

Public Burden Statement: An agency may not conduct or sponsor, and a person is not required to respond to, a collection of information unless it displays a currently valid OMB control number. The OMB control number for this project is _____. Public reporting burden for this collection of information is estimated to average __ minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding this burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to SAMHSA Reports Clearance Officer, 1 Choke Cherry Road, Room 7-1044, Rockville, Maryland, 20857.

DEMOGRAPHIC QUESTIONS—CURRENTLY FUNDED CENTERS

1. In what year did you receive your NCTSN grant from SAMHSA?

- 2007
- 2008
- 2009
- 2010

2. What is the length of your grant?

- 3 years
- 4 years

3. Was your center been a previous grantee and is now refunded by SAMHSA?

- Yes
- No

4. If yes, was there a lapse of time between the two grants?

- Yes
- No

5. If your center was refunded, were the grant activities a continuation of the previous grant?

- Yes
- No

6. If you were refunded, what year was your initial grant?

- 2001
- 2002
- 2003
- 2005

FUNDING QUESTIONS—CURRENTLY FUNDED CENTERS

1. In the past 4 years, what were the **funding** sources of your center? (**Check all that apply**)

- Federal funding
- Private foundations
- State funding
- Local funding
- Philanthropic funding
- Clinical fees
- Non-clinical producing programs (e.g., selling training materials)
- Other, _____

2. For all **funding** sources within the past 4 years prior to NCTSN funding (question 3), please specify the type of **funding** received or type of fees generated to sustain your program:

- Federal funding, please specify: _____
- Private foundations, please specify: _____
- State funding, please specify: _____
- Local funding, please specify: _____
- Philanthropic funding, please specify: _____
- Clinical fees, please specify: _____
- Non-clinical producing programs (e.g., selling training materials), please specify: _____
- Other, please specify: _____

3. In the past 4 years, what were the **funding** sources in which your center had applied, but were not awarded? (**Check all that apply**)

- Federal funding
- Private foundations
- State funding
- Local funding
- Philanthropic funding
- Other: _____

4. For all **funding** in which your center has applied, but not awarded in the past 4 years (question 5), please specify the type of funding applied for from the following sources:

- Federal funding, please specify: _____
- Private foundations, please specify: _____
- State funding, please specify: _____
- Local funding, please specify: _____
- Philanthropic funding, please specify: _____
- Other, please specify: _____

5. What **financial strategies** does your center plan to use to facilitate the sustainability of your program after the NCTSN grant? (**Check all that apply**)

- Identifying local financial resources
- Identifying state financial resources
- Identifying federal financial resources
- Identifying philanthropic funding sources
- Identifying other funding sources
- Collaborating with stakeholders in identifying financial resources
- Collaborating with stakeholders in applying for financial resources
- Applying for financial resources
- Partnering with other non-NCTSN agencies in applying for financial resources
- Partnering with NCTSN agencies in applying for financial resources
- Establishing a center workforce to apply for financial resources
- Developing agency services to generate financial resources
- Reporting agency/program effectiveness to gain financial resources
- Other: _____

6. What current factors contribute to the **fiscal sustainability** of your center? (**Check all that apply**)

- Workforce expertise
- Community presence
- Agency services
- Client outcomes
- Trainings offered
- Community collaborations
- NCTSN collaborations
- Stakeholder involvement
- Agency financial support
- Agency non-financial resources
- Other: _____

7. What **financial constraints/barriers** do you anticipate will hinder your ability to sustain services at your center? (**Check all that apply**)

- Limited availability of financial resources
- Agency competitiveness for similar financial resources
- Limited agency budget to hire a workforce with expertise in obtaining funding
- Limited agency reporting on cost effectiveness
- Other: _____

8. Has your organization received Technical Assistance (TA) from the National Center during your NCTSN grant around the topic of sustaining organizational services through **funding** resources?

- Yes
- No

9. What kind of TA around the topic of sustaining organizational services through **funding** has your organization received from the National Center? **(Check all that apply)**

- Locating funding resources
- Writing grants
- Managing fiscal resources
- Fiscal planning
- Creating financial collaborations
- Prioritizing for cost effective services
- Other: _____

CENTER MISSION—CURRENTLY FUNDED CENTERS

1. Has your agency’s mission changed as a result of your NCTSN grant activities?

- Yes
- No
- Don’t know

2. If yes, how has the program’s mission changed? **(Check all that apply)**

- Agency provides more comprehensive services to focus population
- Agency provides more specific evidence-based treatments to their focus population
- Agency provides more trauma-informed screening and assessments to clients
- Agency provides supervision to staff on evidence-based practices and assessments
- Agency provides more trauma-informed training to outside agencies
- Agency facilitates trauma-informed trainings to outside agencies
- Agency provides more information on client outcomes
- Agency provides more information to their Board of Directors or Governing body on services provided
- Other: _____

