

HEALTHY COMMUNITIES STUDY
FAMILY HOUSEHOLD VISIT PROTOCOL OVERVIEW
FOR CHILD PARTICIPANTS

This document provides an overview of the protocol for the family household visit for the child participant. Protocol materials include the assent form for children aged 8 and older, the anthropometric measurement recording form, and the Home Visit Interview survey instrument. These data collection materials will be used for the household visit in every community, for the remote follow-up data collection in the first 200 Wave 2 communities one or two years following the initial visit, and for the repeat in-person household visit three years after the initial visit for the Repeat In Person Assessment (RIPA) communities.

Recruitment of Households with an Eligible Child and Adult Guardian

After the parent/caregiver has completed the screening and recruitment and the household has been enrolled in the study, Examination Management Services, Inc. (EMSI), will contact the parent/caregiver to schedule the home visit at a date and time convenient for both the adult and child. An EMSI trained field interviewer will then conduct the home visit to administer the interview with both the parent/caregiver and child, and collect anthropometric measurements.

Assent of Child Aged 8 or Older

Once in the home, the EMSI field interviewer will explain the study, review the assent document with children aged 8 or older, and answer any questions the child may have. At this time, the child (if aged 8 or older) will be asked to sign the informed assent form, which will indicate their assent to participate. EMSI field interviewers will be trained to explain the study thoroughly and answer questions fully. They will be instructed to proceed only if both the parent/caregiver and (where appropriate) the child participants have respectively provided their voluntary, informed consent and assent. EMSI field interviewers will be trained in Human Subjects Research, and will therefore know the guidelines regarding what qualifies as "informed" consent/assent.

What defines "study participation" for a family differs across different communities and by intensity of data collection. The families in the 40 Repeat In-Person Assessment (RIPA) communities will have a follow-up home visit three years later to repeat the baseline assessments. The families in the first 200 Wave 2 communities (including the 40 RIPA communities) will be asked to answer questions by web or telephone one or two years after their baseline home visit. Families in other communities (the 4 Wave 1 communities and last 75 Wave 2 communities) will only have the one assessment. The table below describes these four different community data collection models for the entire 3.5 years of data collection.

Community Type	Number of Communities	Timing of Remote Follow-up	# of in-person Assessments
Wave 1*	4	N/A	1
Wave 2 RIPA	40	2 years	2
Wave 2 Non-RIPA	60	2 years	1
Wave 2 Non-RIPA	100	1 year	1

Wave 2 Non-RIPA*

75

N/A

1

*NOTE: these communities follow the same model

The data collection requirements for Standard and Enhanced Protocol participants are very different and every community will have families taking part in both protocol models. Therefore, the study will need to utilize 8 different assent forms (4 community models by 2 protocol models). A master version of the child assent form is provided with the shaded wording under Procedures and Compensation indicating where sentences or phrases will differ as appropriate to the 8 conditions.

Home Visit Data Collection

As described earlier, every participating family will be administered at least one in-person home visit (home visit 1). Enhanced Protocol families have a second home visit (home visit 2) approximately one week later. Families in the RIPA communities have these in-person visits repeated three years later. In the first 200 Wave 2 communities, the families will also answer questions by web or telephone one or two years after their baseline home visit.

All of the questions to be asked of both Standard and Enhanced Protocol children during home visit 1 and home visit 2 using the study designed computer assisted interview (CAI) are provided. The interview instrument also indicates which questions will be asked of the children during remote follow-up data collection.

In addition to asking these computer-assisted questions, other data collection activities will take place in the home with the child (as well as completing the child assent form where appropriate).

Home Visit 1

While in the home, anthropometric measurements will be taken and recorded onto a paper form; the measurements on the paper form will be entered into the computer at the earliest opportunity before leaving the house. Additionally, the incentive will be distributed while at the home.

