Question 3.1.1(b):

b) **Provide a brief overview** of the relationship between the licensing requirements and CCDF health and safety requirements in your State/Territory. At a minimum, describe whether the State/Territory's licensing requirements serve as the CCDF health and safety requirements.

A rich text editor interface is shown, consisting of a toolbar at the top and a large, empty text area below it. The toolbar includes various icons for text formatting (bold, italic, underline), alignment (left, center, right, justified), list creation (bulleted, numbered), indentation, and other standard editing functions. The text area is currently blank, intended for the user to provide their answer to the question.

Question 3.1.1(c):

c) CCDF identifies and defines four categories of care: child care centers, family child care homes, group child care homes and in-home child care providers (§98.2). The CCDF definition for each category is listed below. Within each CCDF category of care, please identify which types of providers are exempt from licensing in your State/Territory in the chart below.

CCDF Category of Care	CCDF Definition (§98.2)	Are any providers in your State/Territory which fall under this CCDF category exempt from licensing?
Center-Based Child Care	Center-based child care providers are defined as a provider licensed or otherwise authorized to provide child care services for fewer than 24 hours per day per child in a non-residential setting, unless care in excess of 24 hours is due to the nature of the parent(s)' work.	<p>Describe which types of center-based settings are exempt from licensing in your State/Territory.</p> <p>For example, some jurisdictions exempt school-based centers, centers operated by religious organizations, summer camps, or Head Start programs</p> <div data-bbox="537 396 1511 590"> </div>
Group Home Child Care <input type="checkbox"/> N/A. Check if your State/Territory does not have group home child care.	Group home child care provider is defined as two or more individuals who provide child care services for fewer than 24 hours per day per child, in a private residence other than the child's residence, unless care in excess of 24 hours is due to the nature of the parent (s)' work.	<p>Describe which types of group homes are exempt from licensing:</p> <div data-bbox="537 667 1511 856"> </div>
Family Child Care	Family child care provider is defined as one individual who provides child care services for fewer than 24 hours per day per child, as the sole caregiver, in a private residence other than the child's residence, unless care in excess of 24 hours is due to the nature of the parent(s)'s work. Reminder - Do not check if family child care home providers simply must register or be certified to participate in the CCDF program separate from the State/Territory regulatory requirements.	<p>Describe which types of family child care home providers are exempt from licensing:</p> <div data-bbox="537 972 1511 1161"> </div>
In-Home Care	In-home child care provider is defined as an individual who provides child care services in the child's own home. Reminder - Do not respond if in-home child care providers simply must register or be certified to participate in the CCDF program separate from the State/Territory regulatory requirements.	<p>Describe which types of in-home child care providers are exempt from licensin</p> <div data-bbox="537 1400 1511 1589"> </div>

Note: In lieu of submitting or attaching licensing regulations to certify the requirements of §98.40(a)(1), Lead Agencies may provide their licensing regulations to the National Resource Center for Health and Safety in Child Care and Early Education. Please check the NRCKid's website at <http://nrckids.org/> to verify the accuracy of your licensing regulations and provide any updates to the National Resource Center. **Check this box to indicate that the licensing requirements were submitted and verified at NRCKid's:**

Question 3.1.6:

3.1.6 Data & Performance Measures on Licensing and Health and Safety Compliance - What data elements, if any, does the State/Territory currently have access to related to licensing compliance? What, if any, performance measures does the Lead Agency use for ensuring health and safety? The purpose of these questions is for Lead Agencies to provide a description of their capacity to provide information, not to require Lead Agencies to collect or report this information. For any data elements checked in (a) below, Lead Agencies may provide an optional description about the data they have access to (e.g., the Lead Agency may have data for only licensed programs, only programs caring for children receiving CCDF subsidies, only providers participating in quality improvement systems, or only for certain age groups (e.g., infants and toddlers or school-age children).

a) **Data on licensing and health and safety.** Indicate if the Lead Agency or another agency has access to data on:

- Number of licensed programs. Describe (optional):

Numbers of programs operating that are legally exempt from licensing. Describe (optional):

Number of programs whose licenses were suspended or revoked due to non-compliance. Describe (optional):

Number of injuries and fatalities in child care as defined by the State/Territory. Describe (optional):

Number of monitoring visits received by programs. Describe (optional):

Caseload of licensing staff. Describe (optional):

Number of programs revoked from CCDF due to non-compliance with health and safety requirements. Describe (optional):

Other Describe:

Question 3.1.7:

3.1.7 Goals for the next Biennium -

In this section, Lead Agencies are asked to identify at least one goal for the upcoming biennium. Lead Agencies are encouraged to include measurable and achievable goals. Lead Agencies may include existing goals (e.g., already identified in a State strategic plan or established by the Governor for a Lead Agency). ACF will target technical assistance efforts to help Lead Agencies achieve their goal(s). Lead Agencies are not required to establish a goal for each sub-section of 3.1. What are the Lead Agency's goals for the licensing and health and safety system in the coming biennium? What progress does the State/Territory expect to make on core areas (e.g. licensing standards, monitoring visits or other effective enforcement, improved technical assistance, or fewer serious non-compliances?)

3.2 Establishing Voluntary Early Learning Guidelines (Component #2)

For purposes of this section, voluntary early learning guidelines include the expectations for what children should know (content) and be able to do (skills). The term *early learning guidelines* (ELGs) refers to age-appropriate developmental learning guidelines for infants and toddlers and school-age children. These guidelines are voluntary in that States/Territory are not mandated to develop such guidelines or implement them in a specified manner.

3.2.1 Has the State/Territory developed voluntary early learning guidelines for children? Check any early learning guidelines the State/Territory has developed.

- Birth-to-three
- Three-to-five
- Five years and older
- None. **Skip to 3.2.6.**

If yes, insert web addresses, where possible:

Which State/Territory agency is the lead for the early learning guidelines?

Question 3.2. 4:

3.2.4 Are voluntary early learning guidelines incorporated into other parts of the child care system? Check which ways, if any, the State/Territory incorporates its early learning guidelines into other parts of the child care system.

- To define the content of training required to meet licensing requirements
- To define the content of training required for program quality improvement standards (e.g., QRIS standards)
- To define the content of training required for the career lattice or professional credential
- To require programs in licensing standards to develop curriculum/learning activities based on the voluntary ELGs
- To require programs in quality improvement standards to develop curriculum/learning activities based on the voluntary ELGs
- To develop State-/Territory -approved curricula
- Other List:

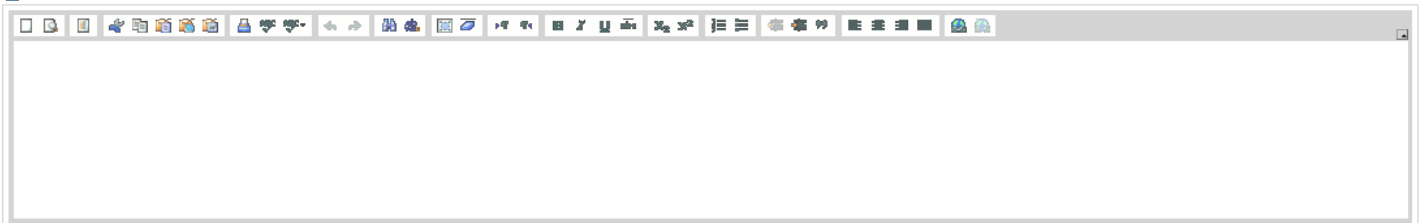

- None.

