Privacy Act Statement

Sections 205(j)(4) and 1631(a)(2), of the Social Security Act, as amended, authorize us to collect this information. The information is needed to permit consideration as to your eligibility to serve as a Fee for Service Representative Payee. The information you furnish on this form is voluntary. However, failure to provide all or part of the information may result in nonpayment for your services.

We rarely use the information you supply for any purpose other than for making a determination regarding your eligibility to serve as a Fee for Service Representative Payee. However, we may use it for the administration and integrity of Social Security programs. We may also disclose information to another person or to another agency in accordance with approved routine uses, which include but are not limited to: (1) to enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage; (2) to comply with Federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veteran Affairs); (3) to make determinations for eligibility in similar health and income maintenance programs at the Federal, State, and local level; and (4) to facilitate statistical research, audit, or investigative activities necessary to assure the integrity of Social Security programs.

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State, or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally-funded and administered benefit programs and for repayment of payments or delinquent debts under these programs.

A complete list of routine uses for this information is available in Systems of Record Notice 60-0222. This notice, additional information regarding this form, and information regarding our programs and systems, are available on-line at www.socialsecurity.gov or at your local Social Security office.