If the family is participating in the Enhanced Protocol, during the first home visit the National Cancer Institute (NCI) Automated Self-Administered 24-hour Dietary Recall (ASA24) will be completed for the previous day by using the study computer and its broadband card to access the online instrument. Although the ASA24 was intended for self-administration, the dietary recall will be interviewer-administered. Respondents will sit alongside the EMSI field interviewer at the computer to view and respond to pre-programmed onscreen questions and portion size prompts as they report their intakes from the previous day. The interview will take approximately 30 minutes. Data collected through this web instrument will later be downloaded following the NCI's procedures for data retrieval. Enhanced Protocol families will also be shown how to attach and detach the accelerometer during this first home visit; this demonstration is anticipated to take, on average, five minutes.

Home Visit 2

At the second home visit, the accelerometer will be retrieved and the data from the device will be downloaded into the study database. The ASA24 dietary recall will be administered for the previous day by using the study computer and its broadband card to access the online

instrument, and a Physical Behavior Activity Recall instrument will also be administered (this instrument is provided as part of the home visit questionnaire instrument under the Enhanced Protocol section) . The second incentive will also be distributed during this visit.

Remote Follow-up Data Collection

Respondents in the first 200 Wave 2 communities will be requested to participate in a remote questionnaire-based follow-up data collection that will occur via web or computer-assisted telephone interviews (CATI). The same questionnaire as used for the Standard Protocol baseline visit will be utilized for the remote follow-up, although certain questions will not be repeated for this interview. Questions to be included in the remote follow-up are identified in the home visit questionnaire instrument with an asterix.

HEALTHY COMMUNITIES STUDY

MASTER CHILD ASSENT FORM¹ (for children aged 8 or older)

instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to S. Sonia Arteaga, Ph.D., project officer at hcs@nhlbi.nih.gov

WHY?

We are doing a study to see what activities in your neighborhood help children lead healthy lives.

WHAT? – STANDARD PROTOCOL

If you agree to be in this study, a person from the study called an interviewer will come to your home [one time/two times, now and again three years from now]. [He or She/Each time he or she] will ask you and your parent questions about what you eat, what things you do in school and for play, and where you go in your neighborhood. The interviewer will put some answers into a computer and you and your parent may put some answers in the computer. The interviewer will also measure your height and waist and see how much you weigh.

The interviewer will ask your parent to sign a form to let us look at your medical records at your doctor's office to see how you are growing. The visit to your home today by the interviewer should take about 75 minutes.

[One year/Two years] from now, we will contact you and your parent again and ask you both to answer about 35 minutes worth of questions through the computer or over the telephone. The questions will be similar to those you answered today.

WHAT? – ENHANCED PROTOCOL

If you agree to be in this study, a person from the study called an interviewer will come to your home [two times/four times, twice now and twice again three years from now]. During the first visit [each year] he or she will ask you and your parent questions about what you eat, what things you do in school and for play, and where you go in your neighborhood. The interviewer will put some answers into a computer and you and your parent may put some answers in the computer. The interviewer will also measure your height and waist and see how much you weigh.

You will be asked to wear an activity monitor for the next week. The monitor is a small machine that can tell when you are moving. It should be worn at all times except while sleeping or when in water like while in the bath or while swimming. The interviewer will show you how to put the monitor on and take it off. We will also ask you to tell us what you ate yesterday and we will audio record what you say so that we can check that we entered the correct information in the computer. Finally, the interviewer will ask your parent to sign a form to let us look at your medical records at your doctor's office to see how you are growing. The entire first visit by the interviewer should take about 95 minutes.

¹ This master version of the child assent form contains shaded wording under Procedures and Compensation indicating where sentences or phrases will differ as appropriate according to the type of community and type of protocol.

One week after the first visit [each year], the interviewer will come back to your house to collect the activity monitor and ask you again what you ate yesterday. At this time, they will also ask you about what you have been doing in the past week. This second visit will take approximately 50 minutes.