Question 3.2. 5:

3.2.5 Are voluntary early learning guidelines aligned with into other parts of the child care system? Check the standards, if any, with which the State/Territory aligns its early learning guidelines.

- Cross-walked to align with Head Start Outcomes Framework
- Cross-walked to align with K-12 content standards
- Cross-walked to align with State/Territory pre-k standards
- Cross-walked with accreditation standards
- Other List:

- None.

Question 3.2. 6:

3.2.6 Describe how your State/Territory uses ongoing assessments and measures of school readiness assessment using the following series of questions. In this section, assessment is framed with two distinct purposes/tools - 1) ongoing assessment of children's progress within the classroom to improve and individualize instruction (this corresponds to 3.2.6a) and 2) assessments conducted at kindergarten entry to inform policymakers about the school readiness of children across the State on a broad range of domains, used to guide program initiatives (this corresponds to 3.2.6b).

In the description for each Yes response, please include a) who administers, and b) how often assessments are conducted, and c) what assessment tools are used.

a) Are programs required to conduct ongoing assessments of children's progress of children using valid, reliable and age-appropriate tools aligned with the early learning guidelines or other child standards?

Yes. Describe:

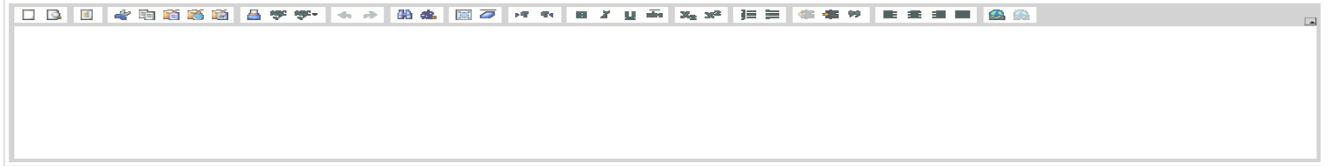

b-1) If yes, are programs encouraged to use information from ongoing assessments to improve practice and individual children's needs?

Yes. Describe:

- No
- Other.Describe:

- b-2) If yes, is information on child's progress reported to parents?
- Yes.Describe:

- No
- Other.Describe:

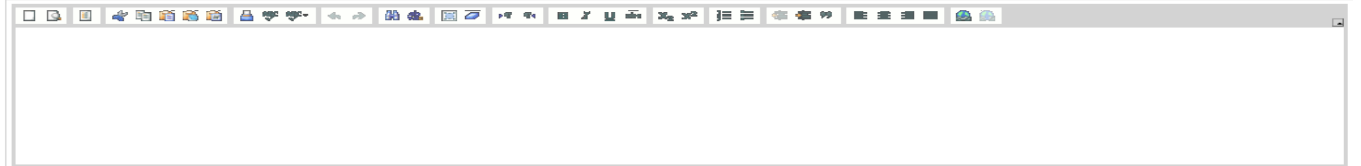

- No
- Other.Describe:

b) Does the State/Territory use tools that are valid, reliable and age-appropriate to track the readiness of children as they enter kindergarten?

- Yes. Describe:

- c-1) If yes, do the tools cover the developmental domains identified in 3.2.2?
- Yes.Describe:

- No
- Other.Describe:

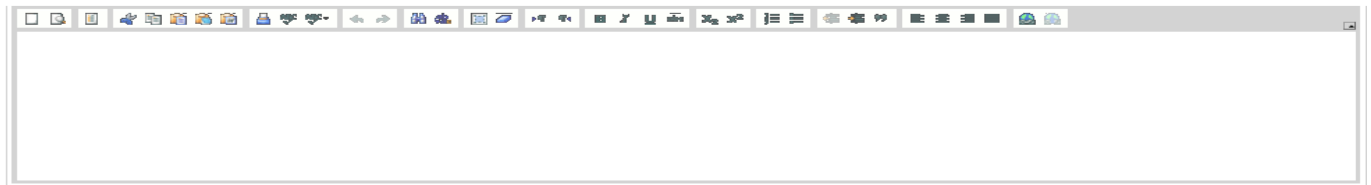

- c-2) If yes, are the tools used on all children or samples of children?
- All children.Describe:

- Samples of children.Describe:

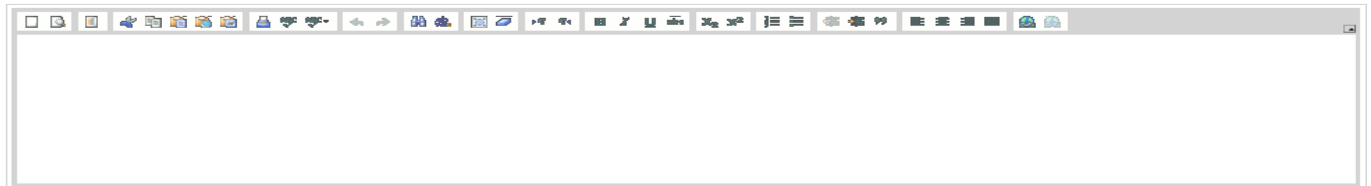

- Other.Describe:

- c-3) If yes, is the information from the school readiness measures used to target program quality improvement activities?

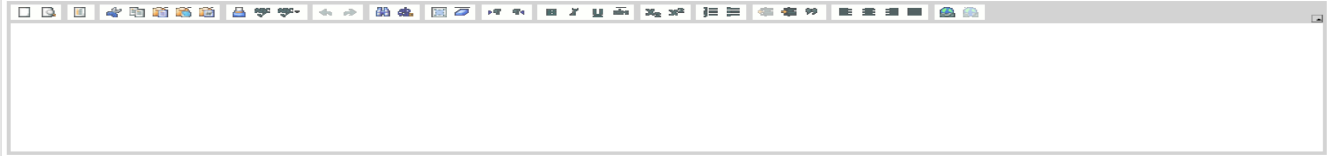

- Yes.Describe:

- No
- Other.Describe:

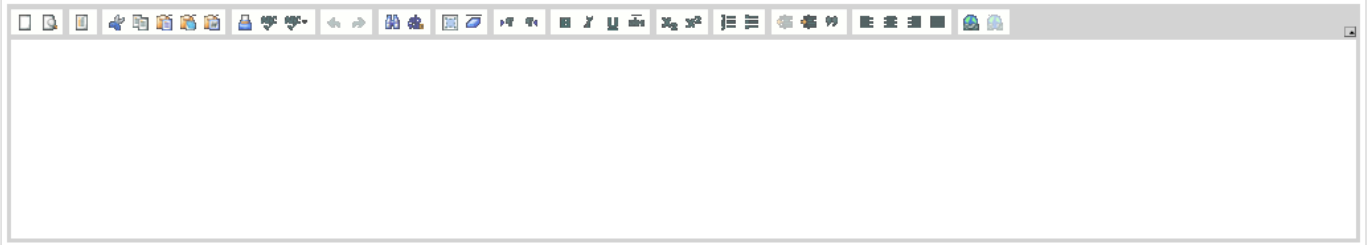

- No
- Other. Describe:

c) Is school readiness information linked to the statewide longitudinal data system (SLDS, program of the Department of Education)?

