What Is the Purpose of This Form?

This form is for current or former members of the U.S. Armed Forces who are applying for naturalization under the Immigration and Nationality Act. Completion and certification of this form by the applicant and certifying official will serve as an authenticated certification of military service.

Failure to provide the information requested, with the exception of your U.S. Social Security Number (SSN), may delay a final decision or result in denial of your Form N-400, Application for Naturalization. Your application will not be denied for failure to provide your SSN; however, it may prove difficult to verify your military service if you do not provide it since military records are indexed by SSN.

1. Form N-400, Application for Naturalization; and
2. Copy of Form DD-214, Certificate of Release or Discharge from Active Duty, or NGB Form 22, National Guard Report of Separation and Record of Service.
