS QA Check: Do not ask if transgender male to female]

- Yes
- No
- Decline to answer

Drug Use and Living Situation

The next set of questions are about your experience with drugs and your living situation.

11. In the last 3 months (90 days), have you injected drugs? (This includes illegal drugs and other substances such as silicone, botox, hormones, etc.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q13]
- Decline to answer

12. In the last 3 months (90 days), how often did you share needles, syringes, or works? (That is, you let someone else use your needles, syringes or works, or you borrowed someone else's needles, syringes or works to inject drugs.) (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

13. In the last 3 months (90 days), were you homeless at any time? (That is, you slept in a shelter for homeless people, on the streets, in a car, or another place not intended for sleeping. In other words, you didn't have a permanent address.) (Choose one)

- Yes
- No
- Decline to answer

14. In the last 3 months (90 days), were you in jail or prison for more than 24 hours? (Choose one)

- Yes
- No

- Decline to answer

Sexual Risk Behaviors with Male Partners

The next series of questions will ask about sex you have had with a man. These questions are only asking about vaginal or anal sex you have had with a man. They are **NOT** asking about oral sex (giving/getting blow jobs or head).

Vaginal sex is when **a man puts his penis in your vagina (hole in front)**. **Anal sex** is when **a man puts his penis into your anus (butt, hole in back)**. **Condom use** refers to the use of a **male condom**, unless a female condom is mentioned.

Sex with Men in the Last 3 months (90 days)

The next questions ask about vaginal or anal sex you've had with men over the last 3 months (90 days). Some of the questions will ask you to report numbers. If your answer is none, please enter 0 (zero).

15. In the last 3 months (90 days), have you had vaginal or anal sex with a man? (Choose one)

- Yes
 No [QDS Skip: If no, then only ask Q22-Q26, Q85-87, Q89-155]
 Decline to answer

16. In the last 3 months (90 days), how many men have you had vaginal or anal sex with? (Choose one)

- _____ # partners [QDS QA Check: If response = 0 prompt respondent that they answered Yes in Q15 to having vaginal or anal sex with a male in the last 3 months; QDS QA Check: If Q16 \geq 46 ask the respondent to confirm]
 Decline to answer

17. In the last 3 months (90 days), how many times have you had vaginal or anal sex with a man?
(Choose one)

- _____ # times [QDS QA Check: Q17 \geq Q16. If no, then tell respondent that the number of times must be greater than or equal to the number of partners and have them verify Q16 and Q17; QDS QA Check: If response = 0 prompt respondent that they answered Yes in Q15 to having anal sex with a male in the last 3 months]
 Decline to answer

18. Of the (#) [QDS Instructions: Populate with Q17 # response] times you had vaginal or anal sex with a man during the last 3 months, how many times did you use a condom? (Choose one)

- _____ # times -[QDS QA Check: Q18 \leq Q17. If no, then tell respondent that the number of times they used a condom must be less than or equal to the number of times they had sex and have them verify Q17 and Q18; QDS QA Skip: If Q18 = Q17 or Q18 = 0, skip (do not ask) Qs 21, 28, 30, 32, 34, 36, 38, 40, 42, 44, 46, 48, 83, or 84]
 Decline to answer

19. In the last 3 months (90 days), when you had vaginal or anal sex with a man, how often were you drunk or high on drugs? (Choose one)

- Never [QDS Skip: Skip to Q22]
- Less than half the time
- Half the time
- More than half the time
- All the time
- Decline to answer

20. In the last 3 months (90 days), when you had vaginal or anal sex with a man while high or drunk, which were you using? (Choose all that apply)

- Amphetamines, meth, speed, crystal, ice or crank
- Heroin (injected, smoked, or snorted)
- Painkillers (including Oxycontin, Percocet)
- Club drugs such as GHB (G), Ketamine (K)
- Marijuana (pot)
- Cocaine (smoked, snorted, or injected)
- Other: _____
- Decline to answer [QDS QA Check: If any of the first 13 are checked, 'Decline to Answer' should not be enabled]
- Crack
- Poppers (Amyl nitrate)
- Downers (Valium, Ativan, Xanax)
- Ecstasy (E)
- Hallucinogens such as LSD (acid)
- Alcohol

21. In the last 3 months (90 days), when you had vaginal or anal sex with a man while high or drunk, how often did you use condoms? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

The next questions ask about vaginal and anal sex with your **MALE** primary/main and casual sexual partners.