[One year/Two years] from now, we will contact you and your parent again and ask you both to answer about 35 minutes worth of questions through the computer or over the telephone. The questions will be similar to those you answered today.

WHO?

You can be in this study because you are between 3 and 15 years old and you live in one of the 279 neighborhoods we are studying.

IS THIS SAFE?

We will never use your name in any reports so what you tell us will not appear with your name. We will keep everything you tell us locked up and protected by passwords.

WILL ANYTHING HURT?

Nothing should hurt and if you do not like any of the questions we ask, you do not have to answer.

WHO WILL THIS HELP?

This study will help researchers understand how communities can help children stay healthy.

WILL I GET ANYTHING?

Yes, after [the/each] [first] home visit if you are between 8 and 11 years old, you will get a small toy. If you are 12 or older, you will get a gift worth \$15. Your parent will also get a gift.

At the end of [your/each] second home visit, when the interviewer collects the activity monitor, your family will get an additional \$50 money order.

If you and your parent complete the follow-up web or telephone questions in a few years, we will mail your family a gift worth \$10.

DO I HAVE TO DO THIS?

No, you can choose to join or not. You may ask questions at any time. You may refuse to answer any survey question. You may also drop out at any time.

I have read this form and the study staff have answered my questions.

I, _____, agree to be in the "HEALTHY COMMUNITIES STUDY."
Printed Child Full Name

HOME VISIT COMPUTER-ASSISTED INTERVIEW CONTENT

Public reporting burden of this collection of information has an estimated average of 31 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining data needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden to S. Sonia Arteaga, Ph.D., project officer at hcs@nhlbi.nih.gov

HOME VISIT 1

NOTE: The following questions will be asked during the first home visit for all Standard and Enhanced Protocol families at baseline, and at in-person follow-up when applicable. These questions will be programmed into a computer-assisted interview (CAI) and asked of the adult and/or child respondent as indicated. Subsections of questions where the CHILD is the respondent have been highlighted for easier identification. They will be asked by the interviewer or self-administered as indicated. These questions are in addition to other home visit data collection activities (anthropometric measurements, obtaining signed medical record release, teaching about use of the accelerometer) which will be completed on paper and in addition to completing the ASA-24 dietary recall through a website (for Enhanced Protocol families). The questions with an asterisk () will also be asked during the remote follow-up interviews. No interviewer prompts, wording probes, or other question-by-question specifications are captured in this document. Those additional details will be provided in an annotated version to be used during interviewer training and will be programmed into the CAI. In addition, the ORDER of the specific question sections will be modified for each age group, depending on how much of the questions the child needs to be present for. Consideration will be given to issues of child fatigue, need for privacy, etc., and when appropriate, simultaneous activities will be planned (for example, measuring the adult respondent while an older child respondent is self-completing sensitive questions).*

SECTION A: COMMUNITY EXPOSURE

Interviewer administered

Child aged 3 – 5: Adult respondent

Child aged 6 – 8: Adult respondent/child present to assist

Child aged 9 – 11: Child respondent/adult present to assist

Child aged 12 – 15: Child respondent

The first questions ask about your community or neighborhood. A community has many different things including schools, after school programs, childcare centers, work places, businesses, food stores, and markets, restaurants, places for sports, places for entertainment, churches, and other locations for community activities, and billboards with advertising.

- A1. During the past six months, (have you/has your child) participated in or used any programs, services, facilities, or events in your community that encourage healthy eating or make healthy eating easier?

The next questions are about your total family income in (LAST CALENDAR YEAR IN 4-DIGIT FORMAT) **before taxes**. Income is important in understanding the health information we collect. For example, with this information, we can learn how income is related to children's health. These answers will be kept strictly confidential like all the other information you provide

When answering these questions, please remember that by "combined family income" I mean your income plus the income of all family members and partners living in the household. Please include income from jobs, government assistance, social security, disability, unemployment insurance, investments, and any other income that your family has.

