Public reporting burden for this BE-150 report is estimated to average 16 hours per response. This burden includes time for reviewing the instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden to estimate to Director, Bureau of Economic Analysis (BE-1), U.S. Department of Commerce, Washington, DC 20230; and to the Office of Management and Budget, Paperwork Reductions Project 0608-0072, Washington, DC 20503.

Purpose - This survey is to gather information on the credit, debit, charge, automated teller machine (ATM), and point of sale (POS) transactions of U.S. persons traveling abroad and foreign persons traveling in the United States. The information collected will be used to formulate U.S. international economic policy and to analyze the impact of that policy, and the policies of foreign countries, on international trade in services. The data will also be used in estimating the travel component of the U.S. international transactions accounts and national income and product accounts.

Authority - This survey is being conducted under the authority of the International Investment and Trade in Services Survey Act (P.L. 94-472, 90 Stat. 2059, 22 U.S.C. 3101-3108, as amended – hereinafter “the Act”), and the filing of reports is mandatory under Section 5(b)(2) of the Act (22 U.S.C. 3104). Regulations for the survey may be found in 15 CFR Part 801.

Penalties - Whoever fails to report may be subject to a civil penalty of not less than \$2,500, and not more than \$25,000, and to injunctive relief commanding such person to comply, or both. These civil penalties are subject to inflationary adjustments. Those adjustments are found in 15 CFR 6.4. Whoever willfully fails to report shall be fined not more than \$10,000 and, if an individual, may be imprisoned for not more than one year, or both. Any officer, director, employee, or agent of any corporation who knowingly participates in such violations, upon conviction, may be punished by a like fine, imprisonment, or both. (See 22 U.S.C. 3105.) Notwithstanding the above, a U.S. person is not subject to any penalty or failure to report if a valid Office of Management and Budget (OMB) control number is not displayed on the form; such a number (0608-0072) is displayed at the top of the first page of this form.

Confidentiality - The Act provides that your report to this Bureau is CONFIDENTIAL and may be used only for analytical or statistical purposes. Without your prior written permission, the information filed in your report CANNOT be presented in a manner that allows it to be individually identified. Your report CANNOT be used for purposes of taxation, investigation, or regulation. Copies retained in your files are immune from legal process.