A primary/main partner is someone you have a special emotional connection with, live with, love, and/or call your boyfriend/husband.

A casual partner is someone you have had sex with but do not consider to be a primary/main partner. A casual partner may be someone you have had sex with one time or many times.

Some of the questions in this section will ask you to report numbers. If your answer is 0 (zero), please enter 0 in the space provided.

22. Do you currently have a primary or main male partner? (Choose one)

- Yes
- No [QDS QA Skip: Skip to Q27]
- Decline to answer

23. How long have you been with your current primary or main male partner? (Choose one)

- Less than 6 months
- 6 months to 1 year
- 1 to 5 years
- Longer than 5 years
- Decline to answer

24. Are you living with your primary or main male partner? (Choose one)

- Yes
- No
- Decline to answer

25. Are you financially dependent on your primary or main male partner? (Choose one)

- Yes
- No
- Decline to answer

26. Is your current primary or main male partner HIV-positive? (Choose one)

- Yes
- No
- Don't know
- Decline to answer

27. In the last 3 months (90 days), how many of the (#) [QDS Instructions: Populate with Q16 # response] men that you have had vaginal or anal sex with were primary/main partners? (Choose one)

- _____# primary/main partners -[QDS QA Check: Q27 must be less than or equal to Q16. If not, then tell client that the number of primary/main male partners must be less or equal to the total number of male and ask them to confirm their answers to Q16 and Q27; QDS QA check If $Q27 \geq 10$, refer respondent to the definition of primary/main partner and ask them to confirm the number of primary/main partners; QDS QA Check: If response = 0 skip to Q29]
- Decline to answer

28. In the last 3 months (90 days), how often did you use condoms when having vaginal or anal sex with your male primary/main partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

29. In the last 3 months (90 days), how many of the (#) [QDS Instructions: Populate with Q16 # response] men that you have had vaginal or anal sex with were casual partners? (Choose one)

- _____# casual partners (If 0, enter 0) [QDS QA Check: $Q27 + Q29 = Q16$. If no, tell client that the number of primary/main partners plus the number of casual partners must equal the total number of male partners. Ask client to confirm Q16, 27, and 29; QDS QA Check: If response = 0 skip to Q31]
- Decline to answer

30. In the last 3 months (90 days), how often did you use condoms when having vaginal or anal sex with your male casual partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

The next set of questions is about the characteristics of the male partners you've had vaginal or anal sex with. Some of the questions will ask you to report numbers. If your answer is none, please enter 0 (zero) in the space provided.

31. In the last 3 months (90 days), did you have vaginal or anal sex with a male who had an HIV status that was unknown to you? (Choose one)

- Yes
- No [QDS Skip: Skip to Q33]
- Decline to answer

32. In the last 3 months (90 days), how often did you use condoms when you had a vaginal or anal sex with your male partner(s) whose HIV status you didn't or don't know? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

33. In the last 3 months (90 days), did you have vaginal or anal sex with a male who was HIV-negative? (Choose one)

- Yes
- No [QDS Skip: Skip to Q35]
- Decline to answer

34. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who was HIV-negative? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

35. In the last 3 months (90 days), did you have vaginal or anal sex with a male only one time? (That is, a one-night stand.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q37]
- Decline to answer

36. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who you had vaginal or anal sex with only one time? (Choose one)

- Never

- Sometimes
- Always
- Decline to answer

37. In the last 3 months (90 days), did you have vaginal or anal sex with a male who was a stranger or anonymous? (That is, you do not know their name and you have no way of contacting them.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q39]
- Decline to answer

38. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your anonymous male partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

39. In the last 3 months (90 days), did a male sex partner give you money, drugs, a place to stay, clothing, or something else you needed in exchange for vaginal or anal sex? (Choose one)

- Yes
- No [QDS Skip: Skip to Q41]
- Decline to answer

40. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with a man who gave you money, drugs, a place to stay, clothing, or something else you needed in exchange for vaginal or anal sex? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

41. In the last 3 months (90 days), did you give a male sex partner money, drugs, a place to stay, clothing, or something else they needed in exchange for vaginal or anal sex? (Choose one)

- Yes
- No [QDS Skip: Skip to Q43]
- Decline to answer

42. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who you gave money, drugs, a place to stay, clothing, or something else they needed in exchange for vaginal or anal sex? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

43. In the last 3 months (90 days), did you have vaginal or anal sex with a male who you knew was an injection drug user? (That is, they injected illegal drugs or other substances such as silicone, botox, hormones, etc.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q45]
- Decline to answer

44. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who injected drugs? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

45. In the last 3 months (90 days), did you have vaginal or anal sex with a male who you knew had spent more than 24 hours in jail?

