4. If the Regional Director terminates the period of liability of this bond or additional security*, the Surety will remain responsible for Obligations that accrued during the period of liability until the Regional Director issues a written cancellation of the bond or additional security* in favor of the Surety.
5. If this bond or additional security* is cancelled, the Regional Director may reinstate this bond or additional security* as if no cancellation had occurred if any payment of any obligations of the Principal(s) is rescinded or must be restored pursuant to any insolvency, bankruptcy, reorganization, or receivership, or should the representation of the Principal that it has paid its financial Obligations or performed the other Obligations of the pipeline ROW grant(s) in accordance with BOEMRE specifications be materially false and the BOEMRE relied upon such representation in canceling the instrument.
6. The Surety waives any right of notice of this bond or other security* taking effect and agrees that this bond or additional security* will take effect upon delivery to BOEMRE.
7. The Surety's Obligations will remain in full force and effect, even if:

 - (c) Any person, event, or condition terminates any Instrument covered by this bond or additional security*, whether the termination is by operation of law or otherwise.
 - (d) The BOEMRE takes or fails to take any action in enforcing, as against any party to the Instrument, the performance of any other covenant, condition or agreement of the pipeline ROW grant, or giving notice of or making demand with respect to such nonperformance.
 - (e) The Surety suffers any loss by reason of any law limiting, qualifying, or discharging the Principal's Obligation.
8. The Surety agrees to be bound under this bond or additional security* as to the interests in any Instrument retained by the Principal when the BOEMRE approves the transfer of any or all of the Instruments.
9. In the event of any default under a pipeline ROW grant, the Surety must perform the Obligations of the Principal upon demand by the BOEMRE.
10. If the BOEMRE decides to commence suit to enforce its rights, it may commence and prosecute any claim, suit, action, or other proceeding against the Principal and Surety, or either of them, whether or not the BOEMRE joins the pipeline ROW grant holder or any other party.
11. In the event there is more than one Surety for the Principal's performance of the Obligations, as to any Instrument, the Surety's Obligation and liability under this bond or additional security* is on a "solidary" or "joint and several" basis along with other guarantors or sureties.
12. The Surety agrees to give prompt notice to the BOEMRE and the Principal of any action filed alleging the insolvency or bankruptcy of the Surety or the Principal, or alleging any violation that would result in suspension or revocation of the Surety's charter or license to do business.
13. The Surety's Obligation and liabilities under this Bond or additional security* are binding upon the Surety's successors and assigns. Nothing in this document permits assignment of the Surety's Obligation without the written consent of the BOEMRE.
