

Are you interested in taking part in a study to measure chronic stress in pregnant women?

**Self Reported Stress and Cortisol Measurement:
Development of an Optimized Measure of Chronic Stress in Pregnancy
Dr. Emily Harville**

IRB #

If you:

- Are 18 years of age or older
- Are less than 21 weeks pregnant
- Are English speaking

You may be able to participate!

You will be asked to complete:

- An interview at two different prenatal visits
- A blood sample at the time of each interview
- Two at-home saliva samples
- Two hair samples
- Two urine samples

You will receive compensation for your participation.

**If you have any questions or would like to participate please email:
Jayda Jones, Study Coordinator, at jjones15@tulane.edu**
