2010 Cognitive Interviews

Attachment II
Eligibility Screening Questions

Thank you for inquiring about the cognitive interviews for this study. We will perform a screening for potential interviewees that will take 3 to 5 minutes. The interviews will be recorded so that we can review your ideas and comments. We will prepare a report that does not single out any one person, but summarizes what we heard from various individuals taken as a whole. In accordance with federal confidentiality requirements, we will keep the recording only until our report is finished. No names will be mentioned in the report.