- Yes
- No [QDS Skip: Skip to Q47]
- Decline to answer

46. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who had spent more than 24 hours in jail? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

47. In the last 3 months (90 days), did you have vaginal or anal sex with a male who had a STD like syphilis (syphpox), Chlamydia, or gonorrhea (clap)? (Choose one)

- Yes
- No [QDS Skip: Skip to Q83 unless Male to Female Transgender, then skip to Q49]
- Decline to answer

48. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your male partner(s) who had syphilis, Chlamydia, or gonorrhea? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

Sexual Risk Behaviors with Female Partners

[QDS Check: This section is only for Male to Female Transgender]

The next series of questions will ask about sex you have had with a woman. These questions are only asking about vaginal or anal sex you have had with a woman. They are **NOT** asking about oral sex (giving/getting blow jobs or head).

Vaginal sex is when you put a penis in a vagina (hole in front). Anal sex is when you puts a penis into an anus (butt, hole in back). Condom use refers to the use of a male condom, unless a female condom is mentioned.

Sex with Women in the Last 3 months (90 days)

The next questions ask about vaginal or anal sex you've had with women over the last 3 months (90 days). Some of the questions will ask you to report numbers. If your answer is none, please enter 0 (zero).

49. In the last **3 months** (90 days), have you had vaginal or anal sex with a woman? (Choose one)

- Yes
- No [QDS Skip: If no, then only ask Q56-Q60, Q85-87, Q89-155]
- Decline to answer

50. In the last **3 months** (90 days), how many women have you had vaginal or anal sex with? (Choose one)

- _____ # partners [QDS QA Check: If response = 0 prompt respondent that they answered Yes in Q49 to having vaginal or anal sex with a female in the last 3 months; QDS QA Check: If $Q50 \geq Q61$ ask the respondent to confirm]
- Decline to answer

51. In the last **3 months** (90 days), how many **times** have you had vaginal or anal sex with a woman? (Choose one)

- _____ # times [QDS QA Check: $Q51 \geq Q50$. If no, then tell respondent that the number of times must be greater than or equal to the number of partners and have them verify Q50 and Q51; QDS QA Check: If response = 0 prompt respondent that they answered Yes in Q49 to having anal sex with a female in the last 3 months]
- Decline to answer

52. Of the (#) [QDS Instructions: Populate with Q51 # response] times you had vaginal or anal sex with a woman during the last 3 months, how many times did you use a condom? (Choose one)

- _____ # times- [QDS QA Check: $Q52 \leq Q51$. If no, then tell respondent that the number of times they used a condom must be less than or equal to the number of times they had sex and have them verify Q51 and Q52; QDS QA Skip: If $Q52 = Q51$ or $Q52 = 0$, skip (do not ask) Qs 55, 62, 64, 66, 68, 70, 72, 74, 76, 78, 80, 82, 83, or 84]
- Decline to answer

53. In the last 3 months (90 days), when you had vaginal or anal sex with a woman, how often were you drunk or high on drugs? (Choose one)

- Never [QDS Skip: Skip to Q56]
- Less than half the time
- Half the time
- More than half the time
- All the time
- Decline to answer

54. In the last 3 months (90 days), when you had vaginal or anal sex with a woman while high or drunk, which were you using? (Choose all that apply)

- Amphetamines, meth, speed, crystal, ice or crank
- Heroin (injected, smoked, or snorted)
- Painkillers (including Oxycontin, Percocet)
- Club drugs such as GHB (G), Ketamine (K)
- Marijuana (pot)
- Cocaine (smoked, snorted, or injected)
- Other: _____
- Decline to answer [QDS QA Check: If any of the first 13 are checked, 'Decline to Answer' should not be enabled]
- Crack
- Poppers (Amyl nitrate)
- Downers (Valium, Ativan, Xanax)
- Ecstasy (E)
- Hallucinogens such as LSD (acid)
- Alcohol

55. In the last 3 months (90 days), when you had vaginal or anal sex with a woman while high or drunk, how often did you use condoms? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

The next questions ask about vaginal and anal sex with your **FEMALE** primary/main and casual sexual partners.