B45. What is your best estimate of the total income of all family members from all sources, before taxes were taken out, in (LAST CALENDAR YEAR IN 4-DIGIT FORMAT)?

SECTION G: PHYSICAL ACTIVITY BEHAVIORS RECALL (FOR 6 – 15 YEAR OLDS)

Self administered

Child aged 3 – 5: NOT ADMINISTERED

Child aged 6 – 11: Child respondent/adult present to assist

Child aged 12 – 15: Child respondent

The next questions are going to ask you about the activities that you have done over the **past week**. Please only think about the activities **you have done** between last (DAY OF WEEK) and today, not activities that you like or would like to do. For each activity, tell us whether or not you did the activity in the past 7 days (one week). For those activities that you mark yes, then select the days on which you did the activity. Then, using the following word and picture descriptions as a guide, select how physically hard or intense the activity was. Remember, these pictures are just a guide, and not the activities you are answering questions about.

INTENSITY RATINGS FOR BOYS AGED 6 – 11:

Light

slow, easy movement

Moderate

medium pace movement

Hard

fast pace movement

Very hard

very fast pace movement

INTENSITY RATINGS FOR GIRLS AGED 6 – 11:

Light

slow, easy movement

Moderate

medium pace movement

Hard

fast pace movement

Very hard

very fast pace movement

INTENSITY RATINGS FOR BOYS AGED 12 – 15:

Form Approved
OMB No. 0925-XXXX
Exp. Date:xx /xx/yyyy

Light

slow, easy movement

Moderate

medium pace movement

Hard

fast pace movement

Very hard

very fast pace movement

SECTION H: PHYSICAL ACTIVITY CHILD SURVEY*Self administered**Child aged 3 – 5: NOT COMPLETED**Child aged 6 – 11: Child respondent/adult present to assist**Child aged 12 – 15: Child respondent*

H1. How much do you agree or disagree with the following statements?

		Disagree a lot	Disagree a little	Agree a little	Agree a lot	Refused	Don't Know
*	There are many places I like to go within easy walking distance of my home.	1	2	3	4	7	8
*	There are sidewalks on most of the streets in (our/my) neighborhood.	1	2	3	4	7	8
*	There are bicycle or walking trails in my neighborhood.	1	2	3	4	7	8
*	It is safe to walk or jog in my neighborhood during the day.	1	2	3	4	7	8
*	People in my neighborhood can easily see walkers and bikers on the streets from their homes.	1	2	3	4	7	8
*	There is so much traffic that it makes it hard to walk in my neighborhood.	1	2	3	4	7	8
*	There is a lot of crime in my neighborhood.	1	2	3	4	7	8
*	I often see other girls or boys playing outdoors in my neighborhood.	1	2	3	4	7	8
*	There are many interesting things to look at while walking in my neighborhood.	1	2	3	4	7	8
*	My neighborhood streets are well lit at night.	1	2	3	4	7	8
*	There are lots of loose or scary dogs in my neighborhood.	1	2	3	4	7	8

HEALTHY COMMUNITIES STUDY

* There is enough equipment (like balls, bikes, etc.) for me to use at home. 1 2 3 4 7 8

H2. About how often does your mother or female guardian exercise, like jogging, running, playing sports, or taking long walks? Never or almost never.....1
Once or Twice a Week.....2
Three or more times a week.....3
Does not apply to me.....4
REFUSED.....7
DON'T KNOW.....8

H3. About how often does your father or male guardian exercise, like jogging, running, playing sports, or taking long walks? Never or almost never.....1
Once or Twice a Week.....2
Three or more times a week.....3
Does not apply to me.....4
REFUSED.....7
DON'T KNOW.....8

H4. How much do you agree or disagree with the following statements?

