

I.C. a.: CDRLF – Loan Application

The previously approved information collection materials covered by Control Number 3133-0138, included the loan application and application guidance. This document has been used by NCUA to evaluate applications for financial assistance from the CDRLF.

NCUA estimates an average of fifty loan applications per year under its CDRLF program. The burden estimate for reviewing and completing these documents is eight hours.

a. Loan Application

Average number of applications annually: 50

Annual hour burden: 8

8 hours x 50 = 400
