The Grant Program and Their Paperwork Burden:

Fiscal Year (FY) 2011 through FY 2013 Stand Down Grant Requests

This relates to a Veterans' Employment and Training Service Solicitation for Grant Applications (SGA) to fund Stand Down events for FY 2011. A Stand Down is an event held in a local community where homeless Veterans are provided with a wide variety of social services. Stand Down funding is a non-competitive grant awarded on a first-come, first-serve basis until available funding is exhausted.

The VETS anticipates that up to \$600,000 will be available to award approximately seventy grants in each of the three fiscal years covered by this solicitation. These grant funds must be used to enhance employment and training opportunities or to promote the self-sufficiency of homeless Veterans through paid work.

The DOL expects approximately 50 applications from an equal number of applicants, and the burden per application will be 20 hours with no capital, start-up, maintenance, or operational costs. Fifty percent of the applications are expected to be filed electronically.

Notice of Availability of Funds and Solicitation for Grant Applications for the National Farmworker Jobs Program (NFJP) Housing Assistance Program

This program will enable migrant and seasonal farmworkers to improve their economic outcomes by allowing them to retain employment or enter into and/or remain in training.

The DOL expects approximately 50 applicants from an equal number of applicants, and the burden per application will be 20 hours with no capital, start-up, maintenance, or operational costs. Fifty percent of the applications are expected to be filed electronically.
