<b>Other change**</b> This submission is a revision the OMB package cleared August 3, 2011 (OMB# 1850-0803 v.53) for the conduct of cognitive interviews in August-September 2011 to pretest the full-scale student interview for the 2011-12 National Postsecondary Student Aid Study (NPSAS:12). Since the initial submission, changes were made to the student interview as the result of recommendations made by the NPSAS:12 technical review panel and a request from ED's Office of the Under Secretary. This submission summarizes those changes (memo and revised document in the Gen IC for NPSAS 2012). Questions for cognitive testing will be limited to the new and revised items, although participants will be asked to provide comments on other items in the interview should they find them confusing or otherwise problematic.