3. What specific NCTSN factors contribute to your changed mission? **(Check all that apply)**

- Trauma-informed training
- Supervision
- Evidence-based outcome measures
- Evidence-based screening assessments
- Evidence-based practices
- Other: _____

INFRASTRUCTURE OF THE ORGANIZATION—CURRENTLY FUNDED CENTERS

Center Activities

Facilitators

1. What activities does your center use or plan to use to involve stakeholders in your sustainability efforts? **(Check all that apply)**

- Participation in agency outreach activities
- Participation in agency collaborations
- Participation in planning agency services
- Participation in agency staff meetings
- Participation in agency board meetings
- Participation in NCTSN activities
- Participation in community activities
- Other: _____

To what extent are stakeholders involved in the following center activities?	Not at all (1)	To a small extent (2)	To some extent (3)	To a great extent (4)	To a very great extent (5)	Don't know/ Not applicable (6)
Agency outreach activities	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Agency collaborations	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Planning agency services	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Agency staff meetings	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Agency board meetings	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
NCTSN activities	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Community activities	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

2. What strategies do you plan to use to facilitate the sustainability of center activities? **(Check all that apply)**

- Hiring a workforce
- Training a workforce
- Supervising a workforce
- Maintaining an agency presence in the community through outreach activities
- Establishing community relationships
- Establishing collaborative relationships
- Partnering with other agencies
- Partnering with other NCTSN centers
- Other: _____

To what extent have the following strategies been used to facilitate the sustainability of your center's activities?	Not at all (1)	To a small extent (2)	To some extent (3)	To a great extent (4)	To a very great extent (5)	Don't know/ Not applicable (6)
Hiring a workforce	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Training a workforce	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Supervising a workforce	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Involvement in community outreach activities	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Establishing community relationships	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Establishing collaborative relationships	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Partnering with other agencies	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Partnering with other NCTSN centers	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Barriers

3. What factors hinder your sustainability efforts at your center? **(Check all that apply)**

- Lack of an agency workforce
- Lack of staff training
- Lack of supervision
- Limited agency involvement in the community through outreach activities
- Lack of community relationships
- Lack of collaboration
- Lack of agency partnerships
- Lack of partnerships with other NCTSN centers
- Agency policies/regulations
- Other: _____

To what extent have the following factors hindered the sustainability efforts at your center?	Not at all (1)	To a small extent (2)	To some extent (3)	To a great extent (4)	To a very great extent (5)	Don't know/ Not applicable (6)
Lack of an agency workforce	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lack of staff training	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lack of supervision	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Limited agency involvement in the through community outreach activities	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lack of community relationships	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lack of collaboration	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lack of agency partnerships	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Lack of partnerships with other NCTSN centers	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Agency policies/regulations	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>
Other: _____	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Collaboration With Others in Sustainability Efforts

Collaboration With NCTSN Centers

4. How does your center collaborate with other NCTSN centers in your sustainability planning? **(Check all that apply)**

- NCTSN workshops
- National meetings/conferences
- Regional meetings/conferences
- Learning collaborative trainings
- Trauma-informed trainings
- Service delivery
- Community outreach
- NCTSN product development
- Dissemination efforts
- Other: _____

Collaboration With Non-NCTSN Centers

5. How does your center collaborate with other centers outside the NCTSN in your sustainability planning? **(Check all that apply)**

- Workshops
- Meetings
- Facilitating trainings
- Delivering trainings
- Providing supervision
- Developing a workforce
- Service delivery
- Service coordination
- Clinical practice
- Community outreach
- Dissemination efforts
- Other: _____

Considerations of Change

Policy Change

6. How does your center identify opportunities for policy change? **(Check all that apply)**

- Congressional reporting
- Government representatives
- Committee involvement
- Advocacy groups on policy change
- Other: _____

Role of Technical Assistance (TA) of the National Center in Sustainability

7. Has your organization received TA from the National Center around the topic of sustainability?

- Yes
- No

8. If your organization has received TA, please indicate the type of TA received? **(Check all that apply)**

- Information on training staff in evidence-based practices
- Information on providing supervision for staff
- Information on measuring clinical outcomes in clients
- Defining service delivery after the grant
- NCTSN affiliation after the grant
- Information on collaboration within the NCTSN after the grant
- Information on collaboration in the community outside the NCTSN after the grant
- Other: _____

