FSIS-IA-10-091

FISCAL YEAR (FY) 2010
INTERAGENCY AGREEMENT
between the
NATIONAL CENTER FOR ENVIRONMENTAL HEALTH (NCEH)
CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)
U.S. DEPARTMENT OF HEALTH AND HUMAN SERVICES
and the
OFFICE OF PUBLIC HEALTH SCIENCE (OPHS)
FOOD SAFETY AND INSPECTION SERVICE (FSIS)
U.S. DEPARTMENT OF AGRICULTURE

A. Background

This FSIS-CDC fiscal year 2010 interagency agreement provides FSIS support to the Environmental Health Specialists Network (EHS-Net). The Environmental Health Specialists Network (EHS-Net) is a collaborative forum of environmental health specialists, epidemiologists, and laboratory professionals who work to understand the contributing factors and environmental causes of foodborne and waterborne diseases and to improve environmental public health practice. This is accomplished through a variety of research and non-research activities carried out by environmental health specialists from food and water safety environmental health service programs. This collaborative forum of people represent state and local regulatory and non-regulatory environmental health service programs, federal agencies such as the Food and Drug Administration, the Food Safety and Inspection Service, the Food and Nutrition Service, Environmental Protection Agency, and the Centers for Disease Control and Prevention as well as interested industry groups. Information and data gathered by EHS-Net support science-based recommendations and policy development.

B. Purpose:

The purpose of this agreement between the National Center for Environmental Health (NCEH), CDC and the Office of Public Health Science, FSIS is to provide \$175,000 funding for the Environmental Health Specialist Network (EHS-Net) to continue to improve food safety knowledge by:

1. Conduct special study in EHS-Net sites that is focused on *Listeria monocytogenes* in retail venues

C. Description of Services

FSIS will transfer fiscal year 2010 funds in the amount of \$175,000 to CDC to the Environmental Specialist Network to:

1. Help support the inclusion of food safety officials from state and local agencies, such as departments of agriculture, that have jurisdiction over retail venues, such as grocery stores, markets, and delis and support the conduct special studies in retail venues, such as grocery stores, markets, and delis, and

04May2010

2. Support an ORISE Fellow who will oversee a *Listeria* in retail venues study.

D. Responsibilities of Each Agency:

FSIS shall:

1. Provide a point of contact to act as the representative of FSIS
2. Provide fiscal resources as specified in section C. of this agreement
3. Provide scientific and technical staff participation in the development and conduct of special studies in retail venues, such as grocery stores, markets, and delis

CDC shall:

1. Provide staff to conduct and oversee EHS-Net programs and studies
2. EHS-Net will generate data to support FSIS scientific assessments and risk management strategies in the area of food safety.
 - a. EHS-Net will develop and conduct a study that will provide data for a current *Listeria monocytogenes* (Lm) in retail interagency risk assessment.
3. EHS-Net will increase the participation of state and local agencies, such as departments of agriculture, which have jurisdiction over retail venues, such as grocery stores, and markets, and delis.
4. Provide a detailed list of accomplishments through this agreement to FSIS.
5. CDC will provide a summary of expenditures by object class to FSIS within 90 days of the end of the fiscal year.

F. Authority

This agreement is made under the authority of the Economy Act of 1932, as amended (31 U.S.C. 1535) and adheres to the Federal Acquisitions Regulations. Pursuant to the Economy Act, FSIS payments to the CDC for services performed under this agreement are limited to the actual cost that the CDC incurs in performing these services. FSIS may make advance payments to the

CDC; however, these payments will be adjusted to reflect the actual cost incurred by the CDC. The CDC actual cost will not exceed estimated amount. Actual cost summary will be provided to FSIS 90 days after the end of the fiscal year.

At least 60 days prior to the expiration of a modification to this agreement, the CDC will submit to FSIS both a proposed budget for activities pursuant to the agreement in the next fiscal year and an explanation of all items that the CDC proposes to charge to FSIS. This explanation shall detail the methods that the CDC used to calculate indirect costs and to allocate such costs to FSIS.

The CDC will make available to FSIS and to such persons as FSIS designates as its representatives all financial records relating to activities pursuant to this agreement.

INTERAGENCY AGREEMENT TERMS AND CONDITIONS

1. General

The Interagency Agreement (IA) form, these Terms and Conditions, the Statement of Work (SOW); and any attachments constitute an IA between the requesting agency, Food Safety and Inspection Service (FSIS), and the servicing agency, Centers for Disease Control. This agreement shall be effective on the date of the final signature by authorized officials of both agencies, and shall remain in effect for the period(s) stated on the form, or until terminated in accordance with the Cancellation/Termination provision of this contract.

2. Definitions

COTR: the requesting agency's Contracting Officer's Technical Representative

Requesting Agency: USDA, Food Safety and Inspection Service

Servicing Agency: The federal agency that is performing services or providing goods under this agreement named in number 1 above.

3. Competition Requirements for the Servicing Agency

All acquisitions awarded by the servicing agency in performance of this IA shall comply with the Competition in Contracting Act (CICA), Public Law 98-369.

4. Funding and Reimbursement

The servicing agency shall make no other commitments or expenditures beyond 100% of funds obligated and shall be excused from further performance of the work unless and until the requesting agency's Contracting Officer (CO) increases the total obligation under this agreement by modification.

