TEAS **Plus** Form

This form has a lower filing fee of \$275 per class of goods and/or services, but has **stricter** requirements, than the TEAS form. Select this option **ONLY** if you agree to:

- file a "complete" application. Almost all fields in this form are mandatory;
- select the listing of goods and/or services for this application directly from the USPTO's [Acceptable Identification of Goods and Services Manual](#). While certain listings permit "[customization](#)," total "free-text" entries for identifications cannot be made; **NOTE:** You should confirm that your identification(s) appear in the Manual by using the link, *above*, **BEFORE** entering the TEAS Plus form. If the term(s) does not appear, you may request that an identification be added by e-mailing TMIDSUGGEST@uspto.gov; however, you could not file immediately. For more information on this process, click [here](#).
- pay the fees for **all** classes at the time of filing;
- file certain later communications regarding the application, such as a Response to an Office action, through TEAS; and
- receive all communications concerning the application by e-mail during the pendency of the application.

NOTE: If you use TEAS Plus, you must pay an additional fee of \$50 per class if at any time during the examination of the application the USPTO determines that (1) the application did not meet the TEAS Plus requirements as of the filing date; (2) you file a paper form after the initial application when a TEAS form exists for that purpose (*e.g.*, a Response to an Office action); and/or (3) you refuse to receive

correspondence from the USPTO by e-mail during the pendency of the application.

TEAS Form

Select this option, having a filing fee of \$325 per class of goods and/or services, if you cannot satisfy the TEAS Plus requirements, as outlined above.