- Yes. Describe:

- No
- Not applicable. State does not have an SLDS.

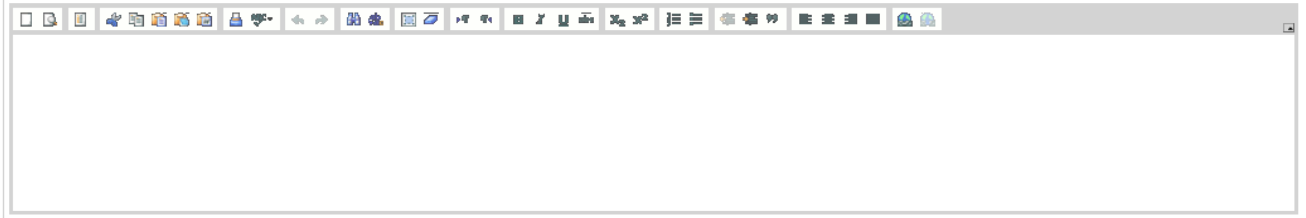

Question 3.2. 7:

None.

b) **Performance measurement.** What, if any, are the Lead Agency's performance measures related to dissemination and implementation of the early learning guidelines?

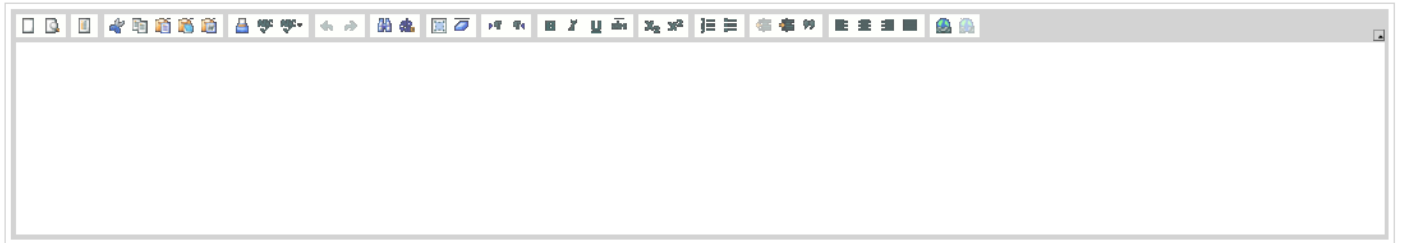

A large, empty rectangular text box with a light gray border. Above the box is a horizontal toolbar containing various icons for text editing, such as bold, italic, underline, bullet point, and list. The box is intended for the user to enter performance measures related to dissemination and implementation of early learning guidelines.

c) **Evaluation.** What are the State/Territory's plans, if any, for evaluation related to early learning guidelines? Evaluation can include efforts related to monitoring implementation of an initiative validation of standards or program assessment tools, or looking at outcomes in programs or the system and may be ongoing or conducted periodically.

A large, empty rectangular text box with a light gray border. Above the box is a horizontal toolbar containing various icons for text editing, such as bold, italic, underline, bullet point, and list. The box is intended for the user to describe the State/Territory's plans for evaluation related to early learning guidelines.

Question 3.2.8:

3.2.8 Goals for the next Biennium - In this section, Lead Agencies are asked to identify at least one goal for the upcoming biennium. Lead Agencies are encouraged to include measurable and achievable goals. Lead Agencies may include existing goals (e.g., already identified in a State strategic plan or established by the Governor for a Lead Agency). ACF will target technical assistance efforts to help Lead Agencies achieve their goal(s). What are the Lead Agency's goals for using voluntary early learning guidelines in the coming biennium? What progress does the Lead Agency expect to make related to early learning guidelines?

A large, empty rectangular text box with a light gray border. Above the box is a horizontal toolbar containing various icons for text editing, such as bold, italic, underline, bullet point, and list. The box is intended for the user to identify at least one measurable and achievable goal for the upcoming biennium related to using voluntary early learning guidelines.

Question 3.3.1:

3.3.1 Element 1 - Program Standards

Definition - For purposes of this section, program standards refers to the expectations for quality, or quality indicators, which identify different levels of and pathways to improved quality. Minimum licensing standards and health and safety requirements provided in section 3.1 are also program standards but in this section, we focus on those standards that build upon and go beyond those minimum requirements.

a) Does your State/Territory's have quality improvement standards that include indicators covering the following areas beyond what is required for licensing? Check any indicators, if any, that your State/Territory has chosen to establish.

- Ratios and group size
- Health, nutrition and safety
- Learning environment and curriculum
- Staff/Provider qualifications and professional development
- Teacher/providers-child relationships
- Teacher/provider instructional practices
- Family partnerships and family strengthening
- Community relationships
- Administration and management
- Developmental screenings
- Child assessment for the purposes of individualizing instruction and/or targeting program improvement
- Cultural competence
- Other.Describe:

- None. If checked, skip to 3.3.2.

b) Does your State/Territory have quality improvement standards with provisions about the care of any of these groups of children? Check any provisions your State/Territory has chosen to establish.

- Children with special needs as defined by your State/Territory
- Infants and toddlers
- School-age children
- Children who are dual language learners
- None

c) How do your State/Territory's quality standards link to State/Territory licensing requirements? Check any links between your State/Territory's quality standards and licensing requirements.

- Licensing is a pre-requisite for participation
- Licensing is the first tier of the quality levels
- State/Territory license is a "rated" license.
- Other.Describe:

Not linked.

d) Do your State/Territory's quality improvement standards align with or have reciprocity with any of the following standards? Check any alignment, if any, between your State/Territory's quality standards and other standards.

- Programs that meet State/Territory pre-k standards are able to meet all or part of the quality improvement standards (e.g., content of the standards is the same, or there is a reciprocal agreement between pre-k and the quality improvement system)
- Programs that meet Federal Head Start Performance Standards are able to meet all or part of the quality improvement standards (e.g., content of the standards is the same, or there is a reciprocal agreement between Head Start and the quality improvement system)
- Programs that meet national accreditation standards are able to meet all or part of the quality improvement standards (e.g., content of the standards is the same, or an alternative pathway to meeting the standards)
- Other. Describe:

None.

Question 3.3.2:

3.3.2 Element 2 - Supports to Programs to Improve Quality

Definition - For purposes of this section, supports to programs to improve quality refers to such activities as technical assistance and consultation services for programs to assist in meeting child care quality improvement standards.

a) Check which types of and for what purposes the State/Territory uses supports to child care programs, if any, in the following chart. If none, skip to 3.3.3.

None. skip to 3.3.3.

Other. Describe:	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

b) Methods used to customize quality improvement supports to the needs of individual programs include:

- Program improvement plans
- Technical assistance on the use of program assessment tools
- Other.Describe:

A rich text editor interface with a toolbar at the top containing icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, and other standard editing functions. The main area is a large, empty white box for text entry.

c) Is technical assistance linked to entering the QRIS or targeted to help programs forward on QRIS?

