

Kenya Cancer Research and Control Stakeholder Workshop

The purpose of this message is to thank you for your participation in the Kenya Cancer Research and Control Stakeholders Workshop and invite you to complete a brief survey about your experience. Your candid responses to questions will allow the National Cancer Institute to assess whether the meetings objectives were met, and provide insight into how we can improve future stakeholder meetings.

OMB NO: 0925-0642-39

EXPIRATION DATE: 09/30/2014

Burden Statement: Public reporting burden for this collection of information is estimated to average 20 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the information needed, and completing and reviewing the collected information. **An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number.** Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to: NIH, Project Clearance Branch, 6705 Rockledge Drive, MSC 7974, Bethesda, MD 20892-7974, ATTN: PRA (0925-0642). Do not return the completed form to this address.

1. Did you learn about any of the following from this workshop that you were previously unaware of?

	Yes	No	Unsure
On-going cancer control activities in Kenya	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