A primary/main partner is someone you have a special emotional connection with, live with, love, and/or call your girlfriend/wife.

A casual partner is someone you have had sex with but do not consider to be a primary/main partner. A casual partner may be someone you have had sex with one time or many times.

Some of the questions in this section will ask you to report numbers. If your answer is 0 (zero), please enter 0 in the space provided.

56. Do you currently have a primary or main female partner? (Choose one)

- Yes
- No [QDS QA Skip: Skip to Q61]
- Decline to answer

57. How long have you been with your current primary or main female partner? (Choose one)

- Less than 6 months
- 6 months to 1 year
- 1 to 5 years
- Longer than 5 years
- Decline to answer

58. Are you living with your primary or main female partner? (Choose one)

- Yes
- No
- Decline to answer

59. Are you financially dependent on your primary or main female partner? (Choose one)

- Yes
- No
- Decline to answer

60. Is your current primary or main female partner HIV-positive? (Choose one)

- Yes
- No
- Don't know
- Decline to answer

61. In the last 3 months (90 days), how many of the (#) [QDS Instructions: Populate with Q50 # response] women that you have had vaginal or anal sex with were primary/main partners? (Choose one)

- _____# primary/main partners [QDS QA Check: Q61 must be less than or equal to Q50. If not, then tell client that the number of primary/main female partners must be less or equal to the total number of females and ask them to confirm their answers to Q50 and Q61; QDS QA check If $Q61 \geq 10$, refer respondent to the definition of primary/main partner and ask them to confirm the number of primary/main partners; QDS QA Check: If response = 0 skip to Q63]
- Decline to answer

62. In the last 3 months (90 days), how often did you use condoms when having vaginal or anal sex with your female primary/main partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

63. In the last 3 months (90 days), how many of the (#) [QDS Instructions: Populate with Q50 # response] women that you have had vaginal or anal sex with were casual partners? (Choose one)

- _____# casual partners (If 0, enter 0) [QDS QA Check: $Q61 + Q63 = Q50$. If no, tell client that the number of primary/main partners plus the number of casual partners must equal the total number of female partners. Ask client to confirm Q50, Q61, and Q63; QDS QA Check: If response = 0 skip to Q65]
- Decline to answer

64. In the last 3 months (90 days), how often did you use condoms when having vaginal or anal sex with your female casual partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

The next set of questions is about the characteristics of the female partners you've had vaginal or anal sex with. Some of the questions will ask you to report numbers. If your answer is none, please enter 0 (zero) in the space provided.

65. In the last 3 months (90 days), did you have vaginal or anal sex with a female who had an HIV status that was unknown to you? (Choose one)

- Yes
- No [QDS Skip: Skip to Q67]
- Decline to answer

66. In the last 3 months (90 days), how often did you use condoms when you had a vaginal or anal sex with your female partner(s) whose HIV status you didn't or don't know? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

67. In the last 3 months (90 days), did you have vaginal or anal sex with a female who was HIV-negative? (Choose one)

- Yes
- No [QDS Skip: Skip to Q69]
- Decline to answer

68. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your female partner(s) who was HIV-negative? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

69. In the last 3 months (90 days), did you have vaginal or anal sex with a female only one time? (That is, a one-night stand.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q71]
- Decline to answer

70. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your female partner(s) who you had vaginal or anal sex with only one time? (Choose one)

- Never

- Sometimes
- Always
- Decline to answer

71. In the last 3 months (90 days), did you have vaginal or anal sex with a female who was a stranger or anonymous? (That is, you do not know their name and you have no way of contacting them.) (Choose one)

- Yes
- No [QDS Skip: Skip to Q73]
- Decline to answer

72. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with your anonymous female partner(s)? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

73. In the last 3 months (90 days), did a female sex partner give you money, drugs, a place to stay, clothing, or something else you needed in exchange for vaginal or anal sex? (Choose one)

- Yes
- No [QDS Skip: Skip to Q75]
- Decline to answer

74. In the last 3 months (90 days), how often did you use condoms when you had vaginal or anal sex with a female who gave you money, drugs, a place to stay, clothing, or something else you needed in exchange for vaginal or anal sex? (Choose one)

- Never
- Sometimes
- Always
- Decline to answer

75. In the last 3 months (90 days), did you give a female sex partner money, drugs, a place to stay, clothing, or something else they needed in exchange for vaginal or anal sex? (Choose one)

- Yes
- No [QDS Skip: Skip to Q77]
- Decline to answer