SERVICE DELIVERY AND THE CONTINUATION OF PRACTICES AND PROGRAMS—CURRENTLY FUNDED CENTERS

Center Activities

Product Development

1. What products has your center developed in collaboration with other members of the NCTSN over the course of your grant? **(Check all that apply)**

- Assessment tools
 Clinical treatments
 Training or technical assistance resources
 Information resources
 Other: _____

2. What products does your center plan to sustain after NCTSN funding? **(Check all that apply)**

- Assessment tools
 Clinical treatments
 Training or technical assistance resources
 Information resources
 Other: _____

3. What factors (other than monetary) will facilitate sustaining the products in question 2? **(Check all that apply)**

- Workforce
 Training
 Supervision
 NCTSN collaborations
 Organizational affiliations
 Other: _____

4. What products does your center not plan to sustain after NCTSN funding? **(Check all that apply)**

- Assessment tools
 Clinical treatments
 Training or technical assistance resources
 Information resources
 Other: _____

5. What factors (other than monetary) will hinder your center’s ability to sustain the products mentioned in question 4? **(Check all that apply)**

- Lack of workforce
- Lack of training
- Lack of supervision
- Lack of NCTSN collaborations
- Lack of organizational affiliations
- Other: _____

6. Of the products mentioned in question 1, describe the current NCTSN stage of development of each product by marking an X in the appropriate box. If there is more than one product of the same category or stage of development, please note this with a number.

Stage of Development	Assessment tools	Clinical Treatments	Training or TA Resources	Information Resources	Other
Conceptualization Stage					
Development and Standardization Stage					
Pilot Testing Stage					
Dissemination Stage					
Evaluation Stage					
Creation of a Record in the Knowledge Bank					
Other					

7. If your center is involved in developing more than one product in the following categories, please specify the number of products in which your center is developing as a part of the NCTSN? **(Open ended question for each choice)**

- Assessment tools _____
- Clinical treatments _____
- Training or technical assistance resources _____
- Information resources _____
- Other: _____

8. For each product mentioned in number 7, does your center plan to advance the product to another NCTSN development stage? **(Yes/No to each response in question 7)**

- Yes
- No

9. What factors (other than monetary) do you anticipate will facilitate advancing the development of these products? **(Check all that apply for each item endorsed in number 7)**

- Workforce
 Clientele
 Agency services
 NCTSN collaborations
 Organizational affiliations
 Other: _____

10. What factors (other than monetary) do you anticipate will hinder advancing the development of these products? **(Check all that apply for each item endorsed in number 7)**

- Lack of workforce
 Lack of clientele
 Lack of agency services
 Lack of NCTSN collaborations
 Lack of organizational affiliations
 Other: _____

Trauma-informed Training

11. What types of trauma-informed trainings does your center deliver as a part of the NCTSN grant? **(Check all that apply)**

- Train-the-trainer model type trainings (i.e., training participants to be trainers)
 Psychoeducational programs on the impact of trauma
 Screening trainings related to trauma exposure
 Trainings on referrals/triaging of trauma-exposed children to appropriate levels of clinical intervention
 Clinical intervention trainings for trauma-exposed children
 Non-clinical intervention trainings during/after a traumatic event
 Support service trainings during/after a traumatic event
 Trainings to improving provider responses to child victims of trauma
 Trainings on increasing ability of providers to reduce potential for traumatic stress
 Prevention trainings on child traumatic exposure
 Trainings on secondary trauma among front line human service providers
 Other: _____

12. What types of trauma-informed trainings does your center facilitate as a part of the NCTSN grant? **(Check all that apply)**

- Train-the-trainer model type trainings (i.e., training participants to be trainers)
 Psychoeducational programs on the impact of trauma
 Screening trainings related to trauma exposure
 Trainings on referrals/triaging of trauma-exposed children to appropriate levels of clinical intervention
 Clinical intervention trainings for trauma-exposed children
 Non-clinical intervention trainings during/after a traumatic event
 Support service trainings during/after a traumatic event
 Trainings to improving provider responses to child victims of trauma
 Trainings on increasing ability of providers to reduce potential for traumatic stress
 Prevention trainings on child traumatic exposure
 Trainings on secondary trauma among front line human service providers
 Other: _____

13. What types of trauma-informed trainings does your center plan to sustain (both facilitated and delivered trainings) after the grant? **(Check all that apply)**

- Train-the-trainer model type trainings (i.e., training participants to be trainers)
- Psychoeducational programs on the impact of trauma
- Screening trainings related to trauma exposure
- Trainings on referrals/triaging of trauma-exposed children to appropriate levels of clinical intervention
- Clinical intervention trainings for trauma-exposed children
- Non-clinical intervention trainings during/after a traumatic event
- Support service trainings during/after a traumatic event
- Trainings to improving provider responses to child victims of trauma
- Trainings on increasing ability of providers to reduce potential for traumatic stress
- Prevention trainings on child traumatic exposure
- Trainings on secondary trauma among front line human service providers
- Other: _____