		Disagree a lot	Disagree a little	Agree a little	Agree a lot	Does not apply to me	Refused	Don't Know
*	I see teachers and staff at my school playing sports or doing physical activities	1	2	3	4	5	7	8
*	Teachers and staff at my school talk to students about being active and playing sports	1	2	3	4	5	7	8
*	My closest friends are often physically active	1	2	3	4	5	7	8

HEALTHY COMMUNITIES STUDY

*	My school has non-sports programs for students to be physically active (step team, dance, walk/run club, etc.)	1	2	3	4	5	7	8
*	My school has sports teams that you have to try out for	1	2	3	4	5	7	8
*	My school has sports teams where everyone can participate (no try-outs)	1	2	3	4	5	7	8

H5. How much do you agree or disagree with the following statements?

		Disagree a lot	Disagree a little	Agree a little	Agree a lot	Does not apply to me	Refused	Don't Know
*	There is enough equipment for me to do the activities I want during recess	1	2	3	4	5	7	8
*	There is equipment for resistance training/weight lifting at my school	1	2	3	4	5	7	8
*	There are outdoor facilities at my school where I can be active (track, fields, playground, etc.)	1	2	3	4	5	7	8
*	There are indoor facilities at my school where I can be active (gym, weight room, multipurpose room, etc.)	1	2	3	4	5	7	8
*	I can use the outdoor facilities at my school during non-school time (nights and weekends) to be active	1	2	3	4	5	7	8
*	I can use the indoor facilities at my school during non-school time (nights and weekends) to be active	1	2	3	4	5	7	8
*	The facilities and equipment at my school for sports are of good quality	1	2	3	4	5	7	8

H6. How much do you agree or disagree with the following statements?

HEALTHY COMMUNITIES STUDY

		Disagree a lot	Disagree a little	Agree a little	Agree a lot	Does not apply to me	Refused	Don't Know

Child aged 9 – 11: Child respondent/adult present to assist

Child aged 12 – 15: Child respondent

HEALTHY COMMUNITIES STUDY

I'm going to read you statements about foods at school during this school year. How often are these statements true in your opinion? Would you say always, most of the time, sometimes, rarely, or never?

J24.	The school lunch is healthy.	ALWAYS.....1 MOST OF THE TIME.....2 SOMETIMES.....3 RARELY.....4 NEVER.....5 REFUSED.....7 DON'T KNOW.....8
------	------------------------------	---

J25.	The school lunch tastes good.	ALWAYS.....1 MOST OF THE TIME.....2 SOMETIMES.....3 RARELY.....4 NEVER.....5 REFUSED.....7 DON'T KNOW.....8
------	-------------------------------	---

J26.	* The foods that are sold in places like vending machines, snack bars, carts, or stores at my (child's) school are healthy.	ALWAYS.....1 MOST OF THE TIME.....2 SOMETIMES.....3 RARELY.....4 NEVER.....5 REFUSED.....7 DON'T KNOW.....8
------	---	---

J27.	* The foods that are sold in places like vending machines, snack bars, carts, or stores at my (child's) school taste good.	ALWAYS.....1 MOST OF THE TIME.....2 SOMETIMES.....3 RARELY.....4 NEVER.....5 REFUSED.....7 DON'T KNOW.....8
------	--	---

Think about this school year, when you answer the following questions.

J28.	How many days a week (does your child/do you) usually eat the school breakfast?	DAYS..... REFUSED.....7 DON'T KNOW.....8
------	---	--

J29.	* How many days a week (does your child/do you) usually eat the school lunch?	DAYS..... REFUSED.....7 DON'T KNOW.....8
------	---	--

Domain 7: Perceived Community Environment Regarding Healthy Eating

Child aged 3 – 15: Adult respondent

In the next question, I am going to ask you about obtaining food.

J30 When shopping for food, how often does the main food shopper in your household go to each of the following places?
Would you say often, sometimes, rarely or never?