- Yes.Describe:

A rich text editor interface with a toolbar at the top containing icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, and other standard editing functions. The main area is a large, empty white box for text entry.

Question 3.3.3:

3.3.3 Element 3 - Financial Incentives and Supports

Definition - For purposes of this section, financial incentives refers to the types of monetary supports offered to programs in meeting and sustaining licensing and QRIS or other child care quality improvement standards for programs.

a) Identify which types of financial incentives are offered and to which providers in the following chart. Check which incentives and supports, if any, the State/Territory chooses to offer. If none, skip to 3.3.4.

None. skip to 3.3.4.

Types of Financial Incentives and Supports for Programs	Child Care Centers	Child Care Homes	License-Exempt Providers
<input type="checkbox"/> Grants to programs to meet or maintain licensing	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
<input type="checkbox"/> Grants to programs to meet QRIS or similar quality level	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Question 3.3.4:

3.3.4 - Element 4 - Quality Assurance and Monitoring

Definition - For purposes of this section, quality assurance and monitoring refers to the ways that the State/Territory measures program quality for the purposes of its QRIS or other quality improvement system and the methods for measuring that the child care quality improvement standards for programs are met initially and maintained over time.

a) What tools, if any, does the State/Territory use to measure and monitor the quality of programs? Check all that apply and briefly describe using the chart below, including which programs are required to participate and the frequency of assessments. If none, skip to 3.3.5.

None. skip to 3.3.5.

Types of Program Quality Assessment Tools	Child Care Centers	Child Care Homes	License-Exempt Providers
<input type="checkbox"/> Environment Rating Scales (e.g., ECERS, ITERS, SACERS, FDCRS) Describe, including frequency of assessments. <div data-bbox="100 1428 1084 1738" style="border: 1px solid gray; padding: 5px;">  </div>	<input type="checkbox"/> Infant/Toddler <input type="checkbox"/> Preschool <input type="checkbox"/> School-Age	<input type="checkbox"/>	<input type="checkbox"/>

<input type="checkbox"/> Other. Describe:	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

b) What steps, if any, has the State/Territory taken to align quality assurance and monitoring across funding streams and sectors in order to minimize duplication?

- Have a mechanism to track different quality assessments/monitoring activities to avoid duplication
- Include QRIS or other quality reviews as part of licensing enforcement
- Have compliance monitoring in one sector (e.g., Head Start/Early Head Start, State/Territory pre-k) serve as validation for compliance with quality improvement system (e.g., QRIS) without further review
- Have monitoring for meeting accreditation standards serve as validation for compliance with quality improvement system (e.g., QRIS) without further review
- Other.
Describe:

None.

Question 3.3.5:

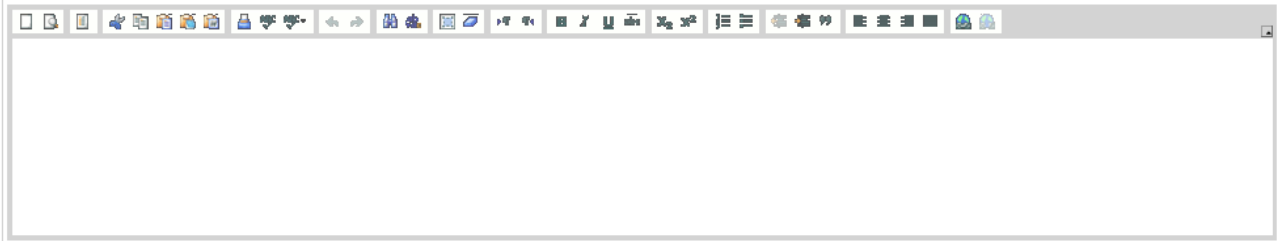

3.3.5 - Element 5 - Outreach and Consumer Education

Definition - For purposes of this section, outreach and consumer education refers to the strategies used to promote the child care quality improvement standards to parents, programs and the general public.

a) Does the State/Territory use symbols or simple icons to communicate levels of quality for child care programs beyond what may communicated to parents about licensing status and licensing compliance as reported in 3.1.3? (e.g. stars, or gold/silver/bronze levels).

Yes. If yes, how is it used?

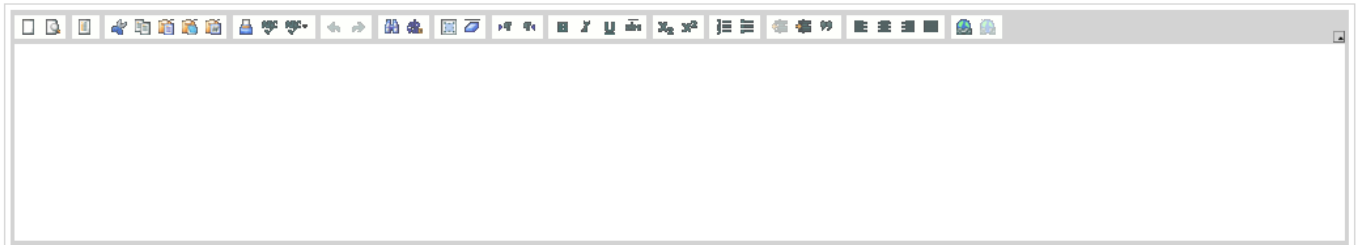

- Resource and referral/consumer education services use with parents seeking care
- Parents enrolling in child care subsidy are educated about the system and the quality level of the provider that they are selecting
- Searchable database on the web
- Voluntarily, visibly posted in programs
- Mandatory to post visibly in programs
- Used in marketing and public awareness campaigns
- Other. Describe:

No. If no, skip to 3.3.6.

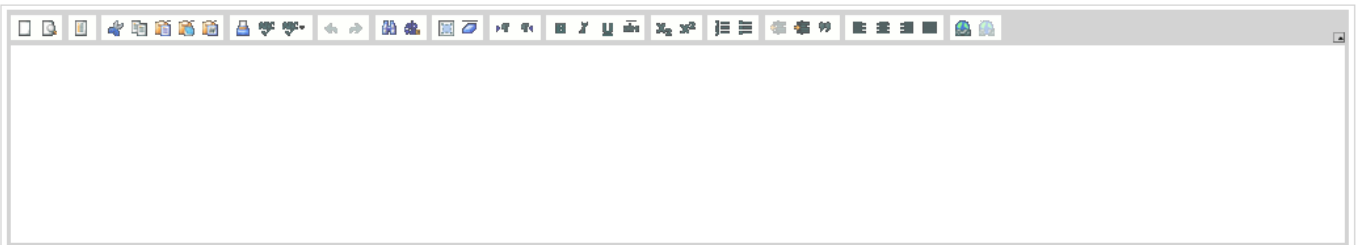

b) Does the State/Territory use any forms of media to reach parents and the public to communicate about levels of quality for child care programs? Check which forms, if any, the State/Territory uses to communicate levels of quality for child care programs.

- Print
- Radio
- Television
- Web
- Telephone
- Social Marketing
- Other. Describe:

None.

c) Describe any targeted outreach for culturally and linguistically diverse families.

