

Attachment 7. Reminder for General Public Participants

OMB No.: 0925-0642

Expiration Date: 09/30/2014

Collection of this information is authorized by The Public Health Service Act, Section 411 (42 USC 285a). Rights of study participants are protected by The Privacy Act of 1974. Participation is voluntary, and there are no penalties for not participating or withdrawing from the study at any time. Refusal to participate will not affect your benefits in any way. The information collected in this study will be kept private under the Privacy Act. Names and other identifiers will not appear in any report of the study. Information provided will be combined for all study participants and reported as summaries. You are being contacted by email to remind you of the location, date and time of your participation.

Public reporting burden for this collection of information is estimated to average 5 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

Dear _____,

This is a reminder that you have agreed to participate in a usability test at [location] on [date] at [time].

If you are unable to keep this appointment, please call us at xxx-xxx-xxxx as soon as possible.

As we mentioned in the initial phone call, after the usability test is completed you will receive \$40 as a token of appreciation for your time and travel.

We look forward to meeting you at the time specified above. Thanks for agreeing to help us with this project.