14. What types of trauma-informed trainings (both facilitated and delivered trainings) does your center not plan to sustain after the grant? **(Check all that apply)**

- Train-the-trainer model type trainings (i.e., training participants to be trainers)
- Psychoeducational programs on the impact of trauma
- Screening trainings related to trauma exposure
- Trainings on referrals/triaging of trauma-exposed children to appropriate levels of clinical intervention
- Clinical intervention trainings for trauma-exposed children
- Non-clinical intervention trainings during/after a traumatic event
- Support service trainings during/after a traumatic event
- Trainings to improving provider responses to child victims of trauma
- Trainings on increasing ability of providers to reduce potential for traumatic stress
- Prevention trainings on child traumatic exposure
- Trainings on secondary trauma among front line human service providers
- Other: _____

15. What factors (other than monetary) do you anticipate will contribute to sustaining the types of trainings mentioned in question 3? **(Check all that apply)**

- Workforce
- NCTSN collaborations
- Organizational affiliations
- Other: _____

16. What factors (other than monetary) do you anticipate will hinder your center's ability to sustain the types of trainings mentioned in question 4? **(Check all that apply)**

- Lack of workforce
- Lack of NCTSN collaborations
- Lack of organizational affiliations
- Other: _____

Trauma-informed Evidence-Based Screening and Assessment Measures

17. Which of the Core Data Set measures do you currently use with your target population? **(Check all that apply)**

- Core Clinical Characteristics Baseline Form
- Core Clinical Characteristics Follow-Up Form
- Core Clinical Characteristics General Trauma Form
- Core Clinical Characteristics Trauma Detail Form
- Child Behavior Checklist (CBCL 1.5-5)
- Child Behavior Checklist (CBCL 6-18)
- UCLA PTSD Reaction Index
- Trauma Symptom Checklist for Children-Abbreviated version (TSCC-A)

18. What other trauma-informed screening and assessment measures do you use with your clients? **(Open ended question)**

19. Which of the Core Data Set measures do you plan to continue to use after the NCTSN grant?

- Core Clinical Characteristics Baseline Form
- Core Clinical Characteristics Follow-Up Form
- Core Clinical Characteristics General Trauma Form
- Core Clinical Characteristics Trauma Detail Form
- Child Behavior Checklist (CBCL 1.5-5)
- Child Behavior Checklist (CBCL 6-18)
- UCLA PTSD Reaction Index
- Trauma Symptom Checklist for Children-Abbreviated version (TSCC-A)

20. Which of the trauma-informed screening and assessment measures mentioned in question 2 does your center plan to continue to use with your clients after the NCTSN grant? **(Open-ended question)**

21. What factors (other than monetary) do you anticipate will contribute to your continued use of the Core Data Set measures with your target population? **(Check all that apply)**

- Workforce
- Clinical practice
- Agency services
- NCTSN involvement
- NCTSN collaborations
- Organizational affiliations
- Agency/board decisions
- NICON
- Other: _____

22. What factors (other than monetary) do you anticipate will hinder your use of the Core Data Set measures with your target population? **(Check all that apply)**

- Lack of workforce
- Changing agency services
- Lack of NCTSN involvement
- Decreased NCTSN collaborations
- Lack of organizational affiliations
- Agency/board decisions
- NICON
- Other: _____

23. What factors (other than monetary) do you anticipate will contribute to your use of other assessment measures with your target population? **(Check all that apply)**

- Workforce
- Clinical practice
- Agency services
- Training
- Supervision
- NCTSN involvement
- NCTSN collaborations
- Organizational affiliations
- Agency/board decisions
- Computer programs
- Other: _____

24. What factors (other than monetary) do you anticipate will hinder your use of other assessment measures with your target population? **(Check all that apply)**

- Lack of workforce
- Lack of training
- Lack of supervision
- Changing agency services
- Lack of NCTSN involvement
- Decreased NCTSN collaborations
- Lack of organizational affiliations
- Agency/board decisions
- Computer programs
- Other: _____