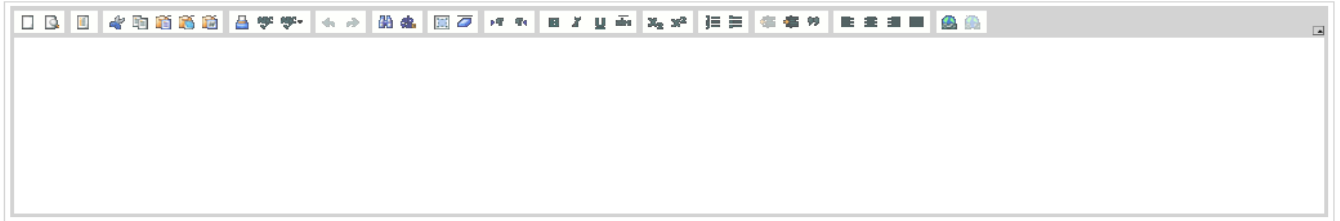

Question 3.3.6:

3.3.6. Quality Rating and Improvement System (QRIS)

a) Based on the five key elements of a QRIS described above in 3.3.1 through 3.3.5, does your State/Territory have a quality rating and improvement system (QRIS) or similar quality improvement system in place?

- Yes, the State/Territory has a QRIS or similar quality improvement system that includes linked activities in all five elements operating State/Territory-wide.
 - Participation is voluntary for:
 - Participation is mandatory for:
- Yes, the State/Territory has a QRIS or similar quality improvement system that includes linked activities in all five elements operating as a pilot or in a few localities but not State/Territory-wide.
- No, the State/Territory does not have a QRIS or similar quality improvement system that includes linked activities in all five elements.
 - State/Territory is in the development phase
 - State/Territory has no plans for development

Other. Describe:

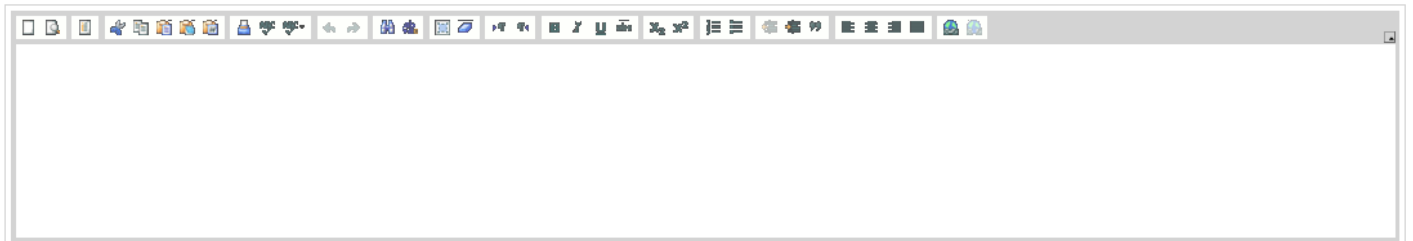

b) If yes to 3.3.6a, **CHECK** the types of providers eligible to participate in the QRIS:

- Child care centers
- Group child care homes
- Family child care homes
- In-home child care
- License exempt providers
- Early Head Start programs
- Head Start programs
- Pre-kindergarten programs
- School-age programs
- Other. Describe:

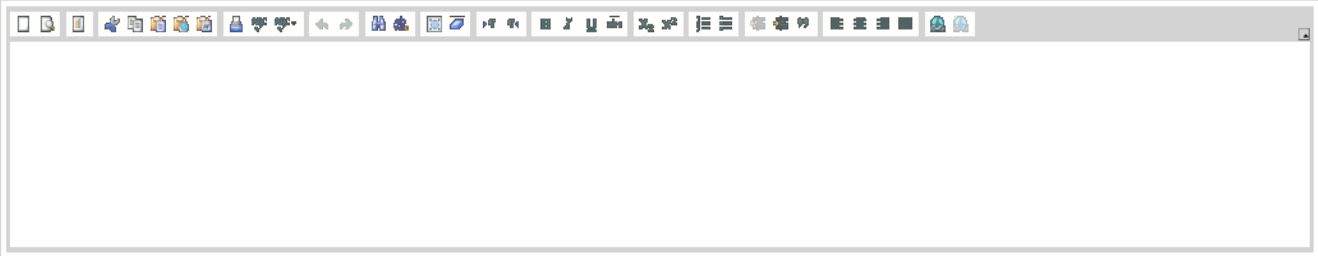

Question 3.3.7:

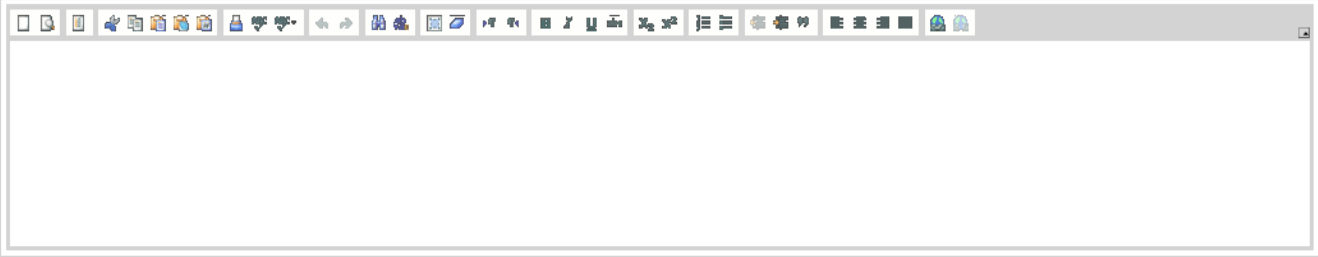

3.3.7. If the State/Territory has or will have any quality improvement strategies for targeted groups of providers (e.g., relative caregivers or caregivers who are legally exempt from licensing) that are not described in your responses to any question in section 3.3 above, please describe:

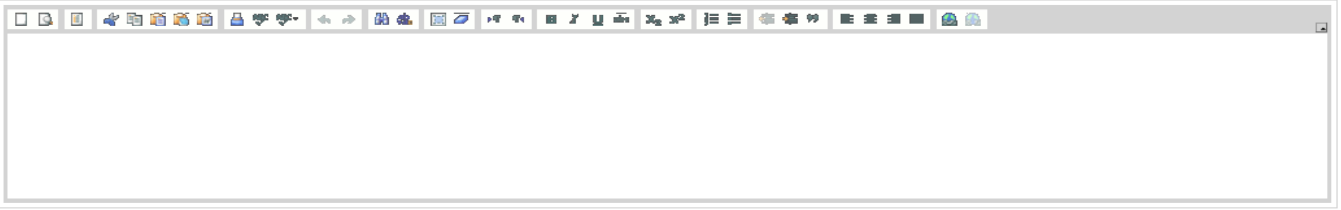

Describe:

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty white rectangular area for text input.

Qualifications for teachers or caregivers within each program. Describe:

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty white rectangular area for text input.