		OFTEN	SOMETIMES	RARELY	NEVER	RF	DK
*	a. Large chain grocery store or supermarket?	1	2	3	4	7	8
*	b. Natural or organic supermarket (such as Whole Foods Market)?	1	2	3	4	7	8
*	c. Small local store or corner store?	1	2	3	4	7	8
*	d. Convenience store (such as 7-Eleven, Quick Stop, mini market)?	1	2	3	4	7	8
*	e. Warehouse club store (such as Sam's Club or Costco)?	1	2	3	4	7	8
*	f. Discount superstore (such as Wal-Mart or Target)?	1	2	3	4	7	8
*	g. Online delivery (such as Peapod or Fresh Direct)?	1	2	3	4	7	8
*	h. Ethnic market?	1	2	3	4	7	8
*	i. Farmer's market/co-op?	1	2	3	4	7	8

The next question is about eating prepared food, including when you eat at restaurants, go through the drive-thru, carry out, or have it delivered.

- J31. When you eat out or get take out food, how often do you go to each of the following places? Would you say often, sometimes, rarely or never?

	OFTEN	SOMETIMES	RARELY	NEVER	RF	DK
* a. Restaurant with waiter or waitress service?	1	2	3	4	7	8
* b. Buffet or cafeteria?	1	2	3	4	7	8
* c. Fast food restaurant?	1	2	3	4	7	8
* d. Deli (stand alone or in a shop)?	1	2	3	4	7	8
* e. Convenience stores (such as 7-Eleven, Quick Stop, mini market)?	1	2	3	4	7	8
* f. Bar, tavern, or lounge?	1	2	3	4	7	8
* g. Coffee shop?	1	2	3	4	7	8

In this next set of questions, I am going to ask you about the availability, cost, and quality of food **in your community**. This includes the stores or markets where you shop for food. Remember, community is defined as the place where you live, including your neighborhood and the neighborhoods that you are easily able to get to.

- J32. Please tell us how much you agree or disagree with the following statements. Do you strongly agree, agree, neither agree nor disagree, disagree, or strongly disagree.

	STRONGLY AGREE	AGREE	NEITHER AGREE NOR DISAGREE	DIS-AGREE	STRONGLY DISAGREE	RF	DK
* a. It is easy to buy fresh fruits and vegetables in my community.	1	2	3	4	5	7	8

HEALTHY COMMUNITIES STUDY

		1	2	3	4	5	7	8
*	b. There is a large selection of fresh fruits and vegetables in my community.							
*	c. The produce (fresh fruits and vegetables) in my community is of high quality.	1	2	3	4	5	7	8
*	d. It is easy to purchase low-fat products (such as low fat milk or lean meats) in my community.	1	2	3	4	5	7	8
*	e. There is a large selection of low-fat products available in my community.	1	2	3	4	5	7	8
*	f. The low-fat products in my community are of high quality.	1	2	3	4	5	7	8

J33. Has the cost of fresh fruits and vegetables where you shop ever kept you from buying them?

YES.....	1
NO	2
REFUSED	7
DON'T KNOW	8

Domain 8: Infant Feeding History

Child aged 3 – 15: Adult respondent

The next questions are about breastfeeding your child.

J34. Was your child ever breastfed or fed breast milk?

YES.....	1
NO.....(SKIP TO J36).....	2
REFUSED.....(SKIP TO J36).....	7
DON'T KNOW.....(SKIP TO J36).....	8

J35. How old was your child when (he/she) **completely stopped** breastfeeding or being fed breast milk?

MONTHS.....	
YEARS.....	

Domain 9: Household Food Insecurity

Child aged 3 – 15: Adult respondent

Now I'm going to read you several statements that people have made about their food situation. For these statements, please tell me whether the statement was **often** true, **sometimes** true, or **never** true for your household in the last 12 months – that is, since last (CURRENT MONTH).

- | | |
|---|---|
| <p>J36. We worried whether our food would run out before we got money to buy more.
* Was that often true, sometimes true, or never true for your household in the last 12 months?</p> | OFTEN TRUE.....1
SOMETIMES TRUE.....2
NEVER TRUE.....3
REFUSED.....7
