

Education Resource Evaluation

Form Approved, OMB No. 0920-XXXX Exp. Date XX/XX/20XX

This survey is in reference to the material/s you received from the Tourette Syndrome Association. The resources were developed through a partnership with the U.S. Centers for Disease Control and Prevention. Survey results will help us to assess the impact of the materials on your knowledge and student management and better focus our outreach efforts. Thank you for your time.

Public reporting burden of this collection of information is estimated to average 2 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to CDC/ATSDR Information Collection Review Office, 1600 Clifton Road NE, MS D- 74, Atlanta, Georgia 30333; ATTN: PRA (0920-XXXX).