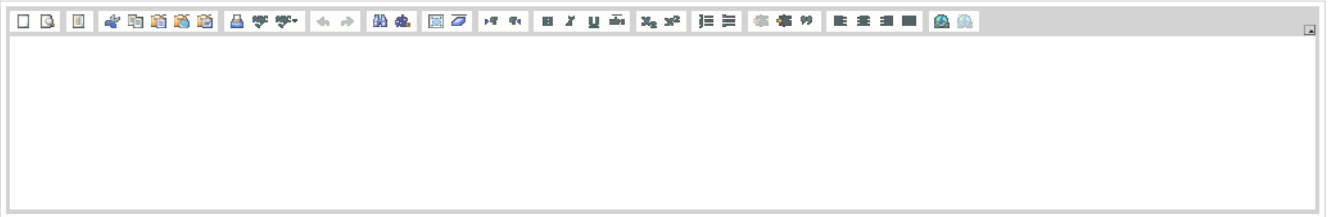

Number/Percentage of children receiving CCDF assistance in licensed care.Describe:

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty rectangular text area for providing a description.

- Number/percentage of children receiving CCDF assistance who attend care at each of the tiers of the quality as defined by the State/Territory
- Number/Percentage of programs receiving financial assistance to meet higher program standards.Describe:

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty rectangular text area for providing a description.

Other.Describe:

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty rectangular text area for providing a description.

None.

b) **Performance measurement.** What, if any, are the Lead Agency's performance measures on program quality?

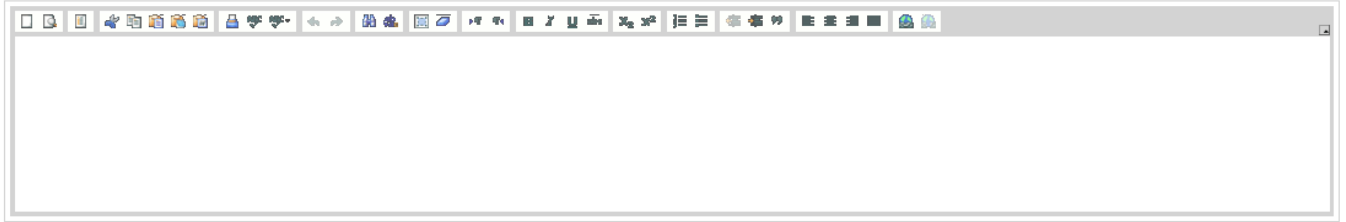

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty rectangular text area for providing a description.

c) **Evaluation.** What, if any, are the State/Territory's plans for evaluation related to program quality? Evaluation can include efforts related to monitoring implementation of an initiative, validation of standards or assessment tools, or looking at outcomes in programs or the system and may be ongoing or conducted periodically.

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty rectangular text area for providing a description.

Question 3.3.9:

3.3.9 Goals for the next Biennium - In this section, Lead Agencies are asked to identify at least one goal for the upcoming biennium. Lead Agencies are encouraged to include measurable and achievable goals. Lead Agencies may include existing goals (e.g., already identified in a State strategic plan or established by the Governor for a Lead Agency). ACF will target technical assistance efforts to help Lead Agencies achieve their goal(s). Lead Agencies are not required to establish a goal for each sub-section in 3.3. What are the State/Territory's goals for the program quality improvement system in the coming biennium? What progress does the State/Territory expect to make across the five key elements for quality improvement systems?

3.4 Pathways to Excellence for the Workforce - Professional Development Systems and Workforce Initiatives (Component #4) (Click for additional instructions)

a) Describe which entities are involved in planning and administering the activities in Section 3.4, including State/Territory entities and local or community level entities.

Question 3.4.1:

3.4.1 Workforce Element 1 - Core Knowledge and Competencies

Definition - For purposes of this section, core knowledge and competencies (CKCs) refers to the expectations for what the workforce should know (content) and be able to do (skills) in their role working with and/or on behalf of children and their families. These CKCs provide a foundation for professional development design (including instructional practices) and other quality improvement efforts.

a) Has the State/Territory developed core knowledge and competencies (CKCs) for practitioners working with and/or on behalf of children?

- Yes
- No, the State/Territory has not developed core knowledge and competencies. **Skip to question 3.4.2.**
- Other. Describe:

If yes, insert web addresses, where possible:

b) Check which of the following teaching and learning topics, if any, are covered in the CKCs.

- Child growth, development and learning
- Health, nutrition, and safety
- Learning environment and curriculum
- Interactions with children
- Family and community relationships
- Professionalism and leadership
- Observation and assessment
- Program planning and management
- Diversity
- Other. Describe:

- None.

c) Are the CKCs incorporated into other parts of the child care system? Check which ways, if any, the State/Territory incorporates its CKCs into other parts of the child care system.

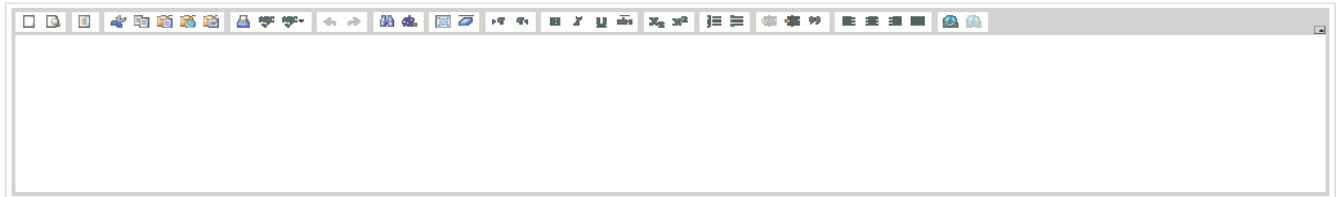

- To define the content of training required to meet licensing requirements
- To define the content of training required for program quality improvement standards (as reported in section 3.3)
- To define the content of training required for the career lattice or credential
- To correspond to the early learning guidelines
- To define curriculum and degree requirements at institutions of higher education
- Other.Describe:

None.

d) Are the CKCs aligned with other State/Territory or national standards? Check which ways, if any, the State/Territory aligns its CKCs with other standards.

- Cross-walked with the Child Development Associate (CDA) competencies
- Cross-walked with national teacher preparation standards (e.g., NAEYC standards for early childhood professional preparation, National Board of Professional Teaching Standards, Head Start SOLAR staff skills indicators)
- Cross-walked with apprenticeship competencies
- Other.Describe:

None.

e) Check for which roles, if any, the State/Territory developed supplemental or specialized competencies.

Staff working directly with children in centers, including aides, assistants, teachers, master teachers. Describe:

An empty text box with a standard toolbar at the top, including icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, and other text formatting options.

Providers working directly with children in family child care homes, including aides and assistants. Describe:

An empty text box with a standard toolbar at the top, including icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, and other text formatting options.

Administrators in centers (including educational coordinators, directors). Describe:

An empty text box with a standard toolbar at the top, including icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, and other text formatting options.

Technical assistance providers (including mentors, coaches, consultants, home visitors, etc.). Describe:

An empty text box with a standard toolbar at the top, including icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, and other text formatting options.

Education and training staff (such as trainers, CCR&R staff, faculty). Describe:

Other. Describe:

None.

f) Check if the State/Territory has developed any supplemental or specialized competencies for practitioners/providers working with the following ages.