Trauma-informed Evidence-Based Practices

25. What trauma-informed evidence-based practice(s) does your center currently use? **(Check all that apply)**

- Dialectical Behavior Therapy
- Attachment, Self-Regulation, and Competence Alternatives for Families - A Cognitive Behavioral Therapy
- Trauma Assessment Pathway
- Child Adult Relationship Enhancement
- Child Development Community Policing Program
- Child and Family Traumatic Stress Intervention
- Combined Parent Child Cognitive-Behavioral Approach for Children and Families At-Risk for Child Physical Abuse
- Cognitive Behavioral Intervention for Trauma in Schools
- Child-Parent Psychotherapy
- Culturally Modified Trauma-Focused Treatment
- Parent-Child Interaction Therapy
- Structured Psychotherapy for Adolescents Responding to Chronic Stress
- Trauma-Focused Cognitive Behavioral Therapy
- Trauma Systems Therapy
- Other: _____

26. What trauma-informed evidence-based practice(s) does your center plan to use after funding? **(Check all that apply)**

- Dialectical Behavior Therapy
- Attachment, Self-Regulation, and Competence Alternatives for Families - A Cognitive Behavioral Therapy
- Trauma Assessment Pathway
- Child Adult Relationship Enhancement
- Child Development Community Policing Program
- Child and Family Traumatic Stress Intervention
- Combined Parent Child Cognitive-Behavioral Approach for Children and Families At-Risk for Child Physical Abuse
- Cognitive Behavioral Intervention for Trauma in Schools
- Child-Parent Psychotherapy
- Culturally Modified Trauma Focused Treatment
- Parent-Child Interaction Therapy
- Structured Psychotherapy for Adolescents Responding to Chronic Stress
- Trauma-Focused Cognitive Behavioral Therapy
- Trauma Systems Therapy
- Other: _____

27. What factors (other than monetary) do you anticipate will contribute to your continued use of the trauma-informed evidence-based practices mentioned in question 2 with your target population? **(For each practice, check all that apply)**

- Workforce
- Clinical practice
- Agency services
- Training
- Supervision
- NCTSN involvement
- NCTSN collaborations
- Organizational affiliations
- Agency/board decisions
- Other: _____

28. What factors (other than monetary) do you anticipate will hinder your use trauma-informed evidence-based practices with your target population? **(Check all that apply)**

- Lack of workforce
- Lack of training
- Lack of supervision
- Changing agency services
- Lack of NCTSN involvement
- Decreased NCTSN collaborations
- Lack of organizational affiliations
- Agency/board decisions
- Other: _____

Sustainability

NCTSN involvement

29. What current factors (other than monetary) contribute to your center's involvement with NCTSN? **(Check all that apply)**

- All Network Conference participation
- Workgroup participation
- Learning collaborative participation
- Delivering trauma-informed trainings
- Facilitating trauma-informed training
- Trauma-informed supervision
- Product development
- Providing similar evidence-based interventions as other NCTSN centers
- Serving similar target populations as other NCTSN centers
- Other: _____

30. What factors (other than monetary) do you anticipate will contribute to your center's involvement with NCTSN after the grant? **(Check all that apply)**

- Agency services
- Workforce participation
- Involvement in delivering trauma-informed training
- Involvement in facilitating trauma-informed training
- Involvement in learning collaboratives
- Involvement in product development
- Involvement in workgroups
- Involvement in supervision
- Involvement in Core Data Set administration
- Other: _____

31. What factors (other than monetary) do you anticipate will hinder your center's involvement with NCTSN after the grant? **(Check all that apply)**

- Changing agency services
- Decreased workforce
- Lack of delivery of trauma-informed training
- Lack of facilitating trauma-informed training
- Lack of involvement in product development
- Lack of involvement in NCTSN workgroups
- Lack of ongoing NCTSN collaborations
- Lack of continued administration of Core Data Set
- Other: _____

Non-NCTSN involvement

32. What current factors (other than monetary) contribute to your center's involvement with non-NCTSN centers?

- Providing services to other agency clients
- Providing/receiving referrals from non-NCTSN agencies
- Delivering trauma-informed trainings
- Facilitating trauma-informed trainings
- Providing trauma-informed supervision
- Collecting outcome data on clients
- Other: _____

33. What factors (other than monetary) do you anticipate will contribute to your involvement with non-NCTSN centers after funding ends? **(Check all that apply)**

- Community collaborations
- Agency services
- Client needs
- Involvement in delivering trauma-informed training
- Involvement in facilitating trauma-informed training
- Providing supervision
- Involvement in Core Data Set administration
- Other: _____

34. What factors (other than monetary) do you anticipate will have hindered your center's involvement with non-NCTSN centers after funding ends? **(Check all that apply)**

- Lack of community collaborations
- Changing agency services
- Changing client needs
- Lack of involvement in delivering trauma-informed training
- Lack of involvement in facilitating trauma-informed training
- Lack of participation in providing supervision
- Other: _____

Thank you for your participation!
