## **INVITATION TO PARTICIPATE IN EGRP COMMUNICATIONS SURVEY**

The Epidemiology and Genomics Research Program (EGRP) in the National Cancer Institute's (NCI) Division of Cancer Control and Population Sciences (DCCPS) invites its FRIENDS-OF-NCI-EGRP-LISTSERV subscribers to complete a brief survey. The purpose of this survey is to assess the usefulness of the approaches used to communicate with you and the value of information shared. Your constructive feedback will allow us to identify opportunities and further develop our materials to better meet your information needs related to cancer epidemiology and genomics research.

The EGRP Communications Survey consists of no more than 18 questions and will take approximately 10 minutes to complete. To access the survey, click the link below or cut and paste the entire URL into your browser:

This survey will remain open until **Month XX, 20XX** (Insert date upon receipt of OMB approval – will be open for at least two weeks after invitation sent). No personal information will be collected, and the information you provide will be kept secure to the extent provided by law. Only aggregated results (no individual level data) will be available to EGRP staff.

If you have any questions about this survey, please contact the EGRP communications team at [nciepmatters@mail.nih.gov](mailto:nciepmatters@mail.nih.gov).

For more information about EGRP, go to <http://epi.grants.cancer.gov>.