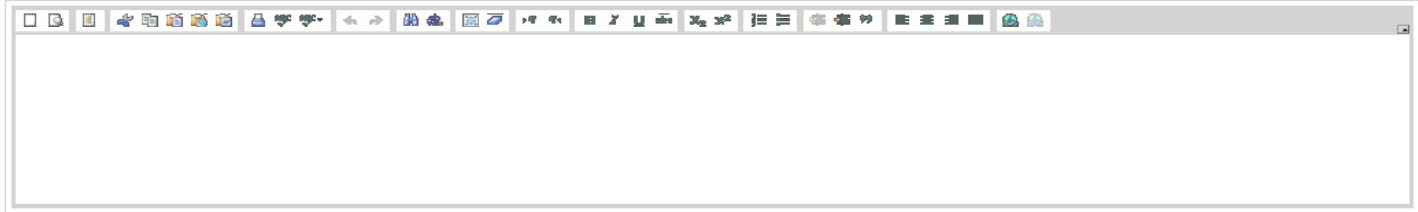

- Birth-to-three
- Three-to-five
- Five and older
- Other. Describe:

None.

Question 3.4.2:

Education and training staff (such as trainers, CCR&R staff, faculty).Describe:

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty rectangular text area for describing education and training staff.

Other.Describe:

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty rectangular text area for describing other staff.

None.

c) Does the career pathway (or lattice) include specializations or credentials, if any, for working with any of the following children?

- Infants and toddlers
- Preschoolers
- School-age children
- Dual language learners
- Children with disabilities, children with developmental delays, and children with other special needs
- Other.Describe:

A rich text editor toolbar with various icons for text formatting, alignment, and editing. Below the toolbar is a large, empty rectangular text area for describing specializations or credentials.

None.

d) In what ways, if any, is the career pathway (or lattice) used?

- Voluntary guide and planning resource
- Required placement for all practitioners and providers working in programs that are licensed or regulated in the State/Territory to serve children birth to 13
- Required placement for all practitioners working in programs that receive public funds to serve children birth to 13
- Required placement for adult educators (i.e., those that provide training, education and/or technical assistance)
- Required placement for participation in scholarship and/or other incentive and support programs
- Required placement for participation in the QRIS or other quality improvement system
- Other. Describe:

- None.

e) Are individuals' qualifications, professional development, and work experience verified prior to placement on the career pathway (or lattice)?

Yes. If yes, describe:

- No.

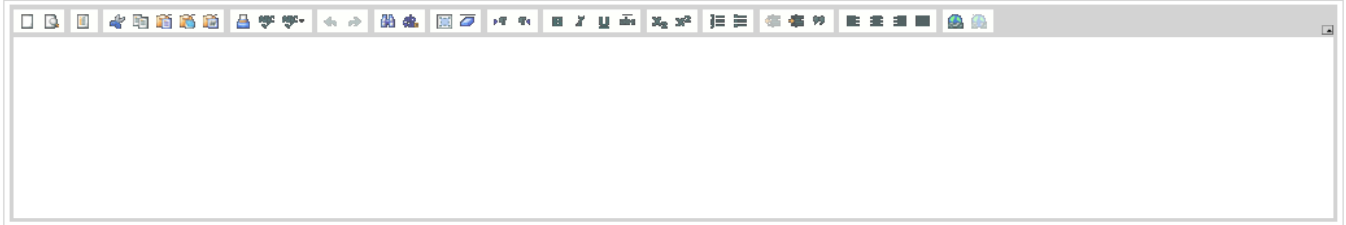

Question 3.4.3:

3.4.3 Workforce Element 3 - Professional Development Capacity

Definition - For purposes of this section, professional development incorporates higher education, training and technical assistance. Higher education capacity refers to capability of the higher education system to meet the needs of the diverse workforce including the provision of content that addresses the full range of development and needs of children. Training and technical assistance capacity refers to capability of the training and technical assistance system to meet the needs of the diverse workforce including the provision of content that addresses the full range of development and needs of children.

a) Has the State/Territory assessed the availability of degree programs in early-childhood education, school-age care or youth development, and related fields in the State/Territory (e.g., both physical location and distance-based, accessibility to practitioners, etc.)?

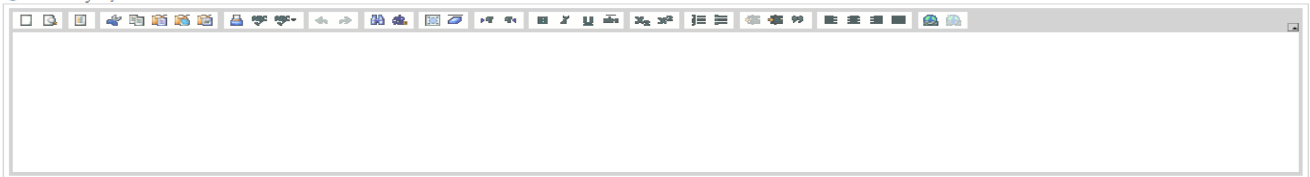

Yes.If yes, describe:

A rich text editor with a toolbar containing icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, insert link, insert image, link, unlink, and print. The main area is empty.

No.

b) Has the State/Territory assessed the availability of early-childhood and school-age and related training and technical assistance programs in the State/Territory (e.g., both physical location and distance-based, degree level, etc.)?

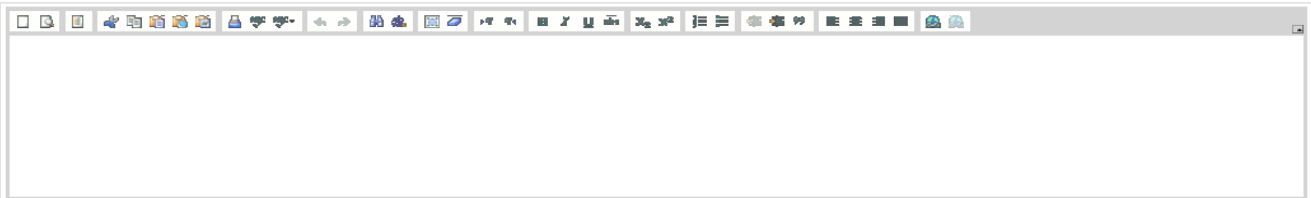

Yes.If yes, describe:

A rich text editor with a toolbar containing icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, insert link, insert image, link, unlink, and print. The main area is empty.

No.

c) What quality assurance mechanisms, if any, are in place for the degree programs and courses offered by the State/Territory institutions?

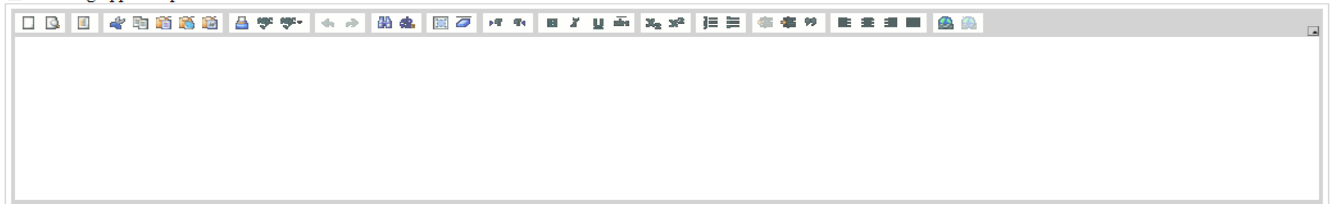

- Standards set by the institution
- Standards set by the State/Territory higher education board
- Standards set by program accreditors
- Other.Describe:

A rich text editor with a toolbar containing icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, insert link, insert image, link, unlink, and print. The main area is empty.