Special Terms for One-Year Funding:

The total amount to be reimbursed shall not exceed the total amount obligated for the current fiscal year. **If this agreement is issued under the authority of the Economy Act (31 U.S.C. 1535 and 1536 and the servicing agency uses in-house resources to perform part or all of the agreement, work must stop on September 30th of the current fiscal year and any unexpended funds must be deobligated.** In-house work to continue in the next fiscal year must be funded effective October 1st with the new fiscal year's funds.

Special Terms for Greater than One-Year Funding:

For longer than one-year (e.g., two year, no-year) funding availability, the dates are extended appropriately.

5. Servicing Agency Contract Award

Any contract action awarded by the servicing agency in connection with this agreement shall be awarded no later than 30 September 2010.

6. Billing Instructions/Support Documentation for Expenditures

Billing and reimbursement may be handled through the Intra-governmental Payment and Collection (IPAC) system, or the servicing agency may submit invoices when the work is completed or as otherwise authorized. The Payable IA number, the Agency Locator Codes, appropriate accounting code(s), and associated dollar amounts must be referenced on all IPAC transactions or invoices.

If IPAC is used, the servicing agency shall provide documentation supporting all charges to the requesting agency's COTR. In the event that advance payment is requested and authorized, the servicing agency shall furnish expenditure reports to the COTR on a monthly basis.

If invoices are used, the invoices, along with supporting documentation shall be submitted to the requesting agency's payment office as shown on the IA form, with a copy furnished to the COTR. Per the Economy Act and Federal Acquisition Regulation 17.505, bills or requests for advance payment will not be subject to audit or certification in advance of payment.

Both agencies agree to promptly discuss and resolve issues and questions regarding payments. The servicing agency will promptly initiate year-end and closeout adjustments once final costs are known.

7. Travel

All travel under this IA shall be in accordance with the Federal Travel Regulations.

8. Prompt Payment

The servicing agency shall not assess the requesting agency for any prompt payment interest charged to the servicing agency.

9. Modifications

When appropriate, a unilateral administrative modification will be issued by the requesting agency (e.g. to add funds with no change to the SOW, to change a COTR name). A written bilateral modification (i.e., agreed to and signed by authorized officials of both parties) will be issued to change the IA, modify the SOW, etc.

Authority to modify an IA on behalf of FSIS is expressly limited to the Contracting Officer. The COTR is not authorized to modify an interagency agreement. The servicing agency assumes all

risks, liabilities, and consequences of performing additional work outside the specified scope of work without prior written approval from the Contracting Officer.

10. Program Office/COTR Responsibilities

The requesting agency COTR and the servicing agency program office shall be responsible for technical oversight of the specified product or services, as set forth in the SOW of this agreement. In carrying out these responsibilities, they will operate within the scope of applicable regulations, specifically delegated authorities, and the program authorities and funding limitations of the IA. The COTR has no authority to make changes to the terms of this IA.

COTR for this IA: Kristin Holt (404) 639-3379

11. Property

Non-expendable property purchased from funds supplied under this agreement shall become an asset of the requesting agency unless otherwise agreed to in writing by both agencies. Purchase of equipment required for performance of the work must be authorized under this IA.

12. Third Party Liability

With respect to third-party liability for acts arising out of the performance of official duty by a government employee of the servicing agency, the servicing agency undertakes responsibilities for the investigation, adjudication, settlement, and payment of any claim asserted against the United States; except that, in all cases, the responsibility for the investigation, adjudication, settlement, and payment of any claim with respect to third-party liability arising out of the use, damage, or destruction of loaned personal property shall be the responsibility of the particular agency that has custody and control of the said personal property. In addition, the servicing agency representative shall have the duty of investigating and reporting, in accordance with the servicing agency's regulations and policies, incidents occurring on, or involving that servicing agency's real property, and the requesting agency agrees to cooperate fully in such investigations.

13. Disputes

Nothing in this agreement is intended to conflict with current requesting agency or USDA directives. However, should disagreement arise as to the interpretation of the provisions of this agreement that cannot be resolved between the servicing agency program office and the requesting agency COTR, the area(s) of disagreement will be reduced to writing by each agency and presented to the authorized officials at both agencies for resolution. If settlement cannot be reached at this level, the disagreement will be raised to next level in accordance with servicing agency and requesting agency procedures for final resolution.

14. Cancellation/Termination

This agreement is subject to cancellation or termination, with at least 30 calendar days (unless the SOW specifies a different period) advance written notice by either party. The servicing agency shall be reimbursed for the cost of all completed and partially completed work (up to the IA ceiling) as of the effective date of cancellation.

15. Project Completion and Closeout

When the requesting agency has accepted all deliverables related to the SOW, the servicing agency will provide a written project evaluation and final accounting of project costs to the requesting agency CO. The servicing agency account will then be closed and any remaining funds will be returned to the requesting agency immediately. After final accounting, the remaining balance in the project account will be deobligated by an IA modification.

16. Accessibility of Electronic and Information Technology

Each Electronic and Information Technology (EIT) product or service furnished under this agreement shall comply with the Electronic and Information Technology Accessibility Standards (36 CFR 1194), which implements Section 508 of the Rehabilitation Act of 1973, as amended (29 U.S.C. 794d).

17. Receipt and Acceptance of Order

It is required that the addressee acknowledge receipt and acceptance of this order as soon as possible, but not later than thirty days after receipt of this order, and return all signed copies except one, to the addresses provided in block 5 of the OF-347, Order for Supplies and Services.
