

**Attachment 1: Nutrition Frontiers Newsletter Email message**

Dear Colleague,

We are asking for your help by providing feedback about the *Nutrition Frontiers*, a quarterly e-newsletter from the Nutritional Science Research Group, Division of Cancer Prevention, NCI. This survey is a critical part of our effort to identify areas that are relevant to you and to pinpoint areas where we need to improve.

We have kept the survey short; answering these questions should take no more than 5 minutes.

While this survey will serve as a snapshot in time of the Nutrition Frontiers e-newsletter, we welcome your feedback on an ongoing basis. Send suggestions at any time to [trujille@mail.nih.gov](mailto:trujille@mail.nih.gov).

There are no risks to taking this survey but at the same time there may be no benefits to you. NCI is truly grateful for your feedback about this e-newsletter. By clicking on the following link, you consent to begin the survey: [Start Survey](#)

Thank you for your time!

Sincerely,

*Your friends at the Nutritional Science Research Group*

Division of Cancer Prevention  
National Cancer Institute  
National Institute of Health