None.

d) What quality assurance mechanisms, if any, are in place for the training and technical assistance programs offered by the State/Territory?

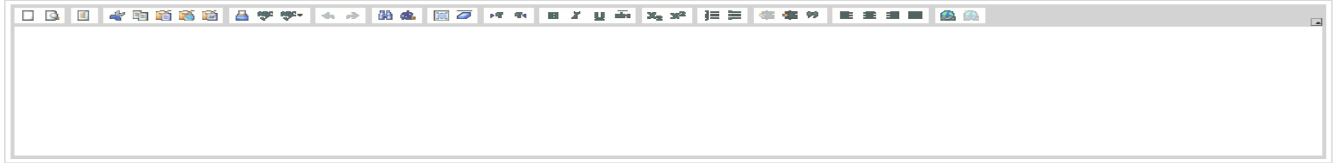

Training approval process.Describe:

A rich text editor with a toolbar containing icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, insert link, insert image, link, unlink, and print. The main area is empty.

Trainer approval process. Describe:

A rich text editor with a toolbar containing icons for undo, redo, bold, italic, text color, background color, bulleted list, numbered list, link, unlink, insert link, insert image, link, unlink, and print. The main area is empty.

Training and/or technical assistance evaluations. Describe:

Other. Describe:

None.

e) Does the State/Territory have articulation agreements in place across and within institutions of higher education?

Yes. If yes, describe:

No.

f) Does the State/Territory have articulation agreements that translate training and/or technical assistance into higher education credit?

Yes. If yes, describe:

No.

Question 3.4.4:

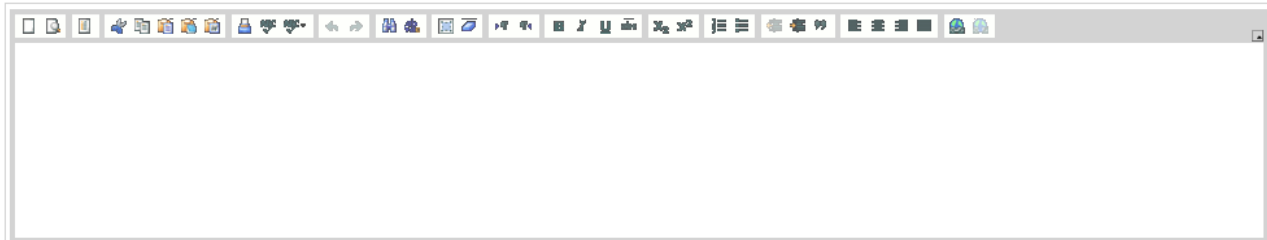

3.4.4 Workforce Element 4 - Access to Professional Development

Definition - For purposes of this section, access to professional development (training, education and technical assistance) refers to the degree to which practitioners are made aware of, and receive supports and assistance to utilize, professional development opportunities.

a) Does the State/Territory have professional development opportunities accessible for professionals in various or all sectors of the early childhood and school-age field?

Yes. If yes, for which sectors?

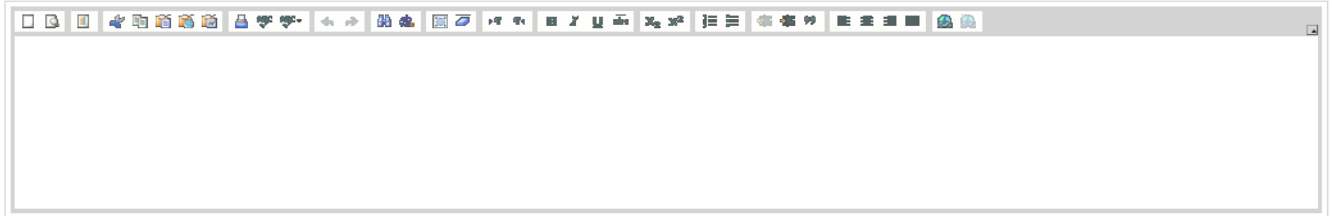

- Child care
- Head Start/Early Head Start
- Pre-Kindergarten
- Public schools
- Early intervention/special education
- Other. Describe:

No.

b) Does the State/Territory have a State/Territory-wide, coordinated and easily accessible clearinghouse of information about professional development opportunities available to all members of the early childhood and school-age workforce? Lead Agencies are not required to have a professional development system, but States/Territories may develop such clearinghouses to promote access to professional development opportunities.

Yes.If yes, describe:

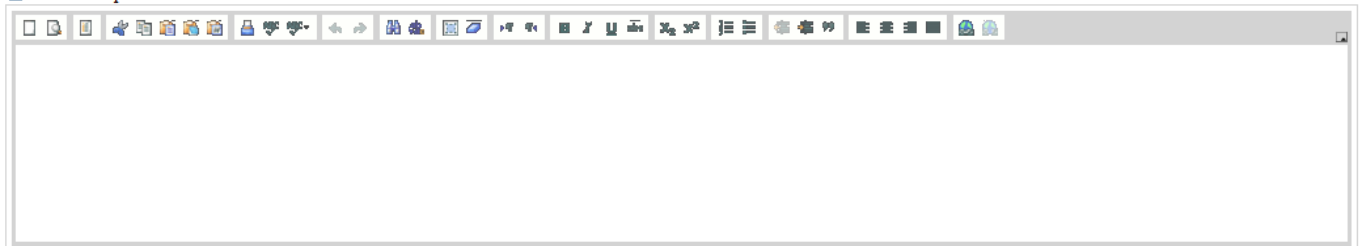

A rich text editor with a toolbar at the top containing icons for undo, redo, bold, italic, underline, link, unlink, list, indent, outdent, and other text formatting options. The main area is a large empty text box.

No.

Insert web addresses, where possible:

c) What supports, if any, does the State/Territory provide to promote access to training and education activities?

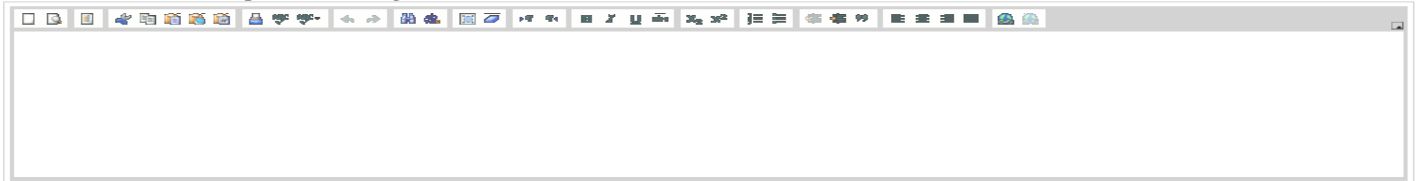

Scholarships.Describe:
